2. **Roll Call by Presiding Officer with Invocation, followed by the Pledge of Allegiance**

   In attendance were Mayor Dana Williams and Council Members: Bethany Skipper-Greer, Dave Crenshaw, Larry Ward, Ed Drohan, James Lavin and Brooks Barbaree. Staff in attendance were: Katina Spaulding, Utilities/Accts. Payable Manager; Oscar Crosby, Public Works Manager; Sean Clayton, Police Chief; Andrew Bateman, Fire Chief; Bob Milie, Town Administrator; Charlie Barrow, Town Attorney; Deatre Denion, Clerk of Council.

   Mayor Williams stated facemasks are now optional in Town Hall. Mayor Williams asked Clerk of Council Denion to explain the sign in sheet. Clerk of Council Denion stated for record keeping, please print your name and address on the paper provided at the podium before speaking. Town Administrator Milie spoke of the current tornado watch the Town was under. In case there is a need, Chief Clayton and Chief Bateman will lead attendees down to the first floor in the center of the building.

3. **Approval of Meeting Agenda**

   Mayor Williams asked for a motion to approve the agenda. **Council Member Ward made the motion to approve the agenda with a second by Council Member Crenshaw. The motion passed unanimously.**

4. **Approval of Minutes from Previous Meeting**:
   Minutes of February 9, 2022

   Mayor Williams asked for a motion and a second to approve the meeting minutes from February 9, 2022. Council Member Ward made the motion to approve last month's meeting minutes with a second by Council Member Crenshaw.

5. **Presentations:**

   a) **Proclamation in honor of Fred B. Corey**

Mayor Williams read a proclamation in honor of Fred B. Corey. Many family members were in attendance.

b) **Recognition of Officer Charles Wilson**

Mayor Williams recognized Officer Charles Wilson for his work in the capture of the Parker's robber.

c) **Presentations from Recorder Candidates:**

Each candidate below introduced themselves and provided a quick resume asking for citizens of Thunderbolt to vote for them as Recorder's Court Judge.

i) **Richard Sanders –**
ii) Joe Huffman –
iii) Anthony Burton –

d) **Finance Report:**

Ms. Brett was in attendance. Mayor and Council have received the executive summary and the financials. Everything is up to date. The March financials will have a QS1 report to compare with the traditional reports. Ms. Brett stated they were helping Chief Clayton with the asset forfeiture report. They are working with auditors for the audit. Monica Wood is taking the lead with gathering the information the auditors requested. Town Administrator Milie stated Mrs. Wood found some more revenue from last year. Currently the Town has spent 17% of the budget. It is a little over the 16.6% allotted amount but that is normal for the beginning of the year. Council Member Crenshaw asked about being delinquent with a balanced budget. Town Administrator stated we are not delinquent, there will be no penalty.

6. **Consent Agenda:**

a) **Approval of Alcohol License Renewal for Tipsy Turtle -188 Old Tybee Rd**

b) **Approval of Transfer of Alcohol License to Vrinda Investments Inc. – 2301 E. Victory Dr**

e) **Approve New Home Occupation Permit at 3228 Bannon Rd**

f) **Approve New Home Occupation Permit at 3128 Robertson Ave**

Mayor Williams asked for a motion and a second to approve the Consent Agenda. **Council Member Drohan made the motion with a second from Council Member Ward. The motion was unanimously.**

7. **Debate Agenda:**

a) **Approval of the Blessing of the Fleet Event Contract**

Marianne Ganem-Poppell was present. Town Administrator Milie explained the desire of Mayor and Council to bring back the Blessing of the Fleet. There is a loose plan and a budget of $70,000. The date of the event is around Memorial Day. Town Administrator Milie explained Mrs. Ganem-Poppell is working with State Farm to organize the Easter Egg Hunt. Mayor Williams stated starting this event again has to be done correctly so it will stay as an event from here on. This is a way to teach new comers the history of this Town. Ms. Ganem-Poppell stated this is a great opportunity for the Town and the citizens. Town Administrator Milie stated part of the contract is to create a social media presence and will be handled by them for six months. **Council Member Ward made the motion to approve the contract to not exceed $35,000. Council Member Crenshaw**

seconded the motion. Council Member Skipper – Greer asked for more information on social media. Town Administrator Milie stated social media presence is a goal for Mayor and Council. Mrs. Ganem-Poppell will create profiles on Linkin, Facebook and Instagram. This will be for more than one event. Thunderbolt will own everything. Council Member Drohan asked is the Blessing of the Fleet one day. Town Administrator Milie stated it is. Council Member Drohan asked how many are expected. Mrs. Ganem-Poppell stated estimated 2500. Council Member Drohan asked about parking. Mrs. Ganem-Poppell stated she has spoken to some community partners, Johnson High School and TMI about utilizing their property for parking and shuttling them to the event. Council Member Barbaree asked for a comparison to other events in the area. Mrs. Ganem-Poppell stated the Seafood Festival or a 1st Saturday on River Street. Council Member Barbaree asked about vendor sign up. Mrs. Ganem-Poppell stated they will have a registration form to be submitted. Mayor Williams called for the vote. The motion passed unanimously.

b) **Approval of Atlantic Waste Contract**

Town Administrator Milie explained this is not truly a contract. In the current contract if Atlantic Waste's costs go up, they can increase. They have increased their cost to the Town from $19 to $21. Council Member Drohan asked what was in the budget. Town Administrator Milie stated about $20. Town Administrator Milie stated Thunderbolt will eat the cost difference. Council Member Drohan stated we need to look at how we bill for Utilities. If we can reduce cost of mailing out bills, it would assist with this increase. Council Member Crenshaw asked if there is still a kill clause. Town Administrator stated there is. Council Member Lavin asked about the difference in the contract vs what is billed. Town Administrator Milie stated there will be no increase to the citizen. Town Attorney Barrow stated no vote is needed for this item.

