TOWN OF THUNDERBOLT
REGULAR MONTHLY MEETING
WEDNESDAY, MARCH 6, 2024
6:00 PM

AGENDA HEARING

Public has five minutes per person to ask questions or comment on any agenda item.
Mayor Williams opened the public hearing up at 6 pm.

Stella Lavin, 3125 Robertson Ave, wanted to know how we ensure compliance with the short-term rental portal.

Katherine Clements thanked the Town for the proclamation for her family member, Officer Ben Green. She also asked about the pothole on Whatley near Shell Rd. She stated the pothole and lines are hard to see in the rain which is unsafe. She also stated there was a pothole at Sunset and Whatley Ave. Ms. Clements asked about the sewer on Cedar Street, stating the water settles and the pavement is starting to sink.

Mayor Williams let Ms. Clements know we were glad to be able to honor Officer Ben Green at the last meeting.

Town Administrator Milie stated the contractor has been contacted regarding a paving schedule. The Bonaventure Safety Corridor will be the litmus test for other areas in the Town. He also stated he received good feedback from the Community Improvement Association. The start of Talk It Up Tuesday went well. It will be the first Tuesday each month. There were 6 people in attendance. It is like a workshop type meeting to get input on plans moving forward. Notifications and advertisements will be sent out. The goal is to gather community input to maximize benefit.

Town Administrator Milie stated Lieutenant Runyon is doing administrative work for the Fire Department while Chief Bateman is out for a short time. The succession plan is in place for this reason. Lt. Runyon brings experience, supervisory knowledge, and leadership. Mr. Milie applauded Lt. Runyon because he is also leading the Police Department while Chief Clayton is out.

Lt. Runyon stated both Flock Cameras were up and running. There are new school zone cameras being placed near Johnson High School. He also stated the emergency radios should be in by the end of April.

Mayor Williams asked Lt. Runyon to explain the Flock Cameras. He stated they are cameras across the US that send alerts for missing persons, wanted persons, vehicles with no insurance or suspended registration. It is a great tool and allows the PD to search tags by make/model of the vehicle. Mr. Milie added that it also alerts on sex offenders. It can be watched around the schools. Mayor Williams stated it is a great tool to keep the Town safe by creating a barrier surrounding the Town.

Mayor Williams closed the public comment at 6:29 pm.
