TOWN OF THUNDERBOLT
BUDGET WORKSHOP AND
REGULAR MONTHLY MEETING
WEDNESDAY, NOVEMBER 8, 2023
6:00 PM

AGENDA HEARING

Public has five minutes per person to ask questions or comment on any agenda item.
Mayor Williams opened the public hearing up at 6 pm.

Sharon O'Conner, 220 Bonaventure Rd., discussed the issue of speed on Bonaventure Rd. She states the speed limit is 25 MPH, but people speed at 40+ MPH regularly. She voiced her fear of pulling out of her driveway because she doesn't think it is safe. She feels more patrol and ticketing will help matters.

Lisa Yarbrough, 314 Bonaventure Rd., mentioned she has spoken to several officers over the years regarding the speeding problem on Bonaventure Rd. She feels that very few people abide by the posted speed limit. She also mentioned the use of Bonaventure Rd. by tractor trailers and trucks pulling large trailers. She voiced her displeasure regarding repair work done under the road that has caused the road to be unlevel and it is pushing dirt in her yard when trucks drive by. She discussed having a special needs child and she feels the speeding issue is a safety concern for him. She also mentioned that the busses speed on Bonaventure Rd.

Town Administrator Milie acknowledged the speeding concerns and discussed the state law that prohibits the Thunderbolt Police Department from running radar on Bonaventure Rd. due to the posted speed limit being 25 MPH. He also discussed future safety features to be added in 2024 to help deter speeding along Bonaventure Rd.

Jan Yarbrough, 24 Bonaventure Rd., asked about the November 1, 2023 Special Called Planning and Zoning meeting that was held. She voiced not seeing it advertised on the home page of the Town's website. She also questioned whether proper advertisement and neighbor notification letters went out in accordance with the law.

Town Administrator Milie and Interim Town Clerk, Matthew Walker, explained that the meeting was advertised in the Savannah Morning News, posted on the Town's website in the proper location, and that notification letters were sent to all abutting propery owner's that required a notice to be sent.

Trey Conners, 3211 Bannon Dr., voiced his displeasure with speeding and the use of tractor trailers in the residential area around Bannon Dr. He stated that there are 37 tractor trailers, on average, that pass on Bannon Dr. each day.

Town Administrator Milie stated the one-way use of Bannon Dr. was to allow trucks to arrive at their destination in Town. It was also a safety measure to prevent possible collisions.

Mayor Williams closed the public hear meeting at 6:30 pm.

Mayor Williams opened the 2024 Budget Workshop at 6:30 pm.

DRAFT

Mayor Williams stated that money, time, and effort will be directed to reduce speeding in Thunderbolt in 2024.

Town Administrator Milie discussed funding for an additional officer in 2024. He stated that speed enforcement cameras are only allowed in school zones. He addressed council member Crenshaw's desire to add ADA compliant sidewalks and to complete road repairs and maintenance around Thunderbolt. He addressed council member Ward's desire to add beautification projects around town. He also discussed Mayor Williams' wish to have more community involvement by hosting block parties and gatherings to bring the community together as well as improving the infrastructure. He also addressed council member Drohan's desire for improved sustainability, the use of solar power, and the need for a pickleball court in Thunderbolt. Mr. Milie addressed council member Lavin's concerns about litter and program management for maintenance. He also addressed council member Barbaree's wish to increase beautification and to have more community events to interface with the residents.

Mayor Williams discussed the 300% increase in costs to pave roads at this time.

Dr. Drohan added that raw materials are higher in cost, but there may be alternatives. He also asked if the additional police officer would help with the speeding concerns around Thunderbolt.

Police Chief Clayton said adding another officer will help with scheduling and enforcement.

Mayor Williams closed the budget workshop at 6:45.

REGULAR MEETING

1. **Call to order -** Mayor Williams called the meeting to order at 6:45pm.

2. **Roll Call by Presiding Officer with Invocation, followed by the Pledge of Allegiance**

      Town Administrator Milie discussed the current allowing of spas in some areas of Thunderbolt. He wishes to create an Ordinance to make it more difficult for illegal/illegitimate spa services to open businesses in the Town. Attorney Barrow and Council Member Drohan believe the Ordinance needs to be more specific to include what is not allowed.

   c) **Discussion of Georgia Gang Database Training at Traffick Jam 2024.**

      Town Administrator Milie discussed the need for an Intergovernmental Agreement with the state to gain access to the state's gang database.