c) **Approval of City of Savannah Wastewater Agreement**

Town Administrator Milie explained this is a change required by EPD. There is no financial change. Currently, Public Works does the compliance aspect. EPD now requires the compliance to be completed by the permit holder. Town Attorney Barrow explained there will need to be a minor change in the ordinance to be in compliance with this agreement. Council Member Crenshaw stated for the benefit of the citizens in the audience the contract with Savannah does not end until 2029. Town Administrator Milie stated he met with City of Savannah to open the dialog on more capacity. Council Member Skipper-Greer asked if there is a financial change with this agreement. Town Administrator Milie stated there is not. **Council Member Crenshaw made the motion to approve the agreement with a second by Council Member Drohan. The motion passed unanimously.**

d) **Approval of Website Vendor**

Town Administrator Milie explained the Town solicited six bids. A committee was created to provide input on what is needed. Out of the six bid requests, the current host did not provide a quote. Three quotes were submitted. Revised was the group choice. The new website would allow for sign up to pay for their bills or have them withdrawn from their bank account. Council Member Ward asked about monthly fee. Town Administrator Milie stated it is a $2500 annually fee. Council Member Barbaree asked about a contract. Town Administrator Milie stated there is a set up cost then the annual cost. Mayor Williams stated for his personal business this is the industry standard. Council Member Drohan asked if there is any estimate on the savings. Town Administrator Milie explained he did not have an idea. He is not sure how many will sign up for it. Council Member Skipper-Greer asked staff about their feelings. Clerk of Council Denion stated Revise was her choice for meeting everyone's needs. Council Member Barbaree asked about those for who do not have resources to do so on a computer or smartphone. Town Administrator Milie stated a kiosk has been discussed. Council Member Ward suggested a total cost for the website vendors to have a hard cost. Town Administrator Milie explained there were only two quotes and Town Web is still more. **Council Member Drohan made a motion to go with Revise provided the Council receives a breakdown of total cost. Council Member Ward seconded the motion. The motion passed unanimously.** Town Administrator Milie stated this is within the 2022 budget.

DRAFT

e) **Approval of Host Compliance Vendor**

This is for STR compliance. Host Compliance was less and heads above the other choice. Tybee uses them. Mayor Williams asked if Town Administrator Milie spoke with other communities who used them as a vendor. Town Administrator Milie stated he did call one in Florida and Tybee. **Council Member Ward made motion to approve the choice of Host Compliance as the compliance vendor for STR. Council Member Crenshaw seconded the motion.** Council Member Barbaree asked about rate on number of STR. Town Administrator Milie explained this is based on the 70 number.

Citizen Bethany Skipper – Greer, 3210 Gilreath Street, notice the cost of permit/registration was listed in the cost of the STR permit. Clerk of Council Denion explained the Host Compliance is not doing the actual registration and permitting, that still is what she would have to do. It will provide the platform to submit the registration and permit request. Host Compliance will be doing the monitoring.

Mayor Williams called for the vote. **Council Members Drohan and Skipper-Greer recused themselves. The motion passed unanimously.**

8. **Town Administrator Report:** Town Administrator, Bob Milie

Town Administrator Milie explained the Town did receive the grant for the force main. The good news is the funding will be available next year. We are still waiting to hear on Fire Fighter Assistance Grant. A grant for Senior Citizen Center has been applied for.

Town Administrator Milie asked Chief Clayton to speak on the Blueline Contract. Chief Clayton explained all of the permit applications have been submitted. We are just waiting on GDOT approval. Council Member Crenshaw asked for Chief Clayton to explain the Blueline Contract to those who might not have been in attendance when approved. Chief Clayton explained the contract is for speed camaras for school zone. Maury Gallaher, 25 Bonaventure, asked about placing a camara where there is a school zone sign near his house. It was explained that is not a school zone and should be removed. These cameras are only for school zones and it will be on Whatley.

9. **Department Report –** Written Reports Submitted

by: Police / Municipal Court / Neighborhood Watch – Sean Clayton, Chief of Police - Wiliams stated
Fire –Fire Chief, Andrew Bateman
Public Works Department – Oscar Crosby, Public Works Manager
Crosby spoke on Chlorides 70 parts per mil. 10 parts per mil. – Water cannot be used for well.

Town Administrator Milie stated there needs to be changes to pump station security. The Town is collecting quotes for this change. With gas prices increasing, Town Administrator Milie explained a need for increased security to prevent gas theft.

Town Administrator Milie updated Mayor and Council on the new library tenants. They new tenants have paid for the year in advance. They are painting the building and have chosen a Victory Drive District approved color. Town staff made improvements to plumbing and bathroom for proper functioning.

Town Administrator Milie stated the Customer Service Training has been scheduled for all Town staff to attend. GMA is doing the training on April 11th. He is still working with GMA on an doing an alcohol audit.

Town Administrator Milie met with the new City of Savannah's City Manager. They have opened a dialog about the sewer force main.

