BUDGET HEARING & AGENDA HEARING

Note: October 25, 2022 Published Advertisement

Mayor Pro-tem Crenshaw called the meeting to order 6:03. Town Administrator Milie provided a summary of the budget. He explained some changes in the revenue streams that were temporary ARPA funding. He explained the T-SPLOST failed so any infrastructure planned under this approval now will be under SPLOST Funding. There was a new revenue line item for the festivals which includes sponsorships, for $90,000. It was expected $75,000 will be from sponsorship. A new revenue fund was added for the traffic camera funding. Depending on the incoming funding from the traffic camera there may be a shift in funding to allow hiring another officer. The funding from the camera must be used for Police equipment. The $100,000 was from budget savings from each department to go to reserve for capital purchases later. Council Member Skipper-Greer asked if the valve project would be internally or contractually done. Public Works Manager Crosby stated it would be a contract due to proprietary nature of the equipment. Council Member Drohan asked about billing changes that were implemented the beginning the year. These billing changes may show $100,000 to $180,000 saved. Those savings can be put to infrastructure cost because we will not be purchasing the higher rate water. Mayor Pro-tem Crenshaw states we need to see what the numbers are in November and December.

Council Member Drohan spoke on the Thunderbolt Development Resource Utilization Project. This project is to inform Council and Planning & Zoning of water and sewer availability and infrastructure needed. The raw data has been compiled and is now being analyzed.

There were no more questions on the budget. Mayor Pro-tem closed the public hearing 6:32 pm

a) Finance Report:

Shannon Brett, Holland Bromley, Barnhill &Brett, provided a financial update. Ms. Brett explained she, Town Administrator and Council Member Crenshaw were meeting with the Bank to make sure the accounts are in the best possible position. October revenues are 5.6 million which are in line with the time of the year. Expenses are at 5.1 million. The town has used 72% of the budget. Ms. Brett explained they have begun the year end task: SPLOST ad, fire subscription, immigration, and payroll for year end. Council Member Drohan asked about the revenue reserve for W & S interest. Town Administrator Milie stated it is very low. Council Member Drohan asked if there is any value in having a rainy-day fund. Mayor Pro-temp Crenshaw stated GMA suggests six months of reserves. The law requires 30%. Ms. Brett stated the way it is handled now is the reasonable way to do it. Ward asked if they are shopping around. Milie reached out to others and they were a few he liked but United is in our jurisdiction and would make it easier to do business with them. Crenshaw stated we should shop around but leave it with United.

The Billing is handled by a Third Party. This Agreement is Being Used Around the County. The Resolution Allows for this Billing to be Implemented. Staff Recommends Approval.

DRAFT

Town Administrator Milie explained this is for cost recovery for accidents and other events. This is billed to the insurance company. It will not pertain to town residents. Only services performed by Thunderbolt Fire will be charged. This company is the same one being used regionally. This will be a new revenue stream. The company fees are 40% of the bill. Estimated revenue for a small town about $10,000. Council Member Lavin asked about the billing process. Town Administrator Milie provided an example. Council Member Lavin wanted to know the liability to the town. Town Administrator Milie stated there is no additional cost. The Fire Department will need to adjust their current reporting process. Council Member Skipper-Greer asked Fire Chief Bateman if he felt comfortable with the changes. Chief explained several of the part timers are already using this company and are comfortable with the reporting process. Mayor Pro-tem Crenshaw asked about charging by Federal numbers. Chief Bateman explains it is based on the federal average of what is used and time spent. Council Member Ward asked about double billing. Chief Bateman stated no issue. **Council Member Drohan made the motion to approve with a second from Council Member Skipper-Greer. The motion was unanimously approved.**

7. **Discussion Agenda:**

   a) Discussion of a One Dollar Increase in Sanitation Cost.

Town Administrator Milie explained the sanitation cost for 2023 was not covered by the monthly fees. There is no reserve in sanitation, so we do not make any money. Atlantic Waste went up this year and the monthly fee stayed the same and was absorbed by the Town. There are two options for the town. Option 1: raise the 1 dollar to pay for the actual cost of sanitation. Option 2 the Town absorbs the rate increase. Council Member Ward asked if businesses pay more than residential. Utilities Manager Spaulding explained businesses have an option to hire someone or pay the Town. Council Member Drohan stated the infrastructure cost is built in. There is no inherent cost. I think there should be a flat rate to pay for itself. Council Member Skipper-Greer asked it the resident or business has more than one can is there an addition cost per can. Town Administrator Milie explained they must pay for additional cans. He also stated he is working with Atlantic Waste on options to reduce recycling pick up to every other week. Council Member Drohan stated most citizens do not have full cans in a week. **Council Member Drohan made the motion to increase the sanitation fee by $1. Council Member Skipper-Greer seconded the motion. The motion passed unanimously.**

