TOWN OF THUNDERBOLT
REGULAR MONTHLY MEETING
WEDNESDAY, MARCH 6, 2024
6:00 PM

AGENDA HEARING

Public has five minutes per person to ask questions or comment on any agenda item.
Mayor Williams opened the public hearing up at 6 pm.

Stella Lavin, 3125 Robertson Ave, wanted to know how we ensure compliance with the short-term rental portal.

Katherine Clements thanked the Town for the proclamation for her family member, Officer Ben Green. She also asked about the pothole on Whatley near Shell Rd. She stated the pothole and lines are hard to see in the rain which is unsafe. She also stated there was a pothole at Sunset and Whatley Ave. Ms. Clements asked about the sewer on Cedar Street, stating the water settles and the pavement is starting to sink.

Mayor Williams let Ms. Clements know we were glad to be able to honor Officer Ben Green at the last meeting.

Town Administrator Milie stated the contractor has been contacted regarding a paving schedule. The Bonaventure Safety Corridor will be the litmus test for other areas in the Town. He also stated he received good feedback from the Community Improvement Association. The start of Talk It Up Tuesday went well. It will be the first Tuesday each month. There were 6 people in attendance. It is like a workshop type meeting to get input on plans moving forward. Notifications and advertisements will be sent out. The goal is to gather community input to maximize benefit.

Town Administrator Milie stated Lieutenant Runyon is doing administrative work for the Fire Department while Chief Bateman is out for a short time. The succession plan is in place for this reason. Lt. Runyon brings experience, supervisory knowledge, and leadership. Mr. Milie applauded Lt. Runyon because he is also leading the Police Department while Chief Clayton is out.

Lt. Runyon stated both Flock Cameras were up and running. There are new school zone cameras being placed near Johnson High School. He also stated the emergency radios should be in by the end of April.

Mayor Williams asked Lt. Runyon to explain the Flock Cameras. He stated they are cameras across the US that send alerts for missing persons, wanted persons, vehicles with no insurance or suspended registration. It is a great tool and allows the PD to search tags by make/model of the vehicle. Mr. Milie added that it also alerts on sex offenders. It can be watched around the schools. Mayor Williams stated it is a great tool to keep the Town safe by creating a barrier surrounding the Town.

Mayor Williams closed the public comment at 6:29 pm.

DRAFT

REGULAR MEETING

1. **Call to order -** Mayor Williams called the meeting to order at 7:17 pm.

2. **Roll Call by Presiding Officer with Invocation, followed by the Pledge of Allegiance**

   In Attendance is Mayor Dana Williams and Council Members: David Crenshaw, Larry Ward, James Lavin, Bethany Skipper-Greer, and Brooks Barbaree. Staff in attendance: Town Administrator, Bob Milie; Police Lieutenant Brandon Runyon, Public Works Manager, Oscar Crosby; Town Attorney, Charlie Barrow; Accounts Payable/Utilities Manager; Katina Spaulding; Town Clerk/Zoning Administrator, Matthew Walker.

   Not in attendance: Council Member Edward Drohan, Fire Chief Andrew Bateman, Police Chief Sean Clayton.

3. **Approval of Meeting Agenda**

   Mayor Williams asked for a motion to approve the agenda. **Council Member Ward made the motion to approve with a second by Council Member Crenshaw. The motion passed unanimously.**

4. **Approval of Minutes from Previous Meeting**:

   Minutes of March 6, 2024

   Mayor Williams asked for a motion to approve the meeting minutes of March 6, 2024. **Council Member Ward made the motion to approve with meeting minutes March 6, 2024. Council Member Crenshaw provided the second. The motions passed unanimously.**

5. **Presentation:**

   a) Mayor Williams read the Women's History Month proclamation. Mayor Williams recognized Ms. Katherince
   b) Mayor Williams read the "Know Local-Go Local" business spotlight for April 2024. The businesses recognized in April are: Matt Herrington Tree Service, Desposito's, Coastal River Charters, and Coastal Ice Machines.