DRAFT

Town Administrator Milie gave a Bannon Drive update. Temporary speed bumps have been placed on Bannon Drive. A three way stop sign has been placed on Bannon and George St. Tuberson has been blocked at River Supply preventing thru traffic. There have been complaints about the blocking of Tuberson but none of the complaints have come from those living on Tuberson. Town Administrator Milie explained this is not the final decision on addressing the trucks using Bannon St. The blocking of Tuberson has caused an issue of cars going onto private property to go around the barricade. Police have been stationed there to ticket those who do go around the blockade. Council Member Drohan stated he understands the concern about safety and damage from trucks coming onto Bannon. Steps we have gone to by blocking off Tuberson has stopped trucks but traffic is like water, it goes to least resistance. Council Member Drohan had a traffic expert come and look at the issue. One option is to use Whatley to Falligant, unfortunately there is an ordinance making it unlawful for large truck to use Whatley Ave, south of Gilreath. We have a weight limit in Town for 2 and 3 axle trucks but not 5 axles. This needs to be address. Council Member Drohan asked Sue DeLarosa, 3215 Bannon, to come forward and speak of the traffic before the barricade and after. Ms. DeLarosa stated when Tuberson was blocked off it went silent. When the truck ordinance was passed, they did not follow going one way.

Ms. Yvonne Feltovic, 3220 Gilreath stated she has seen 18 wheelers backing up to River Drive. She expressed her dislike for Tubberson being blocked off and there being too many stop signs on Bannon St. She stated it seems excessive. Ms. Feltovic stated if you are going to place more stop signs, Gilreath needs some to stop drivers from flying down the street.

Council Member Crenshaw came before Council and citizens and referenced the last meeting. He stated his integrity has been questioned. He asked each of his neighbors to come forth and speak on his behalf. John Cheeks,2711 River Dr, stated Council Member Crenshaw's backyard adjoins my backyard. Mr. Cheecks stated he did not have a problem with the business. The business has been in operation for a good 15 years. Mr. Cheecks stated this was never a problem until this election.

Krista Kilburn, 3215 Center Street, stated she is a new resident and lives right across the street from Council Member Crenshaw. There is no activity or noise coming from the business. She has no issue with Council Member Crenshaw having his business there.

Evan Parker, 3217 Center Street, stated he purchased his home two years ago. He stated he did not buy a house to have an AirB&B to have strangers coming and going. He likes the safety aspect of having the Council Member Crenshaws business knowing they are there certain times and knowing who is across the street. Mr. Parkere stated he appreciateed the neighbors he has.

Council Member Crenshaw stated Emile Bootsma, another neighbor is in the audience but for time he would stop there.

Stella Lavin, 3125 Robertson Avenue, stated why she brought this up was whether Council Member Crenshaw had a license. She stated she did not have issue with the business.

10. **Legal Report – Town Attorney**

11. **Mayor and Council –**
    a) Water & Sewer Committee – Council Member Drohan
    See notes

Council Member Drohan discussed the cost and savings of utilizing graywater.

Current vs Graywater Systems Using W&S Fees Effective 3/1/2022

	Current System	Graywater System	Net Gain/Savings

DRAFT

Average Usage	6500 gal	6500 gal	
Customer Fee BR $22.55+ Usage $45.08=	80.08	80.08	
Sewage Processed	6500 gal	2600 gal (@40%)	
Savannah Charge	38.06 (6500 gal)	15.22 (2600 gal)	
Net to T'Bolt	42.02	64.86	$22.84/unit/month
100x12	50,424	77,832	

Net Income Gain

Net to T'Bolt Pre Rebate	42.02	49.64	$7.62/unit/month

Net Cash Flow Gain

Current System	Graywater System
$0.00	$22.84 + $7.62 = $30.44/unit/month

Annual Gross Cash Flow Gain	=	$30.44 x 12 = $365.28/year/unit
Gain with 100 units	=	$36,528.00
Gain Over 10 years	=	$365,280.00

Rebate Considerations

Gross Cash Flow Gain	$30.44 x 12 x 100 x 10 years =	$365,280.00	
10 Year Cost of Rebate @ 100% Savannah Fee	$15.22 x 12 x 100x 10 =	$182,640.00	($1826.40/unit)
10 Year Net Gain in T'Bolt Cash Flow		= $182.640.00	

At this point while the benefits of a graywater system are clear, the cost of establishing a passive graywater system in a residence is unclear. I am requesting that I be allowed to create a passive graywater system at my home. I will pay for the entire system out of my own pocket and I will return the plumbing to any state required by code should this system prove unworkable.

My hope is to create a baseline cost for a residential graywater system that will fall within the 10-year rebate horizon of $1826.40.

Shallow Well Options

Utilizing shallow wells to water residential landscape areas has been long discussed as a central part of water management in the Town of Thunderbolt. The recent challenge regarding this strategy has been the significant increases in costs to have these wells drilled commercially.

In my own situation, I ultimately failed to complete my well by hand due to the density and depth of the dense gray clay substrata directly above the subsurface water that often runs 6 to 10 feet deep, depending upon your location. At

DRAFT

that time, I did turn to a commercial well digging company to complete the project. The price of that time was reasonable and given my strong emphasis on conservation practices, I saw this as a reasonable and conservation friendly decision on my part.

Current Cost Challenges

Recent reports regarding citizens desiring shallow wells have been in the $4000 range. By all estimates, these current costs will easily surpass whatever savings one might gain from reduced possible water usage for landscape purposes, even if one were to project the savings over a 10-year horizon. As a result, a commercial model for the creation of shallow wells locally becomes problematic.

Past Practices

In the past, to minimize the costs associated with these projects, there have been groups of three or four neighbors who have cooperatively drilled wells by hand and as a result, came up with a very cost-efficient and conservation friendly solution to providing water for our yards and gardens.

Citizens' Conservation Committee

One of my thoughts has been the creation of a Citizens' Conservation Committee that would be made up of interested residents of the Town of Thunderbolt who, in conjunction with the ad hoc Committee on Water and Sewer, provide feedback to the Council regarding the attitudes of the citizens of Thunderbolt relative to water conservation practices.

This committee could also be a mechanism whereby citizens could work as a team to create shallow wells for one another.

