    a) Thunderbolt Development and Resource Utilization Project – Council Member Drohan **pg. 62 – 64**
    b) Thunderbolt Museum Report

13. **Executive Session-** Mayor requests a motion and a second to recess into executive session for the purpose of Legal, Real Estate and/or Personnel matters.

14. **Adjournment:**

TOWN OF THUNDERBOLT
REGULAR MONTHLY MEETING
WEDNESDAY, JULY 13, 2022
6:00 PM
REVISED

AGENDA HEARING

Public has three minutes per person to ask questions or comment on any agenda item.

Mayor Williams called the agenda hearing into order. At 6:00 pm

Jan Yarbrough, 24 Bonaventure Rd, asked how do you get something on the agenda. Mayor Williams stated you have to submit the request to Clerk of Council.

Stella Lavin, 3125 Robertson Ave, commented directions need to be provided on how you get on the agenda. Mayor Williams explained citizens should first reach out to staff. If it cannot be resolved by staff, a request form should be submitted to the Clerk. The mayor has the right to accept or deny the request. Majority of Council can vote to put an item on the agenda at the meeting.

Geneva Golden, 3126 Gilbert St, stated she is concerned with the shootings. Town Administrator Milie stated this was part of his report and could be discussed now. He explained guns were fired but no one was harmed. Three people were arrested. They are waiting for an arraignment. The investigation is still ongoing.

REGULAR MEETING

1. **Call to order**

Mayor Williams called the meeting to order at 6:30 pm

2. **Roll Call by Presiding Officer with Invocation, followed by the Pledge of Allegiance**

Those in attendance were Mayor Williams and Council Members: Bethany Skipper-Greer, Dave Crenshaw, Larry Ward, Ed Drohan and James Lavin. Staff in attendance were Town Administrator, Bob Milie; Town Attorney, Charlie Barrow; Clerk of Council, Deatre Denion; Accts Payable/Utility Manager, Katina Spaulding; Public Works Manager, Oscar Crosby; Police Chief, Sean Clayton; Fire Chief, Andrew Bateman.

Council Member Brooks Barbaree was not in attendance.

3. **Approval of Meeting Agenda**

Mayor Williams asked for a motion to approve the agenda. **Council Member Ward made the motion to approve with a second by Council Member Crenshaw. The motion passed unanimously.**

DRAFT

4. **Approval of Minutes from Previous Meeting**:
   Minutes of June 8, 2022

Mayor Williams asked for a motion to approve the June 8, 2022 meeting minutes. **Council Member Ward made the motion with a second by Council Member Crenshaw. The motion passed unanimously.**

5. **Presentations:**

   a) CEMA Hurricane Presentation – CEMA's Assistant Director, Randal Mathews presented on hurricane preparedness.

   b) Finance Report:

      Shannon Brett, CPA, explained the audit is closed and there were no findings. Everything was filed in a timely manner. The Town is at the half way point. Revenue is at 60%. Expenditures are at 45%.

   c) Blessing of the Fleet – Dru Usry, Savannah Simply Marketing, gave a general overview of the event.

6. **Public Hearing for Planning and Zoning**

   a) **Petitioner:** Lisa & Mark Galipeau
      Request: Side and Rear Setback Variance
      Parcel Involved: 3-0004-05-003
      Location: 2610 River Drive
      P & Z voted to approve

Lisa Galipeau was present. She explained it is a small house on a small lot. They wish to add a porch on the front and back. **Council Member Ward made the motion to accept the front/side/rear variance request with a second by Council Member Drohan. The motion passed unanimously.**

   b) **Petitioner**: Laurie deVegter & Ansley Williams
      Request: Setback Variance
      Parcel Involved: 3-0004-02-006A
      Location: 2618 Mechanics Ave.
      P & Z voted to approve

Laurie deVegter was present and explained the project she and her partner wish to complete. It is triangular parcel making it odd shape to build on. There is a 105 ft frontage on Mechanics Ave. Ms. deVegter reminded the Victory Drive District requires a 50 ft setback on the front. The plain is to build a 30 ft x 60 ft building with a one or two stories. Council Member Ward asked would it be residential. Ms. deVegter stated the Victory Drive District requires a mixture of commercial and residential. Council Member Lavin asked what is the distance needed. It was stated it would be 38 ft at the closest. Council Member Drohan asked about entry to the property. Ms. deVegter stated entry and exit will be off Mechanics Ave. Council Member Crenshaw asked about height. Ms. deVegter stated the ordinance allows up to 36 ft. Council **Member Drohan made the motion to approve the variance. Council Member Ward seconded he motion.** Council Member Lavin had concern with parking. Ms. deVegter stated they will have 16 parking spaces and that is more than is required. Council Member Drohan provided a history on the lot. The construction of Victory Drive made this lot. If it is found unbuildable, the town might have to purchase it. Meredith Allen, 3220 Falligant, asked if anyone who is adjacent had concerns. Clerk of Council stated she had not received any comments. **The motion passed unanimously.**

DRAFT

7. **Consent Agenda:**

   a) Approval of Outdoor Permit for American Legion Post 184 and Waiver
   b) Approval of the T-SPLOST Agreement (change to allow collection more funding)
   c) Approval of the Senior Citizens Agreement (change to include grant funding) – moved to discussion
   d) Film Production Permit (modified rates keeping with other municipalities)
   e) Approval of the Intergovernmental Agreement with Chatham County for County Pricing
   f) Approval of the GMC Contract for MS4 Stormwater Management Plan Update
   g) Approval of the GMC Contract for MS4 Stormwater Compliance

   Council Member Drohan requested to place the Senior Citizen Center Agreement on the discussion agenda. **Council Member Ward made the motion to approve items a, b, d, e, f, and g. Council Member Drohan seconded the motion. The motion passed unanimously.**

8. **Discussion Agenda:**
   a) Approval of the Senior Citizens Agreement (change to include grant funding)

   Town Administrator Milie explained this is a modification with Senior Citizens Inc. to provide services to seniors in the area. Currently, the Town pays $24,000 and provides the building to Senior Citizens Inc. A grant was found with Chatham Blue Print Grant to cover the cost of the $24,000. This is about a $60,000 savings. Crenshaw asked the time frame of the grant. Town Administrator Milie stated it is from July 1 22 to July 1 23. Mayor Williams asked about it now being the voting poll. Town Administrator Milie stated it is in the contract. Council Member Ward asked who pays the insurance. Town Administrator Milie stated the Town. **Council Member Drohan made the motion to approve with a second by Council Member Skipper-Greer. The motion passed unanimously.**

   b) Review and Award Disaster Hauler RFP
      1. KDF Enterprise LLC
      2. TFR Enterprising, Inc.
      3. CERES Environmental
      4. DRC Emergency Services
      5. Crowder Gulf
      6. Custom Tree Care Disaster Response