Thunderbolt
Heroic Citizen Recognition

Whereas, our citizens are the backbone of the Town of Thunderbolt, and
Whereas, we are made proud daily of the achievements of our active and engaged citizenry, and
Whereas, there comes a time when some or one of our residents perform an act that is above and beyond any expectation of the public, and
Whereas, it is incumbent upon the Town of Thunderbolt to extend our gratitude and recognition to such individuals.
Whereas, in this instance Mr. Rufus "Rusty" Hunter was at his home on Bonaventure Road, on October 12th, 2022, when he heard tires screeching and a loud collision.
Whereas, upon arrival at the crash site outside his home, Rusty found a vehicle wrecked into a tree and on fire. Due to the location of the damage and flames, Mr. Hunter removed the victim by dragging across the front seat, and out of the passenger door. Furthermore, Mr. Hunter removed the victim to safe location across the street away from traffic and the intense heat of the vehicle fire.
Whereas, Mr. Hunter put himself in great danger to aid and assist an unknown citizen, his actions went above and beyond any expectation on the public, his efforts are valued, and recognized.
Now, Therefore, I- Dana Williams, Mayor of the Town of Thunderbolt, proudly bring down my hand to seal this award to Mr. Rusty Hunter as an outstanding heroic citizen, that we are all better because of…

Mayor & Council,

Thunderbolt staff brings before you a recommendation to send two properties to the planning and zoning commission to review for redistricting from the Victory Drive District (VDD) to the River Drive District (RDD).

Current Boundaries of both districts see in Exhibit A & Exhibit B.

The two properties are referenced in the photos following…

Properties
2701 River Drive (30004 08013) – Exhibit C

2703 River Drive (30004 08012) – Exhibit D

These properties both face River Drive as seen in exhibits C & D.

If following the intent of the RDD planning these properties in the River Drive Corridor fall under separate zoning laws (pertaining to the VDD zoning) that would allow certain uses excluded elsewhere on River Drive such as liquor stores, gas station etc.… and have different size requirements etc.

Staff recommends the approval to move this to the planning and zoning committee to begin the process of public involvement etc.

Capital Fund

Fund / Department Description:

The majority of the Town's capital purchases are infrastructure projects, building renovations or larger vehicle and equipment purchases that are not SPLOST or Utility fund related. These non-routine purchases deemed to be one-time expenditures and not SPLOST or Utility Fund related are accounted for in the Capital Fund. These purchases are financed through either current year General Fund budget surplus or General Fund unreserved fund balance.

In previous years, all capital purchases were accounted for in the General Fund operating budget. To better understand the recurring operational costs of the Town, management has separated capital purchases from the general fund. In order to effectively manage the replacement of these items, the condition, estimated useful life, and anticipated replacement dates for each asset will be reviewed by department heads each year. Based on this input, these items are then prioritized and incorporated in the annual capital budget in a way that attempts to manage the annual funding levels needed to replace these assets in a fiscally sustainable manner.

Capital Asset Policy: Capital assets are defined by the Town as assets with an initial cost of more than $1,000 for general capital assets and infrastructure assets, and an estimated useful life in excess of two years. All capital assets are valued at historical cost or estimated historical cost if actual amounts are unavailable.

Water / Sewer Utility Fund

Department Description:

The Water / Sewer Utility Fund is considered a proprietary fund. It accounts for the provision of water and sewer services to the residents of the Town. All activities necessary to provide such services are accounted for in this fund. Activities include providing high-quality drinking water, wastewater treatment and disposal services, and adequate water under sufficient pressure to our residents, businesses and visitors.

During fiscal year 2022, the Water / Sewer Utility had a rate study that resulted in adjustments to water / sewer rates. These adjustments are reflected in this budget.

STATE OF GEORGIA

COUNTY OF CHATHAM

INTERGOVERNMENTAL AGREEMENT AND CONTRACT

This Intergovernmental Agreement is made and entered into on the day written below on said signature page by and between the Town of Thunderbolt, Georgia, (hereinafter referred to as "Town"), Chatham County, a political subdivision of the State of Georgia, (hereinafter referred to as "County") and Sonya L. Jackson, Tax Commissioner of Chatham County (hereinafter referred to as "Tax Commissioner") said parties being collectively referred to as "Parties."