This could as well be a mechanism for citizens interested in a shallow well for their property, who because of financial concerns or physical capacity cannot create a shallow well on their properties by themselves to benefit from the community spirit inherent in this type of organization.

"To Be or Not To Be"

During the last election cycle, there was a great deal of discussion with regards to creating a greater sense of community and what has become a rapidly changing social and physical landscape in the Town of Thunderbolt.

I consider this an opportunity for the citizens of Thunderbolt, with the support of the Town Council and the town administration to advance the concepts of "neighborliness" and "helping out the other guy" as a part of the experience of being a resident and citizen and the Town of Thunderbolt.

DRAFT

Mayor Williams asked for a motion and a second to move into Executive Session. **Council Member Ward made the motion with a second from Council Member Crenshaw. The motion passed unanimously.**

12. **Executive Session-** Mayor requests a motion and a second to recess into executive session for the purpose of Legal and/or Personnel matters.

    Mayor Williams asked for a motion to reconvene in open session **Council Member Crenshaw made the motion with a second from Council Member Ward. The motion passed unanimously.**

13. **Approval of Museum Lease Agreement**

    Town Administrator explain this is a lease that has been reviewed by Town Attorney Barrow and Council. Staff recommends to approve for the rest of the year. It does have a sunset clause for Dec. 31. **Council Member Drohan made the motion to accept as written. Council Member Skipper-Greer seconded the motion. The motion passed unanimously.**

    Anna Maria Thomas thanked Mayor and Council and stated the museum would be open starting April 6th.

    Mayor Williams asked for a motion and a second to adjourn the meeting. **Council Member Ward made the motion with a second from Council Member Crenshaw. The motion passed unanimously.**

14. **Adjournment:**

    Meeting adjourned at 9:17 pm.

Lemonade Day is good for kids, good for business and good for Chatham County. Cities and local businesses within Chatham County are joining forces to bring this innovative program to Thunderbolt and surrounding communities.

Lemonade Day is a non-profit program dedicated to teaching children how to start, own and operate their own business through the simple and time-honored act of building and running a lemonade stand.

Lemonade Day provides youth with materials and support free to them, thanks to local sponsors. The young entrepreneurs who participate in the program earn money and are taught to “spend a little, save a little and share a little,” donating a portion of their profits to any local charity of their choice.

Lemonade Day is a day of learning and celebrating Thunderbolt’s future. On May 7th, every citizen has a job-either buying or helping children sell lemonade. The citizens of Thunderbolt are encouraged to simply purchase a cup of lemonade from one of the youth participating the program to demonstrate how our community cares for the future of youth. **Lowcountry Lemonade Day** is a national program presented locally by Jenny Rutherford Real Estate, who is dedicated to providing an entrepreneurial education program infused with life skills and character education to our community.

The City of Thunderbolt salutes and commends the sponsors, organizers and participants of this innovative program, and extends best wishes for a successful and rewarding observance.

Therefore, I, Dana Williams, Mayor of the City of Thunderbolt, hereby proclaim May 7, 2022, as

Lowcountry Lemonade Day

In Thunderbolt, Georgia

In Witness Whereof, I have hereunto set my hand and have caused the Official Seal of the City of Thunderbolt to be affixed this day.

Proclamation for Sexual Assault Awareness Month 2022

Whereas: The Town of Thunderbolt recognizes that sexual violence has a traumatic effect on many of our citizens, including women, men, and children; and

Whereas: Most victims of sexual violence know their assailant and most attacks happen in their own home; and

Whereas: Sexual violence is an act of power and intimidation in which the victim feels powerless to control what is happening; and

Whereas: Most sexual crimes are not reported because the victims are fearful of retribution or fearful of being blamed for the crime against them; and

Whereas: Mary's Place: Advocacy, Prevention, and Sexual Assault Center of the Coastal Empire Inc (formerly the Rape Crisis Center) is one of the partner agencies of the Sexual Assault Response Team to address the community's response to victims who report the crime; and

Whereas: Mary's Place works closely with local hospitals, Chatham County Law Enforcement Agencies, and the District Attorney's office to ensure that victims are supported through the court system; and

Whereas: When the COVID-19 pandemic hit in 2019, Mary's Place staff reworked its services to continue to meet the critical needs in our community; and

Whereas: Direct advocacy and support continued, and individual therapy and support groups were adjusted; and

Whereas: The prevention programs conducted by Mary's Place continues both in-person and virtually, reaching more than 5,000 people; and

Whereas: To continue to meet the needs of Spanish-speaking survivors in our community, Mary's Place employs a bilingual advocate through funding from the Sexual Assault Service Program; and

Whereas: The crisis intervention and prevention programs of the Mary's Place are making a difference in the lives of the residents in the Town of Thunderbolt.

NOW, THEREFORE, I, Dana Williams, Mayor of the Town of Thunderbolt, do hereby proclaim the month of April 2022 as:

Sexual Assault Awareness Month
in Thunderbolt, GA
[on 13th day of April, 2022]

Town of Thunderbolt Procurement Policy

General

The intent of this policy is to provide the guidelines for purchasing that will ensure that any expenditure of public funds by Town Departments will be consistent with these policies approved by the Town Council. The goals of the organization as well as the overall risk of fraud and/or misconduct were the main priorities when designing this purchasing policy. The Town of Thunderbolt is not a large municipality, so many procurement and complex purchasing policies are not applicable, or may lead to overcomplicated policies that hard are to follow and only result in confusion, frustration and unnecessary paperwork. When designing this policy, streamlined procedures were also taken into consideration without jeopardizing internal controls.

