Our family stayed at Patrick's place after a Savannah State University ceremony. It was easy to get in. Coffee and tea was plentiful. Lot's of space for all of us. The downers were the extra room with the bunk bed was a bit cool even with the heat on. Other than that it was great! I will be renting again spring or summer!

Enjoyed our stay The only problem was there wasn't any heat in the large bedroom. There should have been some supplemental heat provided especially in November. Notification of this in advance would have been helpful. Overall we had a great time spending Thanksgiving with family and friends. Thanks for sharing you home with us.

Comfortable stay. Well Stocked and clean kitchen. Peaceful neighborhood. Google maps was a little misleading and it took us a bit to locate the place. But we enjoyed our stay overall.

Patrick was always in communication, making sure we were comfortable. The house is large and beautifully decorated. The coffee station was equipped with everything you could need for a good cup of coffee.

Huge house with plenty of space — perfect for gatherings or parties. We just needed a place to crash, and it worked out great. The outdoor area was especially fun and entertaining, with games, a swing, and even mini-golf. Overall, a great stay

We had a great trip to Savannah! Patrick was incredibly communicative, helpful, and quick to respond to any questions we had. There was a small issue during our visit, and Patrick handled it promptly and thoroughly, which we really appreciated. It's clear he cares about his guests' experience. Look forward to going back to Savannah again!