9. **Department Report –** Written Reports Submitted

   by: Police / Municipal Court / Neighborhood Watch – Sean Clayton, Chief of Police

   Chief Clayton had nothing further to add to his report. Chief Clayton stated he will move the speed sign to Bonaventure Rd. to have a study done on the traffic and speeding concerns. He believes the Town should define "residential" area for speed limit issue. He also discussed the means to send applicants to the police academy for training.

   Fire –Fire Chief, Andrew Bateman

   Chief Bateman was not in attendance and no report was given.

   Public Works Department – Oscar Crosby, Public Works Manager

Dear Valued Client,

Thank you for calling us for your service needs. Your business is appreciated. Efficient, dependable service requires far more than just a technician, tools, and parts. Quality service involves a substantial investment of time, money, and equipment. Unlike servicing a vehicle, we must travel to your door, which involves truck mileage as well as the technician's travel time. Here are some of the items which contribute to superior service:

• An experienced customer service representative to receive calls and get the facts.
• A qualified dispatcher to relay calls to the nearest service technician and schedule stops for efficient operation.
• A parts department with a large working inventory of backup electric & plumbing parts to eliminate costly delays in servicing your equipment.
• Trucks with a large working inventory of electric & plumbing parts plus expensive tools and test equipment for prompt repairs.
• Trained service technicians to diagnose the problem quickly, make the repairs promptly, and keep your costs reasonable.

We would appreciate hearing from you if you have any problems or suggestions.
Thank you for choosing us today!

General Fund

The General Fund is the primary operating budget of the Town. The General Fund accounts for the financial resources of the Town which are not accounted for in any other fund. Principal revenue sources are property taxes, beverage taxes, state and local use tax, licenses, permits and fines. The General Fund accounts for expenditures related to the general administration of the Town (general government), the protection and safety of people within the Town, including police, fire services, code enforcement (public safety), the maintenance and upkeep of infrastructure and Town property within the Town (public works), as well as providing a sense of community.

This section of the budget is organized as follows:

1. General Fund Summary – shows revenues grouped by source and expenditures by function
2. General Fund Detailed Revenues Budget – provides revenue by line item for each major revenue source
3. General Fund Expenditures by Department – shows the detailed expenditures for each department in the General Fund

Capital Fund

Fund / Department Description:

The majority of the Town's capital purchases are infrastructure projects, building renovations or larger vehicle and equipment purchases that are not SPLOST or Utility fund related. These non-routine purchases deemed to be one-time expenditures and not SPLOST or Utility Fund related are accounted for in the Capital Fund. These purchases are financed through either current year General Fund budget surplus or General Fund unreserved fund balance.

In previous years, all capital purchases were accounted for in the General Fund operating budget. To better understand the recurring operational costs of the Town, management has separated capital purchases from the general fund. In order to effectively manage the replacement of these items, the condition, estimated useful life, and anticipated replacement dates for each asset will be reviewed by department heads each year. Based on this input, these items are then prioritized and incorporated in the annual capital budget in a way that attempts to manage the annual funding levels needed to replace these assets in a fiscally sustainable manner.

Capital Asset Policy: Capital assets are defined by the Town as assets with an initial cost of more than $1,000 for general capital assets and infrastructure assets, and an estimated useful life in excess of two years. All capital assets are valued at historical cost or estimated historical cost if actual amounts are unavailable.

SPLOST 2020 Fund

Department Description:

The Special Purpose Local Option Sales Tax (SPLOST) 2020 Fund is a capital project fund. The SPLOST 2020 accounts for construction of major capital projects financed by SPLOST proceeds. A 2019 intergovernmental agreement between Chatham County and the Town of Thunderbolt stated the Town may anticipate $2.9 million in proceeds over the life of the SPLOST to finance the approved capital projects below. FY24 budget includes funding for a vehicles and a tanker truck, stormwater maintenance, utility replacements and maintenance, and park improvements.