Town Administrator Milie explained there are no more extensions on the current contract. The Town had to go out for proposals. Town Administrator Milie, Public Works Manager Crosby and Building Inspector Fischer reviewed and scored the proposals. Staff recommendation is to use as primary Ceres Environmental and Crowder Gulf secondary hauler. Council Member Skipper-Greer asked why the third high score was not recommended with them having the same score as the first two. Town Administrator explained they had not worked locally and wanted coastal experience. **Council Member Ward made the motion to accept Ceres Environmental as primary disaster hauler and Crowder Gulf as secondary hauler. Council Member Crenshaw seconded the motion. The motion passed unanimously.**

   c) Milage Rate Options Discussion

Town Administrator Milie explained the feedback from Council was to either to roll back the millage or keep the millage the same. The recommendation from staff is to keep the milage rate the same. It is a $74,000 increase in the revenue budget. Inflation will affect the Town's budget as it does individual citizens, gas, pipe, ect.. cost has increased. Council direction was to hold the millage, so there will be 3 public meetings.

9. **Town Administrator Report:** Town Administrator, Bob Milie

Town Administrator Milie state the LOST negotiations have begun. There have been no negotiations' meeting, just meetings to set up the meetings and the negotiation environment.

DRAFT

Town Administrator Milie stated Risk Management is happy to hear the lift station has been secured.

10. **Department Report –** Written Reports Submitted

by: Police / Municipal Court / Neighborhood Watch – Sean Clayton, Chief of Police

Town Administrator Milie explained there have been three incidents recently. One was a stolen trailer out of River Crossing, which was recovered. Two was Police pursuit that begun in the County and Thunderbolt Police joined off Hwy 80. Three was the shooting. Police has worked had to address these issues.

Chief Clayton stated the speed cameras process is almost completed. The mayor signed the permit. He hopes it will be up and running at the start of this school year. Council Member Skipper-Greer asked about the lights flashing today. Chief Clayton stated they are still testing the devise.

Fire –Fire Chief, Andrew Bateman

Chief Bateman had to leave on a call.

Public Works Department – Oscar Crosby, Public Works Manager

Council Member Drohan asked Public Works Manager Crosby about the impressing repair items, i.e. Shell Road. Public Works Manager Crosby stated he is working on a RFP of the engineering. Council Member Drohan asked if the sewer line runs down the middle of the street. Public Works Manager Crosby stated if does. Town Administrator Milie stated there will be some slip lining of sewer lines coming before Council in a couple of months. Public Works Manager Crosby stated they using new street patch to see if it works better than cold patch.

Mayor Williams asked Town Administrator Milie about bids for speed bumps. Town Administrator Milie stated there he does not have any bids on speed bumps. He has received positive feedback from the removal of the speed bumps. He wishes to survey the area to insure it is not a small vocal group over a majority of the residents wanting speed bumps.

11. **Legal Report – Town Attorney**
    a) Second Reading of Planning & Zoning Meeting Change

Town Attorney Barrow presented a change to allow P & Z meeting change to as needed on the first, third or fourth Wednesday of the month. Mayor Williams asked for a motion to approve the change. **Council Member Crenshaw made the motion with a second by Council Member Ward. The motion was approved unanimously.**

12. **Mayor and Council –**
    a) Water & Sewer Committee – Council Member Drohan

What has happened with the Citizens' Conservation Committee and ad hoc Committee for Water and Sewer activities over the past 6 weeks.

- Since the Blessing of the Fleet Event, the membership of the CCC has expanded to a total of 16 members. At this point there is but one member of the Town Council with committee membership. The CCC had its own float in the parade and received a good bit of attention!

- On June 6th there was a Zoom meeting of the CCC with 5 attendees. These individuals have expressed individual interests in expanding the development of shallow wells, graywater systems and municipal electrification/renewable energy, expanding the options for recycling and composting as well as expanding options for water conservation through, Town and individual infrastructure, Town policy and continuing emphasis on proper pricing of this limited resource.

DRAFT

- As issues being discussed among member of the CCC are consistent with the interests of the ad hoc Committee for Water and Sewer, members of the CCC were encouraged to bring their concerns regarding these issues to the newly established Town Hall Discussion period from 6-6:30 on the 2nd Wednesday of each month prior to the Town Council Meeting.

- Members of the Council were invited to participate in a webinar on May 28th regarding the future and economics of municipal electrification. A member of the ad hoc Committee did participate and shared notes (attached) from that meeting with the other members of Town Council and the Town Administrator in anticipation of discussions regarding vehicle replacement and renewable energy as a viable option for the Town of Thunderbolt.

- Information regarding the development of "Sustainable Thunderbolt", in line with other small municipalities, was shared with the members of Council earlier this month. The website for "Sustainable Brookhaven" was shared with members of Council for their consideration. https://www.brookhavenga.gov/sustainablebrookhaven

Composting in Thunderbolt

On June 22nd, there was a meeting established by the Town Administrator with COR, the organization that helped start the small but successful composting option in Thunderbolt at their cost and with the support of the Wesley Oak Church who offered the site for the green drop off bin and the administrative support of the Town of Thunderbolt. Thousands of pounds of Thunderbolt waste and many cubic feet of volume that would have been part of the weekly home pickup by Atlantic Waste otherwise destined for the landfill and inevitable creation of methane gas has been transitioned to functional compost by COR.

This meeting created the opportunity to discuss the expansion of this program with the financial support of the Town of Thunderbolt through the conservation line of the Water & Sewer budget. Based on national averages, much of this volume would have otherwise become sewage volume and as confirmed by our Public Works Administrator, put additional destructive stress on that extremely costly system, reducing costs to the Town through reduced decreased payments to the City of Savannah and helping to lengthen the life of our current infrastructure.

A two phased proposal is being currently developed to -

1- Expand the number of consolidated weekly pickup locations to 3 or 4 in convenient locations throughout the Town and

2- Initiate a trial of home pickups utilizing approximately 50 homes with pickups to coincide with landfill pickups days.

Data collection from both of these initiatives will be collected by COR over a 3-4 month period and shared with the Town Administrator and the Town Council to determine the most beneficial path to follow going forward.

b) Thunderbolt Museum Report

Anna Maria Thomas thanked the Police, Fire and Public Works for their help with the parking lot before the bazaar. The bazaar went well. About $1,000 was raised from the garage sale. The hoped to have the Spaghetti Dinner fundraiser on Sept. 15th but they need a lot of volunteers. The next bazaar will be the last weekend of September.

