SUBJECT: Monthly Report for October 2024

POLICE DEPARTMENT:

We did sell the 2013 Ford Interceptor on GovDeals and the 2017 Ford Interceptor is up for auction. We finally got the Durango back from Woody Folsom Dodge. It had some electrical issues on the front end that were causing it to not start, but that has been repaired and is running like new again.

Lt. Runyon is purging the property room which helps keep it organized and gets rid of property that no long has to be, or needs to be stored. He's been doing this around this same time of year for the last six years and it's made a world of difference of how organized it is now compared to a decade ago.

APO Thompson took a voter fraud report, and investigated that case thoroughly. He found who the offender was from around the Atlanta area, so we reached out to the FBI. FBI said they would open a case on this because they expect to get a lot more of these types of complaints. So, kudos to APO Thompson for doing such a thorough job with this case, a case that the FBI found worthy of opening.

Blue Line Solutions is aware of a camera issue on Whatley Avenue and have issued a work order to get it operational asap. I expect it to be back online sometime next week.

THUNDERBOLT TOWN

BANKING REVIEW FOR 2024 – 2025 AND BEYOND

11-6-2024

1. **After a careful study and the history of banking with the United Community bank, it appears that we need to make a change to another bank.**
2. **The ad hoc committee to meet with potential banks consisted of The Mayor, Mathew Walker and David Crenshaw as well as discussions during Council meetings.**
3. **Meetings with Truist Bank, Bank of America and Bank South. After several meetings with each Bank the committee selected Bank South as Bank South was more aggressive with their charges and interest rates on existing available cash.**
4. **For the checks that the Town receives, Bank South will furnish a remote deposit device located in Town Hall which can be deposited daily or as needed.**
5. **For the cash the Town receives, Bank South will arrange for Loomis armored car service to pick up once a week at no charge to Thunderbolt. This will free up time for the police department that is now delivering to UCB Bank.**

The current plan for the available cash of approximately 10.7 million is as follows:

- **Hold one million with Bank South at their agreed interest of 4.40%. in the general fund for quick access (24 hour available).**
- **Place the balance in the Georgia fund 1 that now is paying 5% +/- with short term rates of 30 to 90 days maturity and is totally guaranteed by the State and the federal government.**