Town of Thunderbolt
State of Georgia

A RESOLUTION

TO ADOPT THE FISCAL YEAR 2024 BUDGET FOR THE GENERAL, ENTERPRISE AND CAPITAL PROJECTS FUNDS FOR THE TOWN OF THUNDERBOLT, GEORGIA. APPROPRIATING THE AMOUNTS SHOWN IN EACH BUDGET AS EXPENDITURES AND/OR EXPENSES, ADOPTING THE ITEMS OF REVENUE ANTICIPATED, AND PROHIBITING EXPENDITURES AND/OR EXPENSES FROM EXCEEDING THE ACTUAL FUNDING AVAILABLE.

WHEREAS, sound governmental operations require a budget in order to plan the financing of services for the residents of the Town of Thunderbolt; and

WHEREAS, Title 36, Chapter 81 Article 1 of the Official Code of Georgia Annotated (OCGA) requires a balanced budget for the Town's fiscal year, which runs from January 1st to December 31st of each year; and

WHEREAS, the Mayor and Town Council of the Town of Thunderbolt have reviewed the proposed FY 2024 budget as presented by the Town Administrator; and

WHEREAS, each of these funds is a balanced budget, so that anticipated revenues and other financial resources for each fund equal the proposed expenditures or expenses; and

WHEREAS, the Mayor and Town Council wishes to adopt this proposal as the Fiscal Year 2024 Annual Budget, effective from January 1st, 2024 through December 31st, 2024.

NOW THEREFORE BE IT RESOLVED by the Mayor and Town Council of the Town of Thunderbolt, Georgia, as follows:

Section 1. That the proposed Fiscal Year 2024 Budget, attached hereto and incorporated herein as a part of this Resolution is hereby adopted as the Budget for the Town of Thunderbolt, Georgia for Fiscal Year 2024, which begins January 1st, 2024 and ends on December 31st, 2024.

Section 2. That the items of revenues, other financial resources, and sources of cash shown in the budget for each fund in the amounts shown anticipated are hereby adopted, and that the several amounts shown in the budget for each fund as proposed expenditures or expenses, and uses of cash are hereby appropriated to the departments named in each fund.

Section 3. That the "legal level of control" as defined in OCGA §36-81 is set at the departmental level, meaning that the Town Administrator in his capacity as Budget Officer is authorized to move appropriations from one line item to another within a department, but under no circumstances may expenditures or expenses exceed the amount appropriated for a department without a further Budget amendment approved by the Mayor and Town Council.

Section 4. That all appropriations shall lapse at the end of the fiscal year.

Section 5. That this Resolution shall be and remain in full force and effect from and after its date of adoption.

Adopted this_____day of_____, 2_____.

Meeting Date:	December 13, 2023	**Meeting Location:**	Regular-Discussion
Submitting Dept:	General Admin.	**Presenter:**	Milie
Agenda Item:	Ability to engage in Brokerage arrangement via Bank	**Public Comment:**	Yes

Purpose & Policy Considerations:

The purpose of this item is to empower staff to move forward with the opening of a brokerage account with our local banking institution. The Brokerage agreement will allow the Town to acquire investment times to ensure that the Town continues to make money on money we legally must hold in reserves. The money will be liquid, secure, and in keeping with GMA best practice guidelines and in compliance with all Federal, State, and Local laws/regulations. Below is the legal means and limited abilities of type of investment allowable.

A. SAFEKEEPING AND CUSTODY

1. Investment Types

Investments (other than bond proceeds) shall be made in instruments permitted by the State of Georgia for local governments, regulated under Georgia Code, O.C.G.A. 36-83-4. Such instruments include:

- Obligations issued by the U.S. government,
- Obligations fully insured or guaranteed by the U.S. government or by a government agency of the United States,
- Obligations of any corporation of the U.S. government;
- Prime bankers' acceptances,
- The Georgia local government investment pool (i.e., Georgia Fund I)
- Repurchase agreements, and
- Obligations of other political subdivisions of the state

In accordance with O.C.G.A. 36-82-7, investments made with unexpended bond proceeds shall be limited to:

- Bonds or obligations of the governmental entities and/or political subdivisions of the state,
- Bonds or obligations of the U.S. government which are fully guaranteed,
- Obligations of agencies of the U.S. government, bonds or other obligations of public housing agencies or municipal corporations in the United States,

- The Georgia local government investment pool (Georgia Fund I)

Staff Recommendation:

Staff recommends the approval of the ability to enter in a brokerage agreement allowing us to better safeguard reserve funds, as well as ensure interest in our best effort to maintain the lowest possible tax burden to our residents and businesses. Concurrently, the staff requests the approval of the transfer of up to 1.5 million dollars. Said invest money amount will only be made after in-depth analysis with HBBB (Accounting Firm), Municipal Financial Advisors, Council, and banking institution.

INTER OFFICE CORRESPONDENCE

TO: Town Administrator, Robert Milie

FROM: Chief Sean Clayton

DATE: December 1, 2023

SUBJECT: Monthly Report for November 2023

POLICE DEPARTMENT:

Tybee PD invited us out for vehicle extraction training, which trains officers how to safely remove occupants who refuse to exit the vehicle. The techniques used are basic joint manipulation and pressure points which allows the officers another option that is not only safer for the officer, but also safer for the vehicle occupant as well.

Our portable radios should be delivered towards the end of December to early January. I asked for quotes on patrol vehicles, and Dodge came in at $46,000 for the Durango's. OC Welch is still waiting on delivery, but I expect those to be around $47,000 based off of our last purchase. However, Brannen Ford out of Perry Ga. came in at $39.959.00 for the 2023 Explorer with the Police Interceptor package.

I have reached out to Flock Camera Systems and I'm having the first camera installed within the next couple of weeks pending Council approval. My goal is to eventually have 3 to 4 cameras installed at various locations throughout the town, over the next two years. These cameras will capture vehicle and the license plate numbers, and will even take photos of pedestrians as well. This will not only aid as a deterrent, but if there is a crime committed, we'll have a description of the person or the vehicle, along with an accurate date and time. All of the officers will have access to these cameras and will be able to monitor the information via their Mobil Data Terminals. The cameras don't send every photo captured to the officer but that information is there and can be retrieved when needed for investigation purposes.

AN ORDINANCE TO AMEND THE CODE OF ORDINANCES PERTAINING TO RENTAL PROPERTIES WITHIN THE TOWN OF THUNDERBOLT, GEORGIA
Pertaining to the Registration of Short-Term Rental Property. Providing for purpose and intent; providing for definitions; providing for aforementioned rental properties; providing for enforcement and penalties; providing for severability and an effective date.

WHEREAS, the duly elected governing authority for the Town of Thunderbolt, Georgia is authorized under Article 9, Section 2, Paragraph 3 of the Constitution of the State of Georgia to adopt reasonable ordinances to protect and improve the public health, safety, and welfare of the citizens of Thunderbolt, Georgia; and

WHEREAS, the duly elected governing authority for· the Town of Thunderbolt, Georgia, is the Mayor and Council thereof; and

WHEREAS, the duly elected governing authority recognizes that in order to maintain the health, welfare and safety of the community and in particular the residential character of many areas of the Town that there should be a limit to the number of short-term rental properties located in a Town the size of the Town of Thunderbolt; and

WHEREAS, the governing authority desires to adopt ordinances under its police, zoning, and home rule powers; and

WHEREAS, in order to ensure that property owners of short-term rental properties are notified of code violations, or conditions that may be deemed hazardous to health and safety of occupants or other residents, it is necessary for the Town to maintain current and accurate contact information for such property owners; and

WHEREAS, the Town of Thunderbolt desires to create a new ordinance to be designated the Short Term Rental Ordinance of the Code of Ordinances; and

DRAFT

WHEREAS, following extensive debate and review on the matter of short-term rentals, the Town Council has determined that the regulation of rental properties for short term rentals is appropriate in order to protect the health, welfare and safety of the general public and the citizens, residents and visitors to the Town of Thunderbolt.