Mayor Williams asked for a motion to move into Executive Session. **Council Member Ward made the motion with a second by Council Member Crenshaw. The motion passed unanimously.**

Mayor Williams asked for a motion to move back into regular session. **Council Member Ward made the motion with a second by Council Member Skipper-Greer. The motion passed unanimously.**

13. **Executive Session-** Mayor requests a motion and a second to recess into executive session for the purpose of Legal, Real Estate and/or Personnel matters.

DRAFT

Mayor Williams asked for a motion to adjourn. **Council Member Ward made the motion with a second by Council Member Skipper-Greer. The motion passed unanimously.**

14. **Adjournment:**

The meeting adjourned at 8:20 pm.

THIS BOUNDARY LINE ADJUSTMENT AND EASEMENT AGREEMENT (hereinafter the "**Agreement**") is made and entered into as of the 9th day of June, 2022 (the "**Effective Date**"), by and between **STEVEN CANNON and REBECCA J. CANNON**, (hereinafter the "Cannons") and **RAY E. DARLEY as Executor Under the Will of Virginia Preetorius, deceased** (hereinafter, the "Executor") and **RAY E. DARLEY and NONA HARRIS DARLEY** (hereinafter the "Darleys").

WITNESSETH:

WHEREAS, the Darleys are presently the owner in fee simple of certain real property having an address of 24 Brightwater Dr.,Thunderbolt, Georgia 31410 (hereinafter referred to as the "**Darley Property**"), said Darley Property being described with more particularity in ***Exhibit "A"*** to this Agreement, attached hereto, recorded herewith and fully incorporated herein by reference; and

WHEREAS, the Executor is presently administering the Estate of Virginia Preetorius,

deceased, including the real property and improvements known as lots 10 and 11, Isle of Armstrong Subdivision, having an address of 22 Brightwater Drive, Thunderbolt, Chatham County, Georgia 31410 (hereinafter referred to as the "**Estate Property**"; (collectively, with the Darley Property, the "**Properties**"), and the Estate Property being more particularly described in ***Exhibit "B"*** to this Agreement, attached hereto, recorded herewith and fully incorporated herein by reference; and

WHEREAS, the Estate Property and the Darley Property are contiguous, and the western boundary line of the Darley Property is the eastern boundary line of the Estate Property (the "Common Line"); and

WHEREAS, the Executor and the Darleys are desirous of shifting the Common Line in order that the Darley Property will be larger in order to provide the Darleys greater side yard space and additional access into the rear yard of the Darley property, but the requisite recombination plat or survey needing approval from city and/or county officials and recordation (the "Plat") has not yet been finalized; and

WHEREAS, the Cannons are desirous of purchasing the Estate Property from the Executor and are accepting of the proposed shift and relocation of the Common Line as is more fully described in this Agreement, and are further desirous of entering into this Agreement in order that purchase and Closing by the Cannons of the Estate Property can proceed without delay and allow for subsequent plat approval and recordation of the Plat at a later date; and

WHEREAS, attached to this Agreement as ***Exhibit "C"***, and fully incorporated herein by reference, is a portion of a plat or survey prepared by Michael Jim Gardner, RLS No. 2285 depicting the existing Common Line (the "Old Property Line" as shown thereon) and the new Common Line (the "New Property Line" as shown thereon); and

WHEREAS, the Parties hereto are desirous of entering into this Agreement in order to provide for prompt closing of the sale by the Executor to the Cannons of Lots 10 & 11 as aforesaid but allow for and require postclosing cooperation by all Parties hereto of the process of Plat approval and recordation; and

WHEREAS, the Parties hereto are desirous of entering into this Agreement for the numerous benefits to be derived therefrom, including, but not limited to an expedited closing for the Executor and the Cannons and the eventual shifting of the Common Line as aforesaid to enlarge the Darley Property as set forth herein, and the Parties all acknowledging that the benefits to each are material and are a direct inducement for each of said Parties to this Agreement to enter into same.

NOW, THEREFORE, in consideration of the mutual benefits to the Parties to this Agreement, as well as of other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by the Parties hereto, the Cannons, the Executor, and the Darleys hereby agree as follows:

1. **DEFINED TERMS.** Whenever defined terms and words of art are used herein, as indicated by the initial capitalization thereof, such defined words and terms of art shall have the same meanings ascribed thereto.

2. **ESTABLISHMENT OF BOUNDARY LINE.** The parties hereto hereby agree that, after the Closing and acquisition of the Estate Property by the Cannons, all Parties shall cooperate with one another post-closing to promptly effectuate and support the application and approval of the Plat which will shift the Common Line to the New Property Line location as shown on Exhibit C (subject to minor deviations as required by regulatory authority). This cooperation may require and entail the execution of consents, applications, and the Plat itself.

3. **CONVEYANCES EFFECTED.** As part of the within and foregoing post-closing process, the Cannons hereby agree to convey, release and forever quit-claim to the Darleys all of the Cannons' right, interest and title, to the resulting Darley Property (to be known as "Lot B" as shown on Exhibit C), inclusive of any marshland or wetland lying to the North of Lot B on the Eastern side as the New Property Line extended Northwardly to the low water mark of any adjoining creeks or rivers. The Cannons shall further grant and convey to the Darleys a nonexclusive easement (the "Access Easement") for pedestrian and vehicular access by the Darleys over and across a portion of the Concrete Driveway lying adjacent to the New Property Line for use by the Darleys, their successors and assigns, for access to the side and rear yard of the Darley residence located at 24 Brightwater Dr., Thunderbolt, Georgia. The dimensions of the Access Easement shall be 15 feet in width adjacent to the New Property Line running northwardly from Brightwater Drive to the northern terminus of the "Gravel Drive" lying on Lot B as shown on Exhibit C.

4. **LIMITATIONS ON USE.**

   a. **Covenant Running with the Properties.** The Parties hereto expressly agree that the rights and obligations contained in this Agreement shall constitute covenants running with the land and Properties subject thereto, and are appurtenant to the Properties.

   b. **No Unreasonable Interference of Easements.** The Parties shall make reasonable efforts to use the Easements in a manner so as not to: **(i)** unreasonably interfere with or in any manner diminish or alter sublateral, subjacent, or subsurface soil conditions of the Properties or support for the structures thereupon; or **(ii)** unreasonably interfere with the construction, repair, replacement, and maintenance (including related activities) of improvements to

or on the Properties or the structures thereupon; or **(iii)** otherwise unreasonably interfere with the use or enjoyment by the other of its Property.

5. BINDING EFFECT. This Agreement shall inure to the benefit of and be binding upon the Parties hereto, and the respective heirs, successors, legal representatives and assigns.

6. REMEDIES; FORBEARANCE; WAIVER. The failure by a Party to insist upon strict compliance from another Party with any of the terms and conditions of this Agreement, or to exercise any right or privilege conferred herein, shall neither constitute nor be construed as a waiver of such right or privilege or any other right or privilege availed either Party under this Agreement. Nothing herein shall be construed as a limitation of the rights of any Party to enforce, by appropriate judicial proceeding, the covenants and restrictions contained in this Agreement including, without limitation, the right to seek injunctive relief or the remedy of specific performance.