6. **Finance Report:**

   Due to the meeting being earlier in the month, the Finance Report was not available to present.

7. **Consent Agenda:**

   a) Consideration to Approve Maggioni Combination of Lots

      A motion was made by Council Member Ward to approve Maggioni Combination of Lots. Council Member Crenshaw provided the second. The motion passed unanimously. (Mayor Williams recused himself from the vote)

8. **Discussion Agenda:**

   a) Town of Thunderbolt Financial Management Policy

      A motion was made by Council Member Ward to table Town of Thunderbolt Financial Policy with a second from Crenshaw. The motion passed unanimously.

9. **Department Report –** Written Reports Submitted

DRAFT

by: **Police / Municipal Court / Neighborhood Watch – Brandon Runyon, Police Lieutenant**
Lt. Runyon had nothing further to add. Mayor Williams discussed Leadership Training – the Judges recommended taking a look at filing and reporting pertaining to higher courts. Mayor Williams also asked everyone to keep Chief Clayton and FD Chief Bateman in their prayers.

Fire –Fire Chief, Andrew Bateman
Chief Bateman was not in attendance. Lieutenant Runyon stated the FD started checking hydrants and plan to do 10 per week. He also stated they would be performing pressure tests throughout the year.

Public Works Department – Oscar Crosby, Public Works Manager
Public Works Director Crosby had nothing further to add to his report. He stated there were a few main breaks that gave them new data with finding old valves, lines, etc. Town Administrator Milie applauded Director Crosby and Public Works Department for working late into the night to fix a water outage to not impact school operations. Director Crosby has been researching signage, rumble strips, speed humps, and other safety additions to place along the Bonaventure Safety Corridor.

Town Clerk – Matthew Walker, Town Clerk
Clerk Walker had nothing further to add to his report.

10. **Town Administrator Report:** Town Administrator, Bob Milie

    Town Administrator Milie went over some highlights from his report. Most of this report was discussed during the public comment portion of the meeting.

11. **Legal Report –** Town Attorney, Charlie Barrow

    Nothing to report or discuss

12. **Mayor and Council –**

    Nothing to report or discuss

13. **Thunderbolt Museum**

    Anna Maria Thomas was not in attendance

14. **Executive Session-**

    Council Member Ward made a motion at 7:42 pm to leave regular session to enter executive session to discuss Personnel, Property, or Litigation. Council Member Crenshaw seconded. The motion passed unanimously.

    Council Member Crenshaw made a motion at 8:26 pm to leave executive session to return to regular session. Council Member Ward seconded. The motion passed unanimously.

    Mayor Williams asked for a motion to adjourn the meeting. **Council Member Ward made the motion with a second from Council Member Skipper-Greer. The motion passed unanimously.**

15. **Adjournment:**

    The meeting adjourned at 8:26 pm.

Dana Williams, Mayor Matthew D. Walker, Town Clerk

DRAFT

BY THE MAYOR OF THE TOWN OF THUNDERBOLT

A PROCLAMATION

IN RECOGNITION OF "EARTH DAY"

WHEREAS, we continue to live through the COVID-19 pandemic, we are reminded of the extraordinary importance of maintaining a clean and healthy environment; and

WHEREAS, the global community faces challenges such as health issues, food and water shortages, and economic struggles; and

WHEREAS, all people, regardless of race, gender, income, or geography, have a right to a healthy, sustainable environment with economic growth and opportunity; and

WHEREAS, we are all caretakers of our planet and have an obligation to combat climate change and environmental degradation to preserve the earth's beauty and resources; and

WHEREAS, this year marks the 53st anniversary of the Earth Day movement. Let it be known that the town of Thunderbolt, encourages all businesses, institutions, and individuals to celebrate the Earth and commit to caring for the planet and its resources.