Guidelines

Delegation of Authority – the Town Administrator shall be responsible for the implementation of this policy. The Town Council shall be notified in writing, via Administrator e-mail, of all contracted expenses of $25,000 or greater.

Acceptance of Bids or Quotes – the Town reserves the right to accept a bid, quote or proposal which is determined to be the most beneficial to the Town, as well as the right to reject any or all bids or quotes.

Contracts – All contracts must be in writing, reviewed and signed off on by the Town Attorney and authorized by Town Council with authorization recorded in the minutes of the council meeting.

Efficient Purchasing – Every department should strive to purchase the goods and services in the appropriate quantities for its foreseeable needs of the department which will maximize any possible discounts and ensure an efficient purchasing process that conserves staff time. Departments should work together while purchasing. Specifications and details for Bids and RFPs should be established by the respective department and provided to the Town Administrator / Designee for organization and publication. It is not the responsibility of the Town Administrator / Designee to create the specifications for any given department.

Compliance with Adopted Budget – No purchase which would have the ability to exceed the Adopted Budget total for the Department may be authorized by a Department Head. The Town Administrator may approve such purchases after notifying the Town Council of the intent and the circumstances that require such action, including the funding sources.

Quality – The quality and service of any purchase is just as important as the price. It is the duty of each department to secure the best quality for the purpose intended. Quality buying is the buying of goods and services that will meet the requirements for which they are intended.

Sales Tax – The Town is generally exempt from paying all local and state sales taxes or Federal Excise taxes. The Town Administrator / Designee can provide any of the necessary exemption documentation to vendors upon request. If the Town purchases property and furnishes that property to a contractor for use in a construction, renovation or repair project, the Town will provide advance written notice to the contractor of the amount of tax owed for the property and that the payment of that tax is the responsibility of the contractor.

Endorsements – Neither the Town's name, or any employee's name or position is to be used to endorse/support any product or vendor, unless specifically authorized by the Town Council.

Ethics Laws – Public Officials and all employees of the Town are to comply with all federal, state and Town ethics laws regarding conflict of interest and purchase decisions.

Purchasing Procedures

The following procedures have been established, and are subject to certain exceptions and other criteria as noted under "Special Requirements" below, in order to regulate the Town's purchases, services, depending on the type and cost of the purchase. Well maintained and updated documentation is to be kept in order to insure that vendors are treated fairly and in the Town's best interests.

Purchases of goods and services, equipment and non-construction capital projects under $15,000

Department Heads are authorized to make any purchase under $15,000 which is included in the annual budget adopted by the Town Council. Every Department Head may also designate an employee, with proper written notice to the Town Administrator for approval, with the authority to make such purchases.

Purchases of goods and services from $15,000 to $50,000

The Town Administrator is authorized to approve any purchases up to $50,000 if the item/service has been included in the annual budget adopted by the Town Council. Prior to the Town Administrator approving any purchase from $15,000 to $50,000, the Department Head must either (1) obtain three written quotes or (2) explain why three written quotes could or need not be obtained. A summary of the quotes or explanation of why three written quotes was not necessary shall be attached to the payment authorization.

The Town Administrator may waive the requirement for three quotations for purchases from the State's cooperative purchasing program and other multi-jurisdictional purchases, and for annual professional service consulting contracts for legal, informational technology, financing, auditing, engineering services for operational support and for capital projects.

Capital Purchases over $50,000

The Department / Engineer shall prepare specifications and requirements, as appropriate, in order to meet the Town's capital needs. These specifications and requirements will be forwarded to the Town Administrator & Council for approval. Upon approval, the Department Head will prepare the necessary bid package or request for proposal to provide the Town Administrator /

Town Attorney for review and approval prior to public notice and advertisements, including invitation to bid or request for proposal to qualified vendors. If applicable, the bid or proposal shall address anticipated or proposed financing arrangements.

Upon completion of the bidding period, all bids will be opened and tallied, and turned over to the Department Head for review. The Department Head will prepare a draft memo to the Town Administrator, which will include the Department Head's recommendation for the bid award. Upon approval by the Town Administrator, the bid award shall be presented to the Town Council for approval.

The bid award will normally be made to the lowest qualified bidder meeting the specifications and requirements, although there may be instances when the lowest bid is not in the best interest of the Town. In these cases it is the responsibility of the Department Head to adequately document the reasoning why the lowest bidder should not be selected.

The Town also reserves the right to select or reject a vendor based on the best interest of the Town, including but not limited to prior service and experience with a vendor.

Special Requirements

Sole Source – In the event that there is only one vendor capable of providing a particular good or service, then the competitive bid or request for proposal procedures outlined in this policy can be waived by the Town Administrator. When a Department Head determines that goods and services must be purchased by a "sole source vendor", the Department Head shall document in writing why only one company or individual is capable of providing the goods or services needed. The documentation should be submitted to the Town Administrator for approval.

Cooperative Purchasing Programs – Departments are encouraged to use cooperative purchasing programs sponsored by the State or other jurisdictions. Such programs prove advantageous by taking advantage of large quantity purchases made by such cooperatives.

Professional Services – Normal competitive procedures are not ordinarily utilized in securing professional services for attorneys, engineers, accountants, planners, and other professional people who, in keeping with the standards of their discipline, will not enter into a competitive bidding process. A Request for Proposal (RFP) or Request for Qualification (RFQ), while not always required to secure professional services, may be required at the direction of the Town Administrator or the Town Council.

These documents shall be submitted to the Town Administrator & Council for approval prior to their distribution. When an RFP/RFQ for professional services has been approved, a limited number of qualified professionals known to the Town will be invited to submit a proposal setting forth their interest, qualifications and how they can meet the Town's needs. In securing professional services, it is the primary goal of the Town to obtain the services of professionals who have a proven record of providing those services. A contract will then be negotiated with the professional that has best met the needs of the Town. Contracts for legal, auditing, financial,

technology, compliance and general engineering services may be made for one year with annual extension or on a continuous basis until terminated.