7. AMENDMENT; TERMINATION; DURATION. This Agreement may be amended or terminated only by instrument duly executed by the Parties hereto.

8. ENTIRE AGREEMENT. This Agreement contains the entire agreement of the Parties with respect to the matters contemplated hereby and supersedes all prior negotiations.

9. ENFORCEMENT. If there is a failure by a Party, or their respective successors and assigns, to perform, fulfill, or observe any agreement contained within this Easement Agreement to be performed, fulfilled, or observed by it or them, and such party continues in default for a period of thirty (30) days after receipt of written notice thereof by the other party, the non-defaulting party may, at its election, cure such failure or breach on behalf of the defaulting party. Any amount which the party so electing shall expend for such a purpose, or which should otherwise be due by either party to the other, shall be paid to the party to whom it is due on demand, without contest, upon delivery of its invoice, together with interest at the rate of twelve percent (12%) per annum, from the date it is invoiced as due until the date of payment in full. Notwithstanding the foregoing, if any default should occur which cannot with due diligence be cured within such period of thirty (30) days and prior to the expiration of thirty (30) days from and after the receipt of notice aforesaid, the defaulting party commences to cure and eliminate the cause of such default, and continues to diligently pursue the cure and elimination of such default thereafter, then the other party shall not have the right to invoke this remedy provision by reason of such default.

10. NOTICE. Any notice, demand, request, or other instrument required or permitted by this Agreement shall be delivered in person, by US certified mail, return receipt, postage prepaid, or overnight express delivery service and shall be addressed to the party at the addresses set forth below or at such other place as either party may in writing designate.

Rejection or refusal by the addressee to accept, or the inability of the courier service or the United States Postal Service to deliver because of a changed address of which no notice was given, shall be deemed to be receipt of the notice sent. Any party shall have the right, from time to time, to change the address to which notices to it shall be sent by giving to the other party or parties at least ten (10) days prior notice of the changed address.

11. MISCELLANEOUS PROVISIONS.

a. The parties hereto agree that Time Is of the Essence for the payment of any sum or in the performance of any covenant or agreement required herein, and that upon failure to timely perform or pay required sums, said delinquent or tardy party may be called in default of this Agreement.

b. The parties hereto agree that for breach of any of the covenants and agreements contained herein, the non-breaching party's remedy at law for damages may be inadequate, and therefore, specific performance, injunctive relief and other equitable remedies shall lie where such remedy at law may be inadequate. All remedies of the parties whether at law or in equity shall be cumulative. The non-breaching party shall be entitled to its reasonable attorney's fees and costs of litigation in the event this Agreement is required to be enforced through the courts.

c. This Agreement shall inure to the benefit of the respective parties hereto, and shall be binding on them, and upon the heirs, successors and assigns in title of both adjoining properties.

d. This agreement shall be interpreted and construed in accordance with the laws of the State of Georgia.

e. If any provision of this Agreement is invalid or unenforceable as against any person or under certain circumstances, notwithstanding the foregoing, the remainder of this Agreement and applicability of such provision to other persons or circumstances shall not be affected thereby. Each provision of this Agreement, except as otherwise herein provided, shall be valid and enforceable to the fullest extent permitted by law.

f. This Agreement may be executed in one or more counterparts, and each counterpart shall constitute an original. The parties hereto consent and agree to the recording of this executed instrument in the real property records of the Office of the Clerk of the Superior Court of Chatham County, Georgia.

g. Each party hereto, and their successors, assigns, or successors in title, shall indemnify and hold harmless the other parties hereto and their successors, assigns, or successors in title from and against all claims, liabilities, and expenses (including reasonable attorneys fees) relating to accidents, injuries, losses, damages, materialmen's liens, of or to any personal property arising from or in any manner relating to the use by such indemnifying party or its permittees of any easement granted hereunder, except as may result from the negligence or intentional misconduct of the party being indemnified.

IN WITNESS WHEREOF, the undersigned Parties have set their hand and affixed their seals to this Boundary Line and Easement Agreement.

EXHIBIT A

All that certain lot, tract or parcel of land situate, lying and being in the 5th G.M. District, Chatham County, Georgia, on the Isle of Armstrong formerly known as Macceo Island, and being Lot Number 12, Isle of Armstrong Subdivision, upon that certain map or plat of the Isle of Armstrong Subdivision dated February, 1952, prepared by C.S. Robey which is recorded in the Office of the Clerk of the Superior Court of Chatham County, Georgia in Subdivision Map Book "A", Page 182, aforesaid records, which map or plat is incorporated herein by specific reference and made a part hereof.

Also together without Warranty all of the adjacent lands and marshes, tract or parcel of land lying between the above referenced Lot 12 and the low-water mark of the Wilmington River and further lying between the Eastern and Western lot line extensions of the Eastern and Western boundary lines of aforesaid Lot 12 extended to the low-water mark of the Wilmington River as aforesaid. Said additional property being bounded as follows: On the North by the low-water mark of the Wilmington River; on the East by the Northerly extension of the Eastern boundary line of lot 12 Isle of Armstrong Subdivision; on the South by Lot 12 as aforesaid; and on the West by the Northerly extension of the Western boundary line of Lot 12 Isle of Armstrong Subdivision.

Together with improvements thereon more commonly known as 24 Brightwater Drive, Thunderbolt, Georgia 31410 and bearing a Tax Parcel Number of 3-0009-01-031.

EXHIBIT B

ALL those certain lots, tracts or parcels of land situate, lying and being in the 5th G. M. District, Chatham County, Georgia, on the Isle of Armstrong, formerly known as Macceo Island, which are known and designated as Lots Ten (10) and Eleven (11), Isle of Armstrong Subdivision, upon that certain map or plat of the Isle of Armstrong Subdivision dated February, 1952, prepared by C. S. Robey which is recorded in the Office of the Clerk of the Superior Court of Chatham County, Georgia, in Subdivision Map Book "A", Page 182, which map or plat is specifically referred to for a more complete description thereof.