NOW, THEREFORE, do I Dana Williams, Mayor of the Town of Thunderbolt, Georgia, hereby proclaim April 22, 2024, as **EARTH DAY,**

And encourage people in Thunderbolt to combat climate change and environmental degradation, support green economy initiatives, and to encourage others to undertake similar actions.

Given under my hand
This 10th day of April 2024

_____

Mayor, Dana Williams

BY THE MAYOR OF THE TOWN OF THUNDERBOLT

A PROCLAMATION

IN RECOGNITION of "ARBOR DAY"

WHEREAS, in 1872, the Nebraska Board of Agriculture established a special day to be set aside for the planting of trees, and

WHEREAS, Arbor Day is now observed throughout the nation and the world, and

WHEREAS, trees can be a solution to combating climate change by reducing the erosion of our precious topsoil by wind and water, cutting heating and cooling costs, moderating the temperature, cleaning the air, producing life-giving oxygen, and providing habitat for wildlife, and

WHEREAS, trees are a renewable resource giving us paper, wood for our homes, fuel for our fires, and countless other wood products, and
trees in our city increase property values, enhance the economic vitality of business areas, and beautify our community, and

WHEREAS, trees — wherever they are planted — are a source of joy and spiritual renewal.

NOW, THEREFORE, I, Dana Williams, In the Town of Thunderbolt, Mayor of the Town of Thunderbolt, do hereby proclaim April 26th, 2024 as ARBOR DAY, and I urge all citizens to celebrate Arbor Day and to support efforts to protect our trees and woodlands, and

FURTHERMORE, I urge all citizens to plant trees to gladden the heart and promote the well-being of this and future generations.

Given under my hand
This 10th day of April 2024

_____

Mayor Dana Williams

BY THE MAYOR OF THE TOWN OF THUNDERBOLT

A PROCLAMATION

"NATIONAL SAFE BOATING WEEK"

WHEREAS, For over 100 million Americans, boating continues to be a popular recreational activity. From coast to coast, and everywhere in between, people are taking to the water and enjoying time together boating, sailing, paddling and fishing. During National Safe Boating Week, the U.S. Coast Guard and the National Safe Boating Council, along with federal, state, and local safe boating partners encourage all boaters to explore and enjoy America's beautiful waters responsibly; and,

WHEREAS, Safe boating begins with preparation. The Coast Guard estimates that human error accounts for most boating accidents and that life jackets could prevent nearly 75 percent of boating fatalities. Through basic boating safety procedures – carrying lifesaving emergency distress and communications equipment, wearing life jackets, attending safe boating courses, participating in free boat safety checks, and staying sober when navigating – we can help ensure boaters on America's coastal, inland, and offshore waters stay safe throughout the season; and

WHEREAS, National Safe Boating Week is observed to bring attention to important life-saving tips for recreational boaters so that they can have a safer, more fun experience out on the water throughout the year; and,

WHERES, On average, 650 people die each year in boating-related accidents in the U.S.; 75 percent of these are fatalities caused by drowning; and,

WHEREAS, The vast majority of these accidents are caused by human error or poor judgment and not by the boat, equipment or environmental factors; and,

WHEREAS, a significant number of boaters who lose their lives by drowning each year would be alive today had they worn their life jackets.

THEREFORE I, Dana Williams, Mayor of the Town of Thunderbolt do hereby proclaim May 18-24, 2024 as NATIONAL SAFE BOATING WEEK in the Town of Thunderbolt to support the goals of the Safe Boating Campaign and the start of the year-round effort to promote safe boating.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of Thunderbolt to be affixed this **6th day of April 2024**.

Re: Contract Renewal for Annual Disaster Debris Removal, Reduction & Disposal Services

Dear Mr. Milie:

The Town of Thunderbolt and CrowderGulf have a contract for Annual Disaster Debris Removal, Reduction & Disposal Services. The Contract shall be effective for the period to begin based on the date of the executed contract and continuing through July 13, 2024 with an option to renew for two (2) additional one (1) year periods. The Contract renewal shall be automatic unless either party gives sufficient notice that the Contract shall not be renewed.