Emergency Purchases – The procedures in this policy may be waived by the Town Administrator under emergency conditions when a delay in the purchase will threaten the basic mission of a department. Emergency conditions are considered unforeseen circumstances, where the need for immediate corrective action is absolutely necessary.

Petty Cash Accounts – A petty cash fund has been established for emergency purchases under $50. Any purchase over $50 must follow regular purchasing procedures. The petty cash fund will be managed by the Town Administrator / Designee, reconciled and replenished on a monthly basis. Receipts must be maintained for all purchases and included in monthly reconciliation.

Town Credit Cards – Town credit cards may be issued to Department Heads as approved by the Town Administrator for purchases not to exceed $5,000. The responsible Department Head shall attach receipts to the credit card bill for all charges. Failure to attach receipts for all purchases shall result in the Finance Administrator rescinding the Department's use of the credit card.

The use of the Town credit card(s) for personal use, even for a very short period of time, is strictly prohibited and may be grounds for disciplinary action.

Specifications

When goods and services are to be purchased through the competitive process detailed in this policy, specifications (specs) must be prepared to meet the following goals:

- Identify the minimum requirements needed
- Allow for a competitive bid or quote, when possible
- Be capable of objective review
- Provide for an equitable award at the lowest possible cost

General Guidelines – Specifications should be kept in a manner that is as simple as possible while still allowing for the exactness required in order to keep bidders from utilizing loopholes to avoid providing the quality desired or take advantage of their competitors. To promote the best possible competition for a product or service, specifications should be written in clear simple language, free of vagueness or anything that would be subject to variations based on interpretations.

If the specifications include optional goods or services, they must be defined and identified separately so that the base cost can be clearly determined compared to the cost(s) of the options. If the options are included, the Bid Tabulation Report will have to identify the different costs of the options.

Accounts Payable Process

Purchases under $15,000 – all purchases under $15,000 that are properly included in the approved annual budget must be approved by the respective department head or designee.

An invoice or contractor's application for payment must submitted for payment. Invoice(s) must list order date, invoice number, quantity, description of good or service, due date, and itemized amount(s) on each invoice. Additionally, each invoice must indicate the appropriate budget account with respective department head signature. Any invoice submitted for payment that does not include the above specification will be rejected for payment. It is the responsibility of the respective department head to ensure there are budget funds available prior to initiating a purchase.

Purchases under $15,000 that are not included in the annual budget must have an approved budget amendment prior to initiating. A copy of the approved budget amendment must be attached to the invoice before payment.

Purchases from $15,000 to $50,000 – all purchases from $15,000 to $50,000 that are properly included in the approved annual budget must have obtained written quotes for the specific product, contract or service. Since this method does not required sealed bids, the Town will allow either mailed, faxed or emailed quotes, as long as they contain the date, a clear description of the product offered, its price, and any delivery terms, and the name and position of the company representative who has prepared the quote. All purchase orders over $15,000 must have the Town Administrator's approval.

Invoice(s) must list order date, invoice number, quantity, description of good or service, due date, and itemized amount(s) on each invoice. Additionally, each invoice must indicate the appropriate budget account with respective department head signature. Any invoice submitted for payment that does not include the above specification will be rejected for payment. It is the responsibility of the respective department head to ensure there are budget funds available prior to initiating a purchase.

Purchases from $15,000 to $50,000 that are not included in the annual budget must have an approved budget amendment prior to initiating. A copy of the approved budget amendment must be attached to the invoice before payment.

Purchases over $50,000 – all purchases over $50,000 that are properly included in the approved annual budget must use a purchase order after a contract has been awarded. All purchase orders over $50,000 must have the Town Administrator's approval.

Once a purchase order has been approved by the Town Administrator, an invoice or contractor's application for payment must be attached to the approved purchase order when submitted for payment. Invoice(s) must list order date, invoice number, quantity, description of good or service, due date, and itemized amount(s) on each invoice. Additionally, each invoice must indicate the appropriate budget account with respective department head signature. Any invoice submitted for payment that does not include the above specification will be rejected for

payment. It is the responsibility of the respective department head to ensure there are budget funds available prior to initiating a purchase.

Purchases over $50,000 that are not included in the annual budget must have an approved budget amendment prior to initiating. A copy of the approved budget amendment must be attached to the invoice before payment.

Leases

In some circumstances, tax-exempt leasing serves as an alternative to issuing municipal bonds or using current revenues to finance large projects or purchases. When considering a capital lease alternative, the following factors and guidelines should be adhered to:

1. Determine the future financial impacts lease payments are on an annual basis, including the term of the lease. The term of the lease should not exceed the useful life of the asset.
2. Determine the necessity for the proposed project / purchase. The necessity for the project / purchase, rather than the expediency of its financing, should justify the funding decision.
3. Evaluate the cost-effectiveness of tax-exempt leasing. We should not lease small equipment out of habit. By paying for certain equipment items out of current revenues, we avoid interest charges all together.
4. When tax-exempt leasing is preferable, unless determined to be financing unfavorable, the Town will use a master lease through GMA.
5. All leases must be handled in the same manner, with same requirements, as above purchasing guidelines.
6. Lease agreement must be reviewed and approved by Town Administrator and Town Attorney prior to execution.

Check Signatures

All checks need to have the signature of the Town Administrator / Designee as approved by Town Council. All checks over $15,000 must have the signature of the Town Administrator.