ALSO, without warranty, all that certain lot, tract or parcel of land situate, lying and being in the 5th G. M. District, Chatham County, Georgia, on the Isle of Armstrong, formerly known as Macceo Island, between the low water mark of the Wilmington River and the Western and Northern boundaries of Lots Ten (10) and Eleven (11), Isle of Armstrong Subdivision, and being within the Westward extension of the Southern boundary line of Lot Ten (10), Isle of Armstrong Subdivision, to the low water mark of the said Wilmington River, and the Northern extension of the Eastern boundary line of Lot Eleven (11), Isle of Armstrong Subdivision, to the low water mark of the Wilmington River; said lot, tract or parcel of land being bounded as follows: On the North by the low water mark of the Wilmington River; on the East by the Northern extension of the Eastern boundary line of Lot Eleven (11), Isle of Armstrong Subdivision; on the South and Southeast by said Lots Ten (10) and Eleven (11), Isle of Armstrong Subdivision; and the Westward extension of the Southern boundary line of Lot Ten (10), Isle of Armstrong Subdivision, to the low water mark of the said Wilmington River, and on the West by the low water mark of the Wilmington River.

SUBJECT, HOWEVER, to all restrictions, easements and rights of way of record.

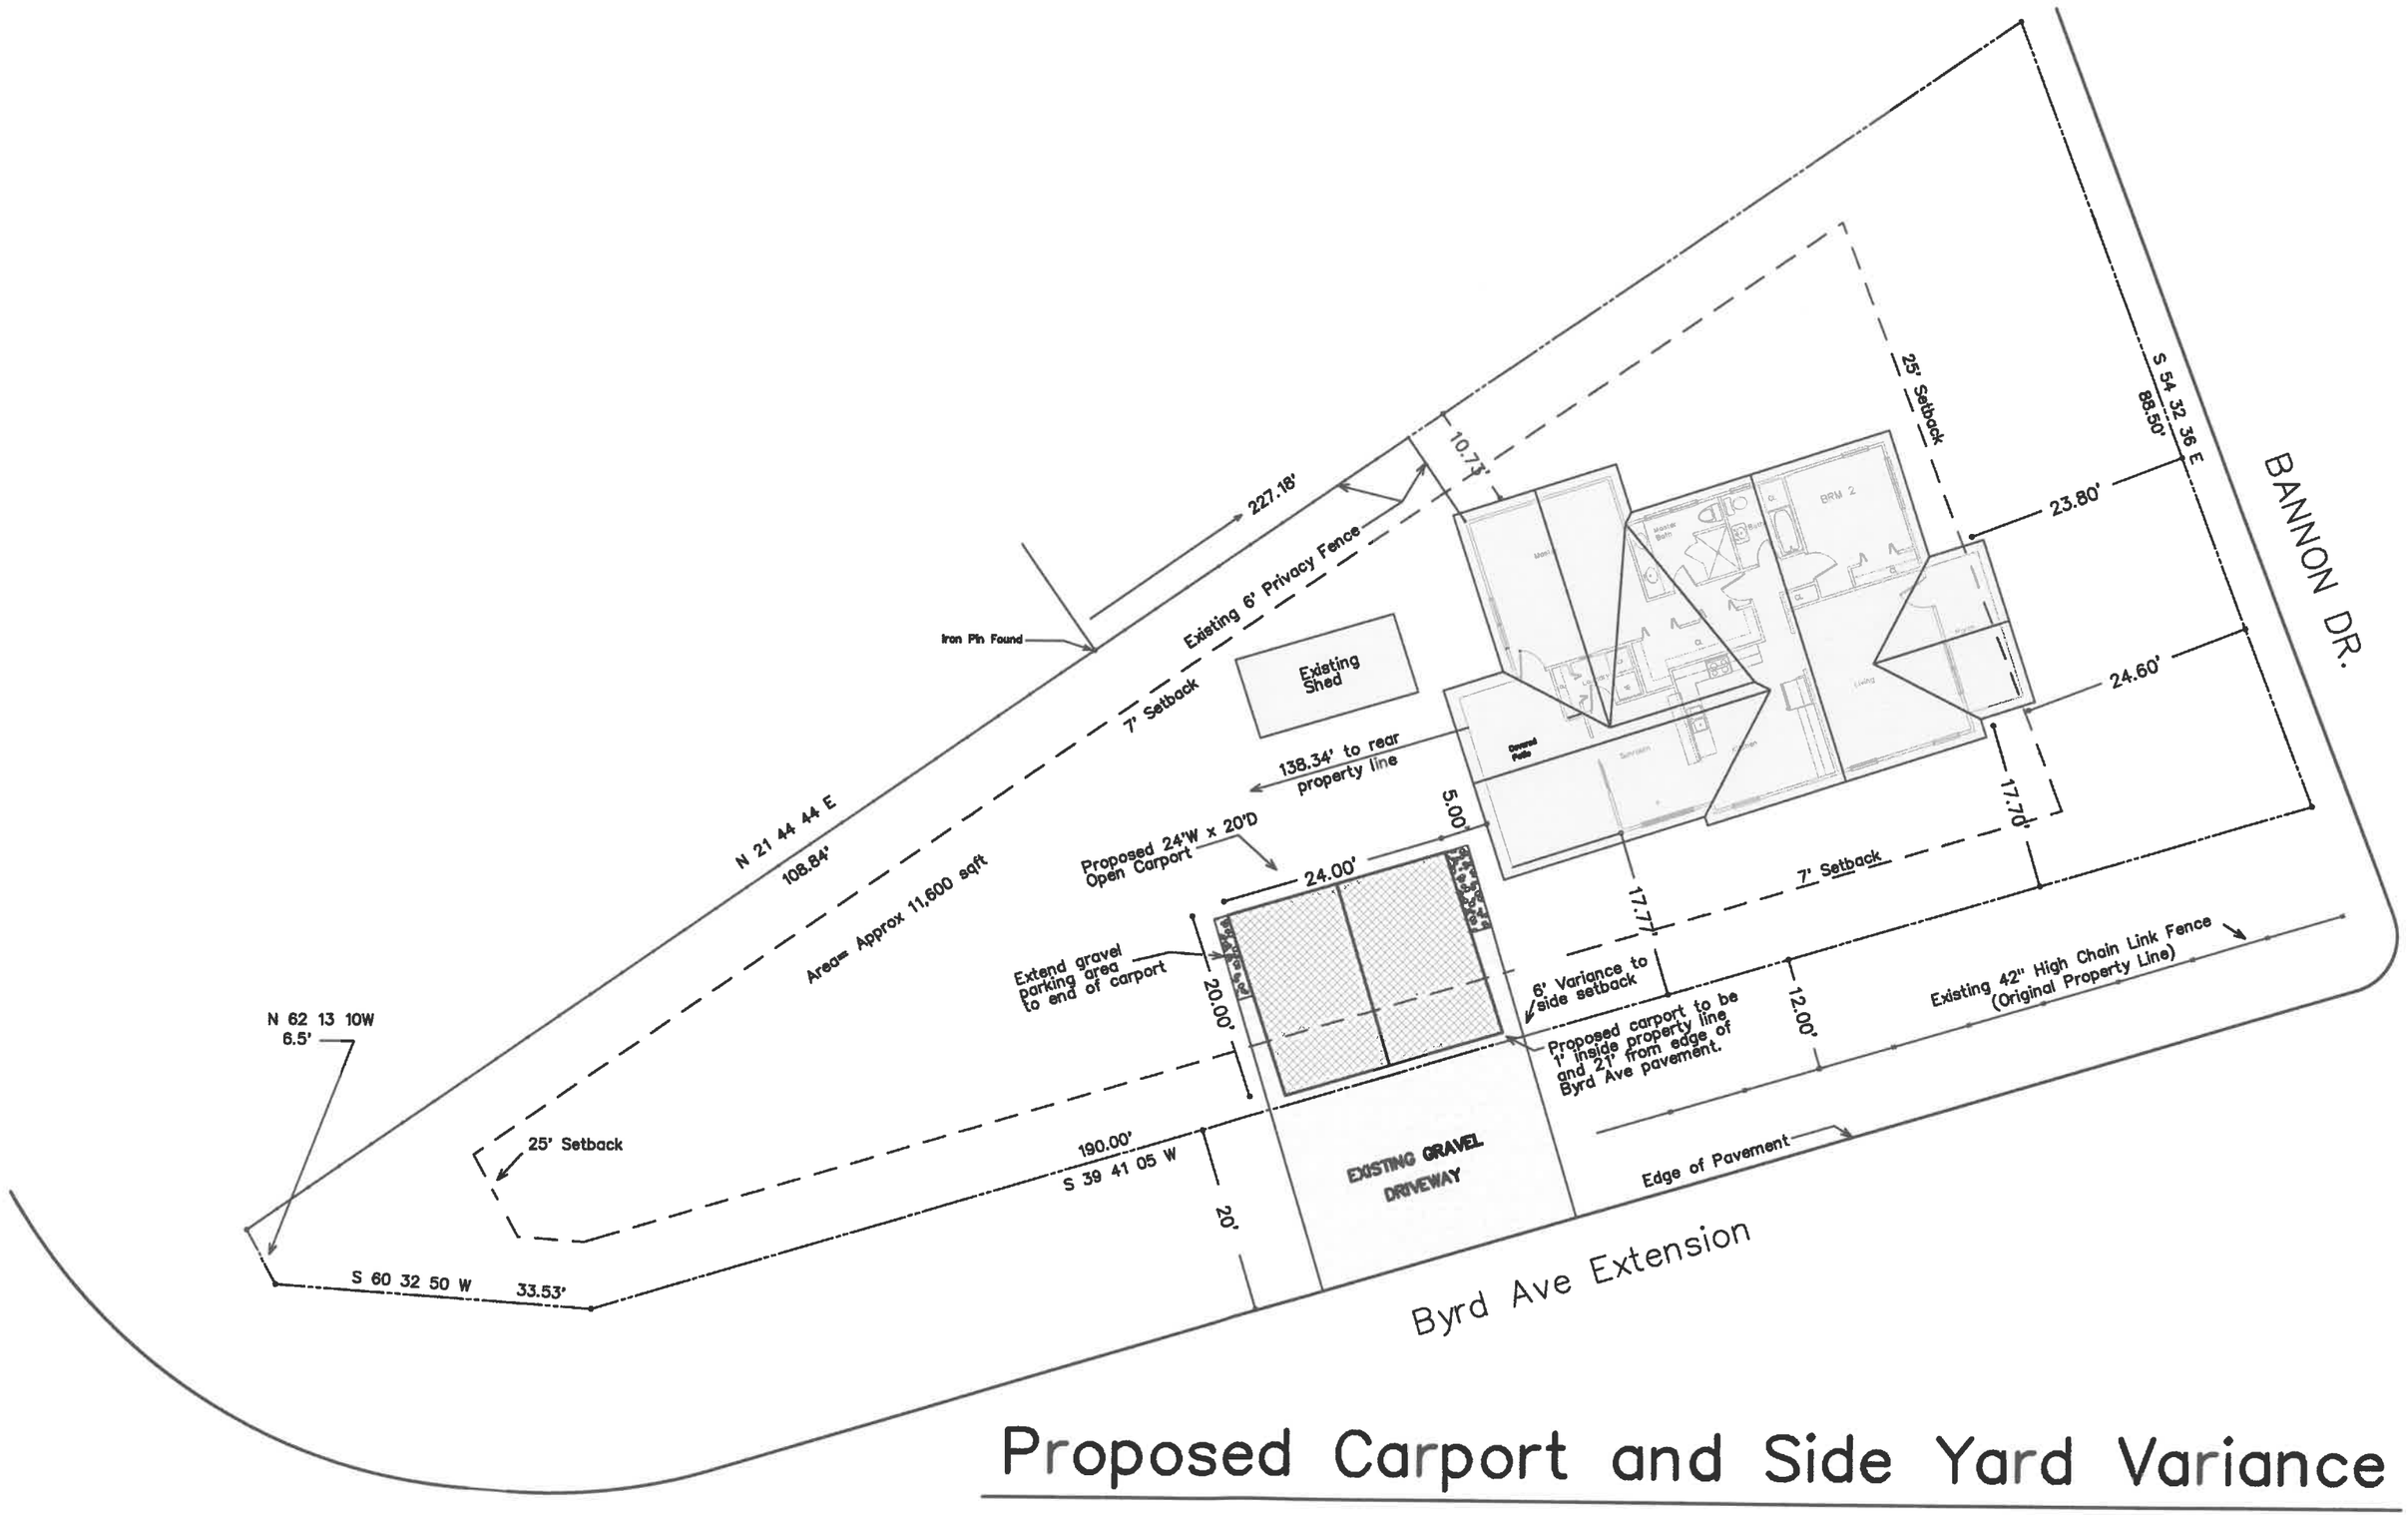
Requesting a variance of 4 feet to put the carport 1 foot to the edge of the side property line.