If the Town of Thunderbolt is in agreement to renew the existing contract, please sign the renewal acceptance below and return to CrowderGulf. Upon execution of this acknowledgement the contract will continue under the same terms and conditions until its new expiration date of July 13, 2025.

We appreciate the opportunity to renew this contract and stand ready to respond immediately in the event the community of the Town of Thunderbolt needs our services. If you have any questions or if we can be of any further assistance, please do not hesitate to contact me at the Disaster Administration Office (DAO) at 800-992-6207 or by e-mail jramsay@crowdergulf.com.

Best regards,

Ashley Ramsay-Naile

MEMORANDUM VIA E-MAIL
(kspaulding@thunderboltga.org)

TO: Ms. Katina Spaulding
Accounts Payable/Utilities Manager

FROM: Mr. Kevin Jeselnik
Assistant General Counsel

SUBJECT: **Action Required: Georgia Municipal Employees Benefit System Defined Benefit Retirement Plan Restatement**

The Town of Thunderbolt previously adopted the Georgia Municipal Employees Benefit System ("GMEBS") Defined Benefit Retirement Plan ("Plan"), which is comprised of the Basic Plan Document and Adoption Agreement. The Plan is considered a "qualified plan" under the Internal Revenue Code, which is important to ensure the tax-exempt status of the trust fund.

To protect the Plan's tax-qualified status, GMEBS filed draft restated Plan documents, updated to reflect recent amendments and comply with changes in federal tax law, with the IRS on June 29, 2022. On August 31, 2023, the IRS issued a favorable opinion letter ("IRS opinion letter") for the restated Plan documents. The IRS opinion letter provides assurance to employers providing retirement benefits for their employees through the GMEBS Plan that GMEBS is maintaining a qualified pension benefit program that allows employees to accrue benefits tax-free until retirement benefits are distributed to them.

To ensure continued tax-qualified status for all GMEBS-member retirement plans, all participating employers must readopt their plans using the most recent IRS-approved Adoption Agreement. To that end, we have completed the attached Adoption Agreement to include the benefit and eligibility provisions that you currently have in place.

If the draft document is acceptable, please have the designated representatives sign and date where indicated (p. 37). Next, please scan and email the document to Gina Gresham at rgresham@gacities.com no later than **May 14, 2024**. We will then countersign it and return an electronic copy to you. Please note, GMEBS will not execute documents that have been edited by the town. If the Adoption Agreement requires revisions, please let us know before adopting it.

The draft Adoption Agreement will take effect on the date of its approval by the governing authority. **Please note that per O.C.G.A. § 47-5-40, the Adoption Agreement has been drafted in the form of an ordinance.**

We have also attached a copy of the restated Basic Plan Document and Amendment 1, which do not need to be adopted by the town. Finally, we have included a summary of key amendments to the Plan relating to the restatement.

If you have any questions about the information provided in this letter or require further information, please contact Gina Gresham.

Ms. Gwin Hall, Senior Associate General Counsel (w/o encl.)

AN ORDINANCE (continued from page 1)

Section 2. Except as otherwise specifically required by law or by the terms of the Basic Plan Document or Adoption Agreement (or any Addendum), the rights and obligations under the Plan with respect to persons whose employment with the City was terminated or who vacated office with the City for any reason whatsoever prior to the effective date of this Ordinance are fixed and shall be governed by such Plan, if any, as it existed and was in effect at the time of such termination.

Section 3. The effective date of this Ordinance shall be the date of its approval by the Governing Authority **(not earlier than the first day of the current Plan Year in which the Plan is adopted, unless a retroactive corrective amendment is permitted under EPCRS, Rev. Proc. 2021-30 (or subsequent updated guidance))**.

Section 4. All Ordinances and parts of ordinances in conflict herewith are expressly repealed.

