As a whole property was great. The pool and outside area was covered with rocks and leaves. We cleaned it up and had a blast. Everything else was superb.

This house was perfect for our family. There was plenty of space, the game room provided hours of fun, as did the basketball/pickleball court. The kitchen was well stocked, and there were plenty of places to sit for a meal. If you are in town for a youth soccer tournament at the Jennifer Ross complex, this is absolutely the place to be. It's five minutes from the fields, five minutes from quick food options, five minutes from Dick's Sporting Goods, and five minutes from a grocery store.

Really beautiful and spacious home - worth every penny (especially the amenities). The communication with host was timely. The neighbors don't bother at all, but be mindful in pool area- they do have cameras pointed toward the property. I'd revisit this property for sure!

This VRBO rental definitely has five star potential. We enjoyed the backyard basketball court and Pickleball, place was clean and owner was pleasant and responsive, Even provided us with a Christmas tree. However, place is somewhat run down right now. There is a reason there is no picture of the front, needs a paint job and some landscaping. Front door sticks, refrigerator drawer is wankered, no cue ball, heat for spa not working, cordless vacuum not working,