12 feet of my property was taken for the Byrd Ave Extension.

This will leave 21 feet from the pavement to the edge of the carport which is twice the distance required by the Thunderbolt development standard for carports which is 10 feet.

Side setback is only 5 feet for an accessory structure and the proposed carport will be 21 feet from the edge of the pavement. Byrd Ave Extension was originally enlarged to provide space for school busses to turn and the school is no longer in use.



Proposed Carport and Side Yard Variance

Thunderbolt Internal Staff Modifications

After meeting various times with Town staff, Finance, and the CPA firm, the finding of support for the staff modifications are within budget and will provide a benefit to the Town.

Staff Modifications recommended for approval are…

Promotion – One Police Sgt. To Police Lt. – not only does the Sgt. Currently serve as a Sgt., and oversee a duty shift of officers, he often times acts as lead officer on investigations, and in keeping with the 2022 Goal of a vetted and capable number two individual in each department this individual has and is capable and ready to act in the stead of the Police Chief. This involved learning and handling more of the administrative side of police work such as employee issues, payroll, state and federal compliance etc…

Budget impact is a 5% raise from previous rank (change in status) or 5% above highest paid subordinate.

Promotion – One patrol officer to Corporal.

Budget impact is a 5% raise from officer pay (change in status) or 3% above highest paid subordinate.

Additional Full Time Employee – The full-time appointment of Ms. Liz Rhoades (Special Projects Coordinator) from part-time to full time. Police had a full-time administrative assistant transition to part-time, and this would be a swap of pay and benefits. Concurrently, part of this position will be funded from the water and sewer fund as she will assist with the utility billing desk, and much of her work on projects is relative to infrastructure. The water and sewer budget also saw a transition as one full time employee departed and was replaced with a part-time employee.

Budget impact – none

NOTICE

Town of Thunderbolt in Chatham County, Georgia

The Town of Thunderbolt has tentatively adopted a millage rate which will require an increase in property taxes by 9.54% over the rollback rate. Pursuant to requirements of the O.C.G.A. 48-5-32 does hereby publish the following presentation of the current year's digest and levy along with the history of the tax digest for the past five years.

All concerned citizens are invited to the public hearings on this tax increase to be held at the Town Hall Building, 2821 River Drive, Thunderbolt GA, on the following dates: If any member of the public needs a translator for language, or the hearing impared, please give notice five days prior and the Town of

August 03, 2022 at 6:00 PM
August 10, 2022 at 10:00 AM
August 10, 2022 at 6:30 PM

This tentative increase will result in a millage rate of 6.132 mills, an increase of .534 mills. Without the tentative tax increase, the millage rate will be no more than 5.598 mills. The proposed tax increase for a home with a fair market value of $100,000 is approximately $53, and the proposed tax increase for non-homestead property with a fair market value of $250,000 is approximately $133.

Deatre Denion , Clerk of Council, Town of Thunderbolt

August Town Council Meeting 2022 – Monthly Administrator Report

Town Hall –

Roof – AC on Police side is out – part has been ordered and is set to be completed early September (part on back order) ~~August~~.

Around Town –

Re-paving - Working to use our 2020 Local Maintenance Improvement Grant (LMIG) to repave Rowland as the road is in need and the infrastructure is sound – This grant must be used and accounted for this fiscal year to be eligible to receive 2023 LMIG funding – Bid has been modified as we are working with the County Asst. Manager and Engineering to use economies of scale to be added on their paving cycle – IGA is now in place and awaiting schedule from County of work

Road work – Working with DPW Director Crosby ~~and retired City Manger (Garden City) Ron Feldner~~ (no longer consulting – still proceeding) on a comprehensive Shell Road infrastructure replacement as well as phase two repaving to hopefully consolidate 2021, 2022, 2023, and 2024 LMIG funding

Grants –

- Evaluation a water reduction grant via the state as shared by Councilman Drohan
- In process of applying for a Tree grant via Ms. Sue DeRosa

- We have submitted a grant to Chatham County to offset the costs to the Town of Thunderbolt for operation of the Thunderbolt Neighborhood Senior Citizen Center – Submitted for $47,000 – we made the first cut and myself and Senior Center Inc. President Patti Lyons made the pitch in front of 25 chosen County representatives for said funding – The County Manager has approved a budget with this being funded, it will go before the County Commission to be finally approved – legal is involved to adapt a MOU (Memorandum of Understanding) to augment our current contract with SCI – Awaiting the funding process

Process Improvement – All still on the table

-Tax Commissioner meeting and will bring before Council a potential IGA for the TC to perform Thunderbolt's tax collection – increased collections – free up in house staff – more coordination with software – immediate liens and tax sales – not possible until next year

- Exploring a Shell Rd District to allow for more commercial while recognizing water conservation as a must

-Exploring a Human Resource Consultant for liability protection and to ensure our polices are legal, up to date and provide as much protection as possible to the Town and staff

Town Departments –

Finance –

-Please see attached reports for March plus Ms. Brett assessment

Code Enforcement –

- In addition to normal enforcement actions beginning to look at condemning or moving towards that on certain structures within Town Limits – legal is involved to ensure the next step in subpoena process and accountability – order of tablet for in field use and tie into our current permitting software
-

Police –

- See attached report – excellent work in apprehending the suspect involved in two violent robberies

Fire -

- See attached report– Fire Station roof – sealing of structure and mold remediation next – see FD report of second floor transition

DPW-

- See attached report – Palm Trees planted on Mechanics – second phase of Mechanics underway to remove grass – low lying attractive plants and mulch – low maintenance design to look better, cost less and save labor– Designs for Honey Park are forthcoming

Newer Town Topics

- LOST (Local Option Sales Tax) Negotiations Training and Preparation – Including State Expert – Retired COS Manager Michael Brown – this is a 10 year set percentage – now heading into mediation
- Thunderbolt Tidy Program set to start– All departments involved to include sanitation for bulk items – this is receiving excellent feedback and next date is July 12th
- Moving on renewing contracts for primary disaster recovery and secondary disaster recovery as well as a disaster recovery monitor and public assistance – RFP's have been listed on our website, Ga Procurement Website, and GMA website – set to vote in selection of disaster monitor this month
- Bannon Drive – we have moved after discussion with traffic engineering and resident feedback to a survey methodology for the residents on Bannon- should be in place the week of the Council meeting
- Working with a vendor to possibly reduce our Telecom billing etc… - no cost to the Town unless money is saved
- Woring with a vendor on Utility Billing for Power to save money – no cost if money is not saved
- Continuing SOLAR discussion with four vendors
- Continuing Fiber discussion with vendors and consultant possibility from Speros
- Working with COR – composting for a trail program – awaiting a proposal offer from COR for review

INTER OFFICE CORRESPONDENCE

TO: Town Administrator, Robert Milie

FROM: Chief Sean Clayton

DATE: August 1, 2022

SUBJECT: Monthly Report for July 2022

POLICE DEPARTMENT:
I attended my required executive training at the Trade Center again this year so the bulk of my required training by POST has been completed. We got our renewed radar permit back from GDOT, and that's been sent over to Blue Line Solutions so we are on track to go live with the speed cameras at the beginning of the school year.

Sgt Runyon assisted Chatham County P.D. when a car jacking suspect was chased into our area. The suspect struck a vehicle and the yellow barrier in the center of Hwy. 80 at Isle of Armstrong. That person was arrested in Thunderbolt with several felony charges from us as well as from CCPD. Gang related charges were added on to the suspects involved in the drive by shooting on Lincoln Street. We are working with ATF on this case because they have the ability to test the shell casings and rounds that were found at the scene, to see if those firearms were used in other crimes.