Approved by the Mayor and Council of the Town of Thunderbolt, Georgia, this _____ day of _____, 20____.

A RESOLUTION OF THE TOWN COUNCIL OF THUNDERBOLT, GEORGIA TO IMPROVE RESILIENT FOCUS WITHIN THE TOWN LIMITS OF THUNDERBOLT

WHEREAS, Thunderbolt is located along the Wilmington River in beautiful coastal Georgia on the United States Intracoastal Waterway (US ICW),

WHEREAS, community resilience refers to the sustained ability of a community and its environment to withstand and recover from adverse situations or events while improving the community's physical, social, and economic health and while protecting human life and property, and

WHEREAS, Thunderbolt is working to strengthen resilience through the *Flooding Dynamic Modeling Tools for Optimized Planning of CORE MPO Transportation Infrastructure Systems* formulized by the Coastal Region Metropolitan Planning (CORE) for risk-decision making along with Chatham County's multi-jurisdictional *Hazard Mitigation Plan* as part of the Town's Community Rating System (CRS), and

WHEREAS, the Town has determined that the public health, safety, and welfare of its residents will be significantly improved by placing a greater emphasis on increasing community resilience to natural hazards, environmental changes, issues of social vulnerability, and access to resources, and

WHEREAS, Thunderbolt has acknowledged that there is scientific evidence that our climate is changing; and, to meet this challenge, the Town must enhance its consideration of protecting our resources in land use decisions, infrastructure investments, development planning, and

WHEREAS, Thunderbolt recognizes it must continue to build upon the work led by Chatham County to address the changing climate and incorporate community resilience in its decision-making through the collaboration of the Town's government departments, local citizen stakeholders, and the public, and

NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND COUNCIL OF THE TOWN OF THUNDERBOLT to promote equitable community resilience and reduce vulnerabilities to environmental threats by incorporating resilience considerations into its planning, development, and operational practices.

This 10TH day of April, 2024.

Matthew D. Walker, Town Clerk

Amendment to Section 6 – 301 of the ordinances of the town of thunderbolt.

Section 6 – 301 (c) (5) of the ordinances of the Town of Thunderbolt is hereby amended by adding thereto a second paragraph to read as follows:.

Change in ownership shall include a legal transfer of the real estate from one person or entity to a new person or entity. Change in ownership shall also include a transfer from one or more persons of stock, shares, or membership of a corporation, LLC, partnership or other entity to one or more different persons even if the corporation, LLC, partnership or other entity remains the legal title holder of the real estate.

So adopted by the Mayor and Council of the Town of Thunderbolt on this the _____ day of _____2024.

_____

Mayor: Dana Williams

I have reviewed the notes and discussion from the last Town Council Meeting relative to the variance request for the property along Bonaventure Road with some interest.

It appears to me that the variance request arose out of an inadequately clear understanding of the fence ordinance, Section 5 – 207 – Walls and Fences. My reading of this ordinance suggests that there are inherent expectations in the ordinance that require clarification and possible enhancement to understand how the rules surrounding the fair and responsible utilization of this ordinance might have best been applied in the recent instance and in the future.

With regards to both construction and maintenance, the architectural style of the fence and the consistency of the materials utilized for construction and repair are central to the ordinance. The ordinance clearly emphasizes these factors for the sake of functionality and safety as well as attractiveness. (See Ssec.1,Ssec 4A1&2,Ssec 7). Furthermore, consistency of these factors within neighborhoods is clearly stated (Sec. 5-207.3C).

Regarding the recent variance request, the ordinance clearly states that a 6-foot fence along the front of the property is allowable (Sec. 5-207.3A) though it is restricted based upon an expectation that "6 feet (*sic*) fences in front yard shall be no closer to the front property line than the house… or the front setback line, whichever is greater." There are examples of this type of fence of various heights throughout Thunderbolt that are clearly created for security as well as safety for children and pets.

