We loved this Airbnb! We stayed there for my bachelorette trip and had a pickleball tournament. It was such a fun space with plenty of activities. Wish we could've stayed longer! The place was very clean and well decorated. Highly recommend this place for a fun time!

This home was spacious, well laid out and clean. The backyard is to die for . It's almost like a hidden paradise . This is definitely a must rent home just for a weekend to get away . Definitely will be booking again

Patrick was a great host. Communicated with us often and his house had everything we needed plus more. Our kids really enjoyed all the activities available at the house especially the basketball/pickleball court. We hope to come back again!

We thoroughly enjoyed our stay. It was located in a quiet neighborhood. The house was clean with lots of nice decorations. The kitchen was nicely stocked and the coffee bar was a hit with our family. The pool was a nice break in our evening. There were so many extra things to do that we didn't get a chance during our visit to enjoy. Patrick was quick to respond to our questions.

The house has a lot of potential, and you can tell they've already made improvements—although it's still noticeable that the property is under renovation. I want to give credit to the host because their communication is excellent: they respond very quickly to any questions or concerns, at least in my experience....