Officers Thompson and Wilson made an arrest involving a suspect who stole a trailer with around $5,000.00 worth of lawn equipment. They spent roughly 10 or so hours on this case and was able to find the suspect and made an arrest. These are only a couple of cases mentioned but our officers work very hard and are dedicated to this town and the citizens who live here, and I couldn't be more proud of each and everyone of them.

MUNICIPAL COURT

The fees and fines the Court collected for the month of June were $15,885.10

Mission Statement

"The mission of the Thunderbolt Fire Department is to minimize loss of life, property and environment in the Town of Thunderbolt from both natural and man-made disasters, life threatening situations and to assist other emergency agencies. We will achieve this mission through professional/progressive training and fire education while providing first class services to our community."

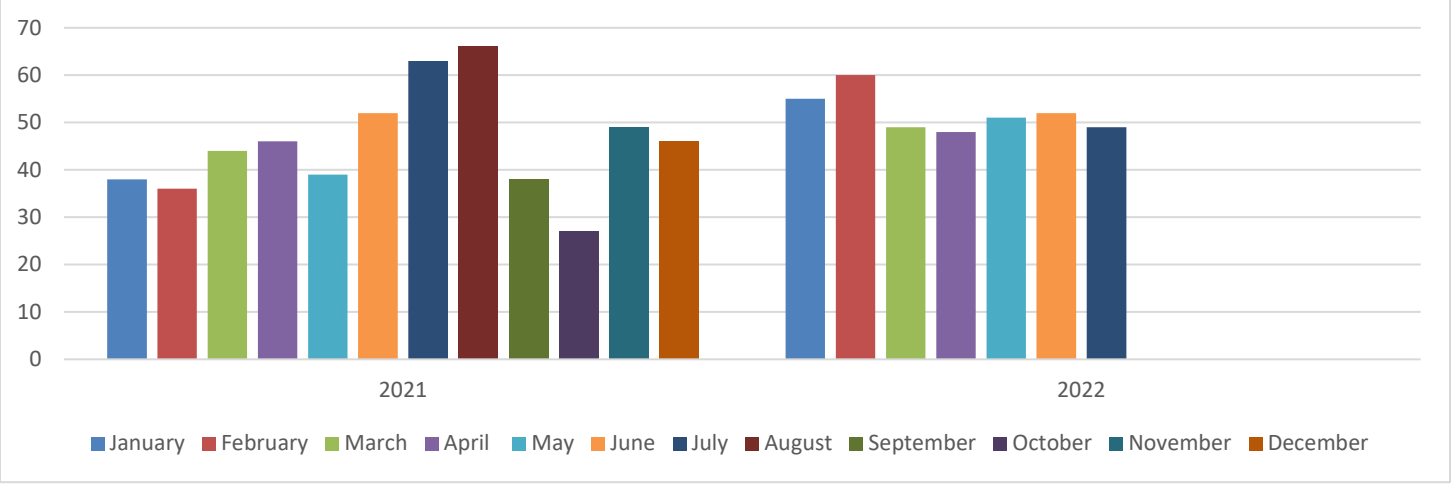
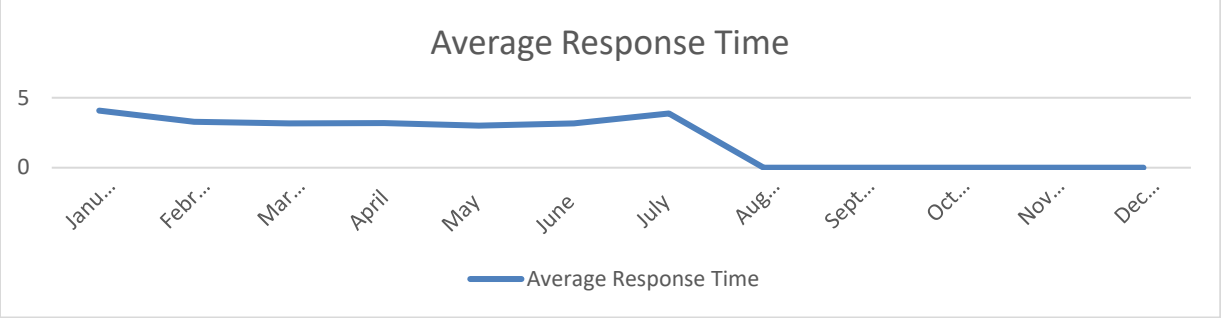
Call Comparison Between 2021 & 2022





Department News

Highlighted Incidents:

- Response to several incidents to clear road due to tree limbs in the road way.

Highlighted Projects:

- Chief Office and Emergency Operation Center/Classroom Update
  - Framing is completed
  - A/C is mounted and pre plumbed (Awaiting completion of Spray Foam to complete install)
  - Electrical is Wired will complete when insulation and sheet rock is completed
  - Completing a few items and will be ready for spray foam. Sheet rock will be completed directly after completion of insulation.

Chief Report:

- Department is continuing to search for Open Full Time Position.
  - Two applications on file, will interview candidates this coming week.
- Scheduling
  - Chief still currently working shift work in order to cover shifts.
- Processing several Part Time Applications.
- No Training hours for the Month of July due to being short staffed.

The Department currently has 1 open full-time position and another career staff has been out on medical leave. I would like to recognize Firefighter Josh Mohler for his dedication to ensure we have adequate coverage. FF Mohler has worked an extreme amount of extra time covering shifts. In addition, our Town Administrator has assisted with covering shifts as well. I am grateful for the dedication these individuals continue to do for the citizens of this town.

Thunderbolt Development and Resource Utilization Project

The recent requests for variances on property development have highlighted a notable problem with regards to the upper limits of sewer resources allowed us by our contract with the City of Savannah and the clear messages from them that those limits are unlikely to be increased. Though these issues have been focused upon the 7-acre tract along Bonaventure Avenue, I believe that this is in fact a town wide issue and deserves to be addressed by then Council in the near term.

In pursuit of that goal, I have asked our folks in administration to create a listing of undeveloped/underdeveloped properties in Thunderbolt so that we can then approach the likely future demand of development in Thunderbolt relative to the realities of our limited capacities in a manner that is responsible to our citizens and equally respects the rights of all property owners in Thunderbolt.

To that end, I have formulated some "Development Zones" that I think reasonably identifies the category and location of properties whose development will likely place demands on our infrastructure. Furthermore, I have taken a stab at identifying "Development Factors" that should reasonably be assessed for each of these categories.

The goal of course would be to operationalize a clear understanding of the nature and degree of future development demands and to assess those alongside the realities of our limited infrastructure capacities.

Please review the following information and feel free to help me create a more thorough list of Development Zones and Development Factors as well as recommending additional factors relative to this issue that you believe are important.