However, a clear reading of the ordinance would suggest that this standard was formulated based on what I would call the "traditional Thunderbolt residential lot", usually 60 feet times hundred feet. Here again, the consideration of neighborhood consistency appears to be the central motivation behind this ordinance as written and is a rational expectation in light of neighborhoods made up of "traditional Thunderbolt residential lots".

The properties along Bonaventure Road present a challenge in that while there are some “conforming lots” along this unique road, many of the lots along the eastern flank of the road could necessarily be considered “nonconforming lots” vis a vis Sec. 5-207.3A due to their uncommonly large size and occasional odd configuration.

As such, this distinction may have been considered as a basis for granting this variance given the very real distinction between a traditional conforming lot and those lots such as the one considered in the recent variance request. More importantly, a clearer ordinance acknowledging the realities of the importance of neighborhood consistency and integrity in fence design may have made this request and subsequent discussion moot.

Proposal

I believe that the Council should consider remediation surrounding the lack of clarity found in this ordinance in light of the clear differences that do exist among residential lots found in Thunderbolt based on what I argue is a clear intent of the ordinance to respect neighborhood consistency and integrity.

Final Comment

These cases where variances have been requested to address neighborhood inconsistencies in design and height have become a “red herring” politically.

In my opinion, this would best be addressed by a responsible review of the town ordinance relative to this issue, namely Section 5 – 207 – Walls and Fences, considering the factors mentioned above.

Sec. 5-207. - Walls and fences.

SHARE LINK TO SECTIONPRINT SECTIONDOWNLOAD (DOCX) OF SECTIONSEMAIL SECTION

All walls and fences shall be erected or constructed in compliance with the provision of this section. These regulations shall not prohibit the construction of any necessary retaining wall nor waive compliance with buffer and screening requirements contained elsewhere in these regulations.

1.

Required permits. No wall or fence shall be erected or constructed without a building permit. Permits shall not be required for general maintenance work of a fence. Maintenance work shall include replacing with the same material on the same fence line at the same height any existing fence provided, however, any existing front yard fence that is being replaced shall meet the requirements of section 5-207.3 of this chapter.

2.

Public safety. No wall or fence shall be erected or constructed that:

A.

Constitutes a fire hazard either of itself or when connected with other structures;

B.

Blocks or limits light, air or emergency access from doors or windows;

C.

Is less than five feet from an existing structure when located parallel to said structure; and

D.

Restricts the opening of adjacent gates, doors, or windows.

3.

Walls and fences erected in residential districts. Within residential zoning districts (those containing and "R" in the nomenclature), the following provisions shall apply:

A.

Height. Within residential districts, walls and fences shall not exceed six feet in height in front and side yards, nor eight feet in height in rear yards provided, however, six feet fences in front yards shall be no closer to the front property line than the house, apartment or other

structure for living on the property or the front set back line, whichever is greater. Any fence or wall closer to the front property line shall not exceed four feet in height.

B.

Security walls or fences for recreational uses. All fences and guards shall be designed and erected in accordance with the latest adopted International Swimming Pool and Spa Code as amended by the State of Georgia. The fence or screen enclosure shall be equipped with self-closing and self-latching gates. Walls and fences erected for the specific purpose of providing security for accessory recreational uses, such as swimming pools and tennis courts, may be ten feet in height provided such fence shall be setback at least one foot from the property line for each foot it exceeds six feet in height, and provided such accessory recreational use is located within a rear yard. All other provisions pertaining to fences, including design and location shall apply.

C.

Materials. Walls and fences shall be constructed of chain link or other fence wire (excluding barb wire, razor wire, glass shards, or other sharp material), decorative wrought iron, masonry, wood or other materials customarily found within residential areas and shall be designed and constructed so as to be visually compatible with the neighborhood. The use of sheet metal and/or salvage or similar materials is prohibited. Fences shall be constructed so that any structural supports such as posts, rails, etc. shall be facing the property on which the fence is constructed with the opposite side (good side) facing outward towards a neighboring property or right-of-way.