Council Review

A check register summarizing vendor, description and amount will be provided to Town Council on a monthly basis for review.

Periodic Review

This policy will be reviewed by the Town Council every five years following its adoption, or sooner, at the discretion of the Town Council.

Terms and Conditions for Vendors

As appropriate, the vendor or service provider will be provided a copy of the Town of Thunderbolt Island Term and Conditions and/or Contract Addendum and be informed that such additional terms apply to and govern the purchase.

GENERAL PROVISIONS

1. The applicant shall contact Thunderbolt Administration (912)-354-5533, ten (10) days prior to start of construction to coordinate work with these departments, including locating water and sewer mains.
2. The applicant is required to maintain a minimum of ten feet (10') horizontal when possible and eighteen inches (18") vertical separation between utilities (gas, telephone, power, cable TV) and any water lines, sanitary sewer lines, and/or storm water lines.
3. Where pavement surfaces are excavated, restoration should be completed within 48 hours.
4. If work is to be done within ten feet of high-voltage line, the “High Voltage Safety Act” requires the person responsible for such work to call 72 hours (excluding weekends & holidays) before commencing such work. Call (912)-354-5533.
5. Applicant must comply with Town erosion and sediment control ordinances. Erosion and sediment control is required. Disturbed right-of-way must be protected from erosion. Any sediment entering Town drainage systems shall be removed. If not removed properly the Town reserves the right to fine the vendor / applicant, as well as the applicant agrees to reimburse the Town for any and all fines levied against the Town or remediation costs.
6. Disturbed areas shall be stabilized and re-grassed once work is completed. New sod must be watered until survival is assured.
7. Roots, trunk, and branches of Town trees shall not be cut, pruned, or removed without prior consent from the Department of Public Works. It is not permissible to store material, soil, equipment, machinery or vehicles within the drip line of a tree. All utility installation within the drip line of a tree shall be done using jack, bore, or air spade technology only. Contact us at (912)-354-5533, with questions.
8. No trench / disturbance in pavement shall be kept open more than five days (permit void after this date). If work cannot be completed within the dates specified, a written request for extension must be made to the Permitting Director, ddenion@thunderboltga.org - 2821 River Dr, Thunderbolt, GA 31404 or fax to (912) 354-2038

9. Approval of this work permit does not permit detouring of traffic or street closing unless specifically approved by the Permitting Director. Method of street closing or traffic detour must accompany permit application.
10. Exposed concrete shall be tinted per Town standards.
11. Applicant shall comply with the Town of Thunderbolt Traffic Controls for temporary street construction and maintenance as well as the latest edition of The Manual on Uniform Traffic Control Devices (MUTCD) and is responsible for providing all traffic control devices at their own expense.
12. Applicant must comply with all Town parking regulations. If you have any questions about parking, please contact the Permitting Department at (912) 354-5533.

The applicant shall assume all liability for and save the Town of Thunderbolt, its agents and employees harmless from any and all claims for damages, actions, or causes of action arising from work done under this permit.

(I, we) the undersigned herewith accept the terms, conditions and general provisions of the regulation as laid down by the Town of Thunderbolt and agree to fully comply therewith to the satisfaction of the Permitting Director.

Your Responsibilities

The engagement will be conducted on the basis that management acknowledges and understands that our role is to accomplish the objectives detailed above. Management has the following overall responsibilities that are fundamental to our undertaking the engagement:

1) The selection of accounting principles generally accepted in the United States of America as the financial reporting framework to be applied in the preparation of the financial information.
2) The preparation and fair presentation of the accounting services in accordance with accounting principles generally accepted in the United States of America.
3) The design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.
4) The prevention and detection of fraud.
5) To ensure that the entity complies with the laws and regulations applicable to its activities.
6) The accuracy and completeness of the records, documents, explanations, and other information, including significant judgments, you provide to us for the engagement.
7) To provide us with—
    - access to all information of which you are aware is relevant to the completion and fair presentation of accounting services, such as records, documentation, and other matters.
    - additional information that we may request from management for the purpose of the accounting services.
    - unrestricted access to persons within the Town of whom we determine it necessary to make inquiries.

You are also responsible for all management decisions and responsibilities and for designating an individual with suitable skills, knowledge, and experience to oversee the accounting services. The reconciliations, schedules, and other documents prepared will not be accompanied by a report. You agree that the financial statements and reports will clearly indicate that no assurance is provided on this information. You are responsible for evaluating the adequacy and results of the accounting services performed and accepting responsibility for such services.

Other Relevant Information

In order to complete our work efficiently, we anticipate cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the work performed. Our fees will be billed monthly based on the type and timing of our services. Below is a schedule showing an estimated range of fees.

draft

Activity	Timeframe	Estimated Fee Range
Ongoing Services	June 2022 - May 2023	$3,400 - $3,800 per month
Annual / Special Services, as requested	June 2022 - May 2023, expected to be highest during December - April	$125 per hour ($13,400 - $18,900) per year

The estimated hours are based on our discussions with you and our accounting work provided during the months of December 2021 – March 2022. In the event actual hours are on track to differ from the estimated hours, we will communicate with you as soon as we become aware of such a situation and before we incur additional costs.

Either party (the Town or our accounting firm) has the right to terminate this contract with reasonable cause by providing 30 days' notice. In the event of such termination, accounting services outlined above will be provided through the termination period and will be billed accordingly.

You agree to hold us harmless and to release, indemnify, and defend us from any liability or costs, including attorney's fees, resulting from management's misrepresentations to us.

We appreciate the opportunity to be of service to you and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you acknowledge and agree with the terms of our engagement as described in this letter, please sign the enclosed copy and return it to us.

