Mini vacation

We thoroughly enjoyed our stay. We were disappointed that the fire pit didn't work, we suspect that it was out of gas, but everything else was as advertised. The host was amazing.

Family getaway

Cute home. We used it to get all the kids together for the holidays. Plenty of room. Beds were comfortable. Coffee bar was stocked well. Kids loved sitting around the fire pit and catching up. Location was convenient and neighborhood was quiet.

Needs TLC

The beds were comfortable and we slept well. However it is advertised as Putt Putt and expresso and the pictures showed a stocked expresso bar. All of the flavor bottles were empty and the putt putt green was not usable. The house was comfortable but needs some TLC.

Amazing, fun stay in Savannah!

We had a great experience staying here! This home was fun!!! We needed a nice home that would accommodate our family and guests. It was perfect for the baby shower we had; no one felt crowded. Everything we needed was there; the kitchen was fully equipped and our coffee drinkers were in coffee heaven because of the amazing coffee bar. The backyard is full of fun activities & games for the family! The neighborhood was nice as well. Our host was extremely

Great

The property was pretty, and the pictures did do a good job at showing the property. The little egg chairs were cute at night with the lights above. My only issue was kitchen floor. Our shoes stuck to it because it was so dirty. Thats a simple fix, nothing major. Other than that, it was a great property!