4.

Walls and fences erected in nonresidential districts. Within all other zoning districts, the following provisions shall apply:

A.

Height. Walls and fences erected in business districts shall not exceed eight feet in height and in industrial districts shall not exceed ten feet in height.

(1)

Walls and fences located adjacent to a residential zoning district or to a permitted residential use shall not exceed eight feet in height along rear and side yards or six feet in height in front yards. Wooden fence surfaces other than cypress or cedar shall be painted or stained. Concrete block surfaces shall be painted or stuccoed.

(2)

Walls and fences shall be set back at least five feet from the property line when abutting a residential district or a permitted residential use. The setback area shall be maintained as a landscaped area.

B.

Materials. Walls and fences may be constructed of any material permitted in section 5-207.3, provided that walls and fences erected in industrial districts, when not abutting or adjacent to a residential zoning district or a permitted residential use or located in a front yard, may be constructed of sheet metal, tin, or similar materials. Such materials shall be of a uniform shape, color, and design.

Barbed wire or razor wire may be used for security purposed (*sic*) in business and industrial district along the top of a fence if such fence is six feet or greater in height, and/or for agricultural uses.

5.

Visibility. No wall or fence or similar structure shall be constructed or erected in a manner, which violates the vision clearance requirements of these regulations.

6.

Temporary walls and fences. This section shall not prohibit the erection of temporary fences for construction sites or similar activities for a period of less than 18 months.

7.

Maintenance. All walls or fences shall be properly maintained by the owner. Any missing or damaged parts shall be replaced. Painted surfaces shall be repainted and stucco surfaces repaired as necessary to maintain a finished appearance. Weed growth shall be controlled along the structure and within an appropriate area surrounding the structure. (Council Adopted, 10/10/2012, Amended 12/12/2012)

INTER OFFICE CORRESPONDENCE

TO: Acting Town Administrator, Sean Clayton

FROM: Acting Chief, Brandon Runyon

DATE: April 1, 2024

SUBJECT: Monthly Report for March 2024

POLICE DEPARTMENT:

We had several entering automobiles in the area of the old elementary school in one night. There was no forced entry made into any of the vehicles, and all vehicles were left unlocked. My future goal is to educate the public on the importance of locking their vehicles and not leaving valuable items in plain sight.

The towns/police departments new patrol vehicle# 23-10 is on the street and in-service, and vehicle# 23-09 is outfitted with lights and is going to have the graphics put on April 8th. I expect that this vehicle will be on the road by April 10th or 11th. I have added a picture of vehicle# 23-10 as we have a new graphic designed for the darker vehicle that I believe looks great on the vehicle. The new portable radios were supposed to ship out to Savannah Communications on March 18th, but have since been put on back order until May 30th. This comes due to a government contract and the radios going over to Ukraine.

Lastly, Sgt T. Steeley attended Use of Force Investigations near the end of March and is now certified to investigate use of force incidents. All officers have completed their required yearly governor's initiative training, and almost all have completed the GBI's gang database training which gives each officer access to the database. The database is a great tool and will be put to use to identify any gang activity that we may have in the town.

Call Comparison Between 2023 & 2024

March Avg Response 2:55 From Dispatched to on scene at Emergency.

Department News

Highlighted Projects:

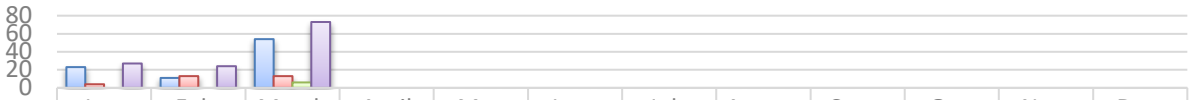

- Ongoing Vehicle Maintenance
  - Squad 52 (BTK501) – Repairs completed by Roberts Diesel, scheduled to go to Palmetto Fire Apparatus for Pump test, Service, and Battery Charger.
  - Squad 501 Received repairs regarding electrical issues.
  - Engine 501 Received need repairs on brake system.
  - Command/Chief 501 Scheduled in April to go to shop for Service.