W I T N E S S E T H

WHEREAS, Town desires to enter into a contract with the Tax Commissioner to oversee and provide the collection of tax monies on behalf of the Town; and

WHEREAS, O.C.G.A. §48-5-359.1(a)(2)(B) provides that the Tax Commissioner, in her discretion, may agree to contract with a Town to prepare the tax digest, assessment and collection of taxes in the same manner as would be collected from the county; and

WHEREAS, the County, subject to approval of the undertaking by the Tax Commissioner, desires to assist the Town in the collection of taxes to allow for a more efficient tax collection process; and

WHEREAS, entering into this Agreement would benefit the tax payers of the Town and would result in less monies being expended by the Town for purposes of tax collections and would assist the County in efficiencies of its operation.

NOW, THEREFORE, the County, Town and the Tax Commissioner enter into this Agreement in consideration of the mutual covenants herein set forth and other good and valuable consideration as is more particularly agreed as follows:

1.

Upon the millage rate being set each year by the Town, Tax Commissioner shall prepare the tax digest for the Town, based upon the millage rate as fixed and determined by the governing body of the Town of Thunderbolt, levy, assess and collect all taxes for the Town in the same manner as taxes for Chatham County are levied, assessed and collected, apply and invoke any remedies, methods and procedures authorized and/or permitted by law for collection of Town taxes, account for and remit to Town all taxes collected in a reasonable and timely manner after the date of collection, oversee all Town tax collection, billing, delinquent collections and all other matters regarding the collection of Town taxes and perform such supervisory duties as required in connection with that Agreement of even date herewith between Chatham County and the Town of Thunderbolt regarding the collection of Town taxes.

2.

In consideration of the County's assistance, and the Tax Commissioner undertaking such additional tax collection, supervision, duties and obligations in addition to her duties required by law, the Town shall pay the total sum of $4.00 for each such parcel of real estate and/or bill of personalty issued by the Tax Commissioner. The County shall receive $1.25 and the Tax Commissioner, for her additional duties and services, shall receive $2.75. The Parties agree that the amount of such compensation is appropriate for the County and the Tax Commissioner accepting additional duties and responsibilities related to the collection of Town taxes.

3.

The County and/or Tax Commissioner shall prepare and timely submit to the Town the following reports:

(a) TO BE FURNISHED ANNUALLY:

(I) Preliminary tax digest totals;

(ii) Exempt list by name; and

(Iii) The County will accept Town of Thunderbolt Homestead applications;

(b) TO BE FURNISHED MONTHLY BREAKDOWN BY CATEGORY OF TAX MONEY COLLECTED BY TAX YEAR FOR:

(I) Revenue disbursement by authority report which will contain a listing of the funds collected, interest and refunds; and a recap sheet listing the breakdown of funds distributed.

4.

All payments required by the above paragraph two (2) shall be paid by the Town on or before January 30, 2023 for the purposes of collecting 2023 Town taxes. Subsequent payments shall be paid on or before September 15, 2023, for purposes of collecting 2024 Town taxes, and on said date of each successive year in which this Contract remains in force.

5.

This Agreement shall commence upon the signatures of all parties and shall terminate when the Tax Commissioner's term expires. However, if any of the parties wishes to terminate this Agreement they must notify the party not less than sixty (60) days prior to December 31, 2023 or any subsequent year in which the contract is in effect. Such written notices shall be mailed, Certified Mail, Return Receipt Requested, to the following:

6.

It is the intention of the Parties that the laws of Georgia shall govern the validity of this Agreement, the construction of its terms and the interpretation of the rights or duties of the Parties.

7.

In the event any provision or portion of this Agreement is held by any court of competent jurisdiction to be invalid or unenforceable, such holding shall not affect the remainder hereof and the remaining provisions shall continue in full force and effect to the same extent as would have been the case had such invalid or unenforceable provision or portion had never been a part hereof.

8.

On and after the date of this Agreement, all parties shall, at the request of the other, make, execute, and deliver or obtain delivery all instruments and documents and shall do or cause to be done all such other things which either party may reasonably require to effectuate the provisions and intentions of this Agreement.

INTER OFFICE CORRESPONDENCE

TO: Town Administrator, Robert Milie

FROM: Chief Sean Clayton

DATE: December 1, 2022

SUBJECT: Monthly Report for November 2022

POLICE DEPARTMENT:
Patrol vehicle 06 is back in service from the crash it was involved in on September 11, 2022. Our officer was not the at fault driver so the other driver's insurance paid for the repairs. We went back with the newer style of graphics like what's on the Explorer and the Durango and the car looks really good having the newer graphics.

There was an active shooter call at Savannah High School on November 30th. Officers from this department as well as many other departments responded to that call. It wasn't until the entire school was cleared and deemed safe, that we found out it was a hoax.

No major incidents happened this month. We had 3 car break-ins on the north side of town. One of those vehicles was entered on two separate occasions, and were left unlocked with valuables left inside.