NOW, THEREFORE, it is hereby ordained by the governing authority of the Town of Thunderbolt in open meeting that the following shall be known as the "Thunderbolt Short Term Rental Ordinance" and shall be referred to herein as "this Ordinance" which shall read as follows

CHAPTER 6: - BUSINESS REGULATIONS

ARTICLE III: - RESIDENTIAL RENTAL PROPERTY

Sec. 6-301 Purpose and Intent

(a) *Purpose and intent.* The purpose and intent of this section is to establish a registration process to address the short-term rentals within the Town of Thunderbolt. It is the Town's further intent to establish a short-term rental property registration program as a mechanism to protect neighborhoods from an overabundance of short-term rental structures within the Town and to regulate such businesses in all zoning districts but especially in residential zoning districts and at the same time authorize appropriate short term rental qualification that promote tourism. The Town's additional intent is to ensure the collection of regulatory fees and/or occupation fees and/or any other applicable fee or tax of such units designated as short-term rentals.

(b) *Definitions.* For the purposes of this article, the following definitions shall apply unless the context clearly indicates or requires a different meaning:

"*Dwelling*" shall have the same meaning as provided in Thunderbolt Zoning Code Ordinance, Article III.

"*Lease or rented*" shall mean any arrangement, by written agreement or otherwise, in order to lease, sublease, rent, license, sublicense, or allow occupancy of a short-term rental property.

"*Owner*" shall mean any person having legal or equitable interest in any short-term rental property.

"*Lot*" shall mean the developed or undeveloped tract of land legally transferable as a single ~~unit~~ parcel of land.

DRAFT

~~"*Parcel*"~~ "Unit" shall mean a ~~unit~~ legally transferable space within ~~under~~ the definition of a "lot" and shall include but not be limited to a condominium unit, apartment unit, or Town home.

"Agent" shall mean a specified party to be responsible in complying with the requirements of this and any other ordinance or applicable laws. The agent will be a local contact person who shall be available at all times to respond to complaints regarding the condition, operation, or conduct of occupants. An owner may be the agent of record.

"Maximum Occupancy" shall mean the total approved number of residents allowed to reside, live, or occupy on an overnight basis. For purposes of this ordinance, maximum occupancy pertaining to short term rentals for one-to-two-bedroom dwellings shall be four, for three or more-bedroom dwellings, multiply the number of bedrooms times two to equal the maximum occupancy.

"Short-term Rental Permit" means an annual permit otherwise known as a tax certificate that an owner must obtain from the Town of Thunderbolt to register any short-term rental property, lot, space, unit, or applicable multiple units.

"*Short-term Vacation Rental*" or "*STVR*" or Short-Term Rental or STR shall mean an accommodation for guests where, in exchange for compensation, a residential dwelling unit or a part of a residential dwelling unit is provided for lodging for a period of time less than thirty consecutive days. Such use may or may not include an on-site manager. For the purposes of this definition a residential dwelling shall include all housing types and shall exclude bed and breakfast accommodations as they are defined by other ordinances of the Town Thunderbolt. All such accommodations shall comply with all the provisions of this ordinance.

(c) *Registration of short-term rental property required.*

(1) The owner of any short-term rental property located in the Town of Thunderbolt, or an affiliated subscription service recipient shall be required to register each said property with the Town of Thunderbolt Town Administrator or his designee, on forms provided by the Town via the Town website, or in person at Thunderbolt Town Hall.

(2) The registration by the owner shall provide the Town with contact information for the short-term rental property, including, but not limited to, legal name of the owner, physical and mailing address of the owner, the property to be used as a short term rental, property or site agent, individual or company name, email address (if applicable), telephone contact number for the owner, agent, and any other person or entity responsible to respond to any nuisances, code violations, and emergencies that may arise at the residential rental property.

(3) The registration form submitted by the owner shall include, but not be limited to, the number of bedrooms, maximum occupancy, number and location of on and off-site parking (with a drawing showing such parking in relation to the STR structure).

DRAFT

(4) The registration form shall include any other information deemed imperative to ensuring enforcement of this ordinance as requested by the Town Administrator or his/her designee.