Chief Report:

- Firefighter Mohler continued to run the day-to-day operations of the Department until my return to duty on March 20, 2024, with Lt. Runyan as Department Head.
- Special Thank You to on-duty staff for while out trimming tree that was overhanging road on Bell Avenue. Unit on scene assisted a citizen who couldn't make it to her mailbox to get her mail. This goes along way for our Citizens.
- Friday March 29, 2024, on-duty staff began helping set up the station and other items for Easter Egg hunt. On-duty staff also assisted on March 30, 2024, for the event.
- 1st Batch of new fire gear that was ordered in December arrived at station and has been placed into service. The 2nd order will be placed in April 2024.
- MES (Municipal Emergency Services) conducted required Yearly Maintenance on JAWS of LIFE and SCBA's.
- Training:
  - FF Mohler attended a GPSTC (Georgia Public Safety Training Center) course at Chatham Fire Department for Live Fire Training (Car Fire).
    - Working with GPSTC to get same training class brought to Thunderbolt soon.
  - FF Mohler will also be attending a NARCAN course giving us access to NARCAN free of charge.
  - Training Calendar will be completed for the remainder of the year by the end of April.
  - Process in now in place for our weekly volunteer training program. All drills are labeled with topics, dates, and times. An email was sent out to all staff and a policy will be drafted describing the responsibilities of volunteers regarding training.
  - Daily Training has increased for the on-duty staff, training was completed to ensure all Career staff know how to enter their training.
  - FF Mohler completed a course with Thunderbolt PD (GCIC Training). This allows FF Mohler to assist in background checks, which is part of our hiring process.

- Communications
    - The radios that were ordered expected shipping date will be May 31, 2024.

Water Report

Water System: GA 0510006 Thunderbolt Water System 1

Collected by Oscar Crosby

Sampling Location: ***Fire Department***
Sample Type: ***Routine***
Lab Sample No.: **121550**

Sample Collected:3/26/2024 08:45
Lab Received: 3/26/2024 10:21
Chlorine Residual: **0.50**

Analyte	Method	Start Date /Time	End Date/Time
Coliform TCR	9223B	3/26/2024 10:30	3/27/2024 13:00

Results:

Detection limits: Absent

Total Coliform: Absent
E. Coli: Absent

Absent *- Total Coliform Absent indicates this sample is suitable for consumer usage. No further action required.*

Present*- Total Coliform Present indicates that disease-causing microbes may be present.*

Report Date: 3/27/2024

Town Clerk Report

Town Website – We are aware there a few errors with the website. I am working on getting those issues fixed as they are brought to my attention. I have no formal web development training, so there is a little but of a learning curve. The online form submission has some issues with delivery to the correct person(s). I have reached out to the website host, Revize, to have this matter fixed. I have not received a response yet.

Short-Term Rental applications – We are currently revising the STR Application for new registrations as well as renewals. We are adding language to make the Hotel/Motel Tax clearer for applicants, better examples of the Good Neighbor letters that are required to be sent, as well as a general clean up of the application itself. We have working drafts of both documents and will be ready to implement the new applications in the coming weeks.

Muni-Code – We are aware that there may be some discrepancies on the Town's Muni-Code. At least one ordinance (Short-Term Rental) needs to be updated. I am investigating and researching to find any other ordinances that have not been updated in Muni-Code. I have spoken to Ellen Ostermeyer with Civic Plus and she has informed me of the proper steps to take to have this updated. Once I identify the changes needed, I will forward to have our website updated.

Back Tax collection is still underway. We had a good response from the initial letter sent out in late December. We will be sending a follow-up letter within the next week to those who still have a remaining balance. Year-to-date collection is $31,998.13.
