

Insurance intake form

Are you a host or full-access co-host to a home listing?

☐ Yes

☒ No

Let's get you some help. Here's an overview of how to use this form:

- **Who should use this form:** Anyone who needs to report an incident for potential insurance coverage—this could be a host of a home, service, or experience listing, guest, or third parties like a lawyer or property owner.
- **What happens next:** After you submit this form, we'll validate the information provided. If there aren't any issues, we'll send it to the insurance carrier to handle the claim. If we're missing details or otherwise unable to validate, an Airbnb support specialist will reach out for more info.
- **Who to contact:** After this claim is sent to the insurance carrier, they'll be your main point of contact and you can reach out to them directly.