(5) The owner shall maintain current contact information with the Town and is required to notify the Town via written notice within thirty (30) days after any changes to the registration information provided to the Town. In the event ownership of the short-term rental property changes, the new owner shall register said property with the Town within thirty (30) days from the date of such ownership transfer in accordance with Subsection (c) (2) above. Bonaventure Traffic Issues - What We Can Do Right Now

After the concerns expressed by citizens during the last town council meeting, I took the opportunity to speak with other Bonaventure residents about this issue and have driven the road several times over the past couple of weeks.

Here are some traffic safety recommendations that I have with regards to the situation:

Speed Issues

While I realize that there is validity to the complaints that were presented by the citizens last month, I generally experienced traffic remaining within the posted limits which I believe has been positively impacted by the placement of the speed sign just South of Bonaventure Cemetery. My observations were made outside working hours and would require some further assessment to determine whether those hours reflect a different outcome.

Traffic Flow

Stop Signs

1- I believe that making the intersection of Bonaventure and Whatley a 4-way stop will reduce speeds and improve overall driver awareness and safety along this stretch of Bonaventure.

2- As the 7-acre property at the midpoint between Whatley and Bonaventure Cemetery will likely be developed in the future and require additional traffic control, I recommend that we use that intersection to install a 2-way stop sign system to lower speeds and prepare drivers for the controls that will eventually come.

Other Issues

The property at 12 Bonaventure has bushes and brush growing into the right-of-way that creates a line-of-sight danger on the right side of the road while heading north from Mechanics Ave. This situation is quite a danger in my opinion to the local residents, pedestrians and bikers and should be addressed by the Town in short order.

Edward Drohan, PhD
Alderman

As we all know, we are entering into an election year in 2024. This is always an important and exciting time and I wanted to present a few issues that are of concern to me.

We are amid a nationwide discussion with regards to voting rights and concerns surrounding fair elections. In the state of Georgia, these discussions have been profound. Even within the Town of Thunderbolt I have received feedback suggesting that some see our more recent election as one that was “stolen”. I was appalled and this comment motivated me to write this presentation and ask for public discussion in that regard.

2024 will complete my 12th year of service as Alderman for the Town of Thunderbolt. This experience has been central in my life since moving here nearly 16 years ago. The role of public service is definitely not lost on me, and I want the upcoming elections to be one that reflects the importance of public service, the importance of fair elections and the importance of transparency, not only for our governmental structure as it currently stands but also for those individuals who will seek future participation in that structure running for Council posts during this upcoming year.

Requests

I would like for the Town Manager to reach out to the local election board to provide information with regards to the status of the voting rolls in Thunderbolt so that we might share this information with our citizens for the purpose of educating them as to the stability of the voter registration system and the dependability of that organization in creating a trustworthy voter roll.

I would also like to reach out to various civic minded groups in the Town of Thunderbolt and ask them to consider hosting topical discussions and debates for the upcoming candidates. I believe that it is opportunities such as this that provide a greater level of transparency for the citizens. These discussions clarify the values and goals of the candidates and provide the voters with a greater degree of transparency and clarity so that they might better judge those individuals who seek the public trust of the electorate.

I have had past discussions with Bob Millie about the current structure of our waste collection system. Currently, we have two pick up days, Monday for recycling and Tuesday for landfill and yard waste. Additionally, we have established stand-alone contracts for composting and glass, both of which are in the development stage and appear to be progressing slowly.

One of the factors with regards to our recycling utilizing Atlantic is that a larger and larger portion of recycling waste appears to be cardboard as more and more people are utilizing online shopping which delivers utilizing this product.

As usual, I am focusing on the cost factors related to this important town function, our responsibilities as Council to responsibly manage taxes and the need for us to be creative in the face of the ongoing challenges of managing a municipality such as ours.

The idea that has been floated is creating a cardboard collection location adjacent to the glass recycling location to reduce the recycling volume and potentially require fewer pickups per month. This of course would require some investigation.

It is important to remember that the feedback that we have consistently gotten from Atlantic is that they are a hauling company and as such the primary costs are associated with the number of trips that are required to manage the Town's waste management needs.

I believe that the overall costs associated with waste management as well as the regressive nature of the costs related to this service demands that we aggressively and persistently address this issue and I hope that the Council members will join me in this discussion.