Sincerely,

Holland, Bromley, Barnhill & Brett, LLP

Service Level Agreement

Maximum Response Times via Severity Level

- 1 hour for crisis issues
- 4-6 hours for critical issues
- 24 hours for normal issues

Crisis issues are defined as when a website error renders the CMS program or website completely unusable or nearly unusable or introduces a high degree of operational risk and no workaround is available. Till this every error is resolved, the website is essentially halted. A large number of users and or core program functionality a severely impacted.

Critical issues are defined as website errors that are an inconvenience or causes a consistent behavior of the website, which does not impede the normal functioning of the website. It could be an error that occurs consistently and affects non-essential functions and is an inconvenience which impacts a small number of users. May also contain visual errors for the graphical display of the website that is not ideal but still functioning correctly.

Normal issues are defined as an error that has a small degree of significance or is a minor cosmetic issue, or is a one-off case. A one-off case occurs when the error occurs and cannot be reproduced easily. These are errors that do not impact the daily use of the website. A low error is something that does not affect normal use, and can be accepted for a period of time, but user would eventually want changed.

Technical Support Escalation:
If an issue cannot be remedied by the Tech Support technician within 3 days, it will be escalated to the CTO, Ray Akshaya. If the problem is not resolved within 3 business days, then the Business Development Director, Joseph Nagrant, will assemble a team to work on the issue and have a conference call with the client explaining the resolution path the company will take to resolve the issue. If additional time is needed, the Business Development Director will contact the client and notify the client with an explanation and a follow up date as agreed by both the client and Revize.

GRANICUS

Master Subscription Agreement

This Master Subscription Agreement ("**Agreement)** is made by and between the party procuring Granicus Products and Services ("**Client**") and Granicus, LLC, a Minnesota Limited Liability Company d/b/a Granicus ("**Granicus**"). Client and Granicus may each be referred to herein as "Party" or collectively as "Parties".

By accessing the Granicus Products and Services, Client accepts this Agreement. Due to the rapidly changing nature of digital communications, this Agreement may be updated from time to time at Granicus' sole discretion. Notification to Client will be via email or posting to the Granicus website.

1. **Definitions.** In addition to terms defined elsewhere in this Agreement, the following terms shall have the meaning specified:

   "Agreement Term" means the total time covered by the Initial Term and all Extension Terms for each Order or SOW under this Agreement, further specified in Section 7.1.
   "Extension Term" means any term that increases the length of the Initial Term of this Agreement or an Order Term of an Order or SOW.
   "Granicus Products and Services" means the products and services made available to Client pursuant to this Agreement, which may include Granicus products and services accessible for use by Client on a subscription basis ("Software-as-a-Service" or "SaaS"), Granicus professional services, content from any professional services or other required equipment components or other required hardware, as specified in each Order or SOW.
   "Initial Term" shall have the meaning specified in Exhibit A or Order or SOW between Granicus and Client for the first duration of performance that Client has access to Granicus Products and Services.
   "Order" means a written order, proposal, or purchase document in which Granicus agrees to provide and Client agrees to purchase specific Granicus Products and Services.
   "Order Term" means the then-current duration of performance identified on each Order or SOW, for which Granicus has committed to provide, and Client has committed to pay for, Granicus Products and Services.
   "**Statement of Work"** or **"SOW"** means a written order, proposal, or purchase document that is signed by both Parties and describes the Granicus Products and Services to be provided and/or performed by Granicus. Each Order or SOW shall describe the Parties' performance obligations and any assumptions or contingencies associated with the implementations of the Granicus Products and Services, as specified in each Order or SOW placed hereunder.
   "Support" means the ongoing support and maintenance services performed by Granicus related to the Granicus Products and Services as specified in each Order or SOW placed between the Parties.

2. **Ordering and Scope**
   2.1. **Ordering Granicus Products and Services.** The Parties may execute one or more Order or SOW related to the sale and purchase of Granicus Products and Services. Each Order or SOW will generally include an itemized list of the Granicus Products and Services as well as the Order Term for such Granicus Products and Services. Each Order or SOW must, generally, be signed by the Parties; although, when a validly-issued purchase order by Client accompanies the Order or SOW, then the Order or SOW need not be executed by the Parties. Each Order or SOW shall be governed by this Agreement regardless of any pre-printed legal terms on each Order or SOW, and by this reference is incorporated herein.

2.2. Support. Basic support related to standard Granicus Products and Services is included within the fees paid during the Order Term. Granicus may update its Support obligations under this Agreement, so long as the functionality purchased by Client is not materially diminished.

2.3. Future Functionality. Client acknowledges that any purchase hereunder is not contingent on the delivery of any future functionality or features.

2.4. Cooperative Purchasing. To the extent permitted by law and approved by Client, the terms of this Agreement and set forth in one or more Order or SOW may be extended for use by other municipalities, school districts and governmental agencies upon execution of an addendum or other duly signed writing setting forth all of the terms and conditions for such use. The applicable fees for additional municipalities, school districts or governmental agencies will be provided by Granicus to Client and the applicable additional party upon written request.

3. Use of Granicus Products and Services and Proprietary Rights

3.1. Granicus Products and Services. The Granicus Products and Services are purchased by Client as subscriptions during an Order Term specified in each Order or SOW. Additional Granicus Products and Services may be added during an Order Term as described in Section 2.1.

3.2. Permitted Use. Subject to the terms and conditions of this Agreement, Granicus hereby grants during each Order Term, and Client hereby accepts, solely for its internal use, a worldwide, revocable, non-exclusive, non-transferrable right to use the Granicus Products and Services to the extent allowed in the relevant Order or SOW (collectively the "Permitted Use").

3.2.1. Data Sources. Data uploaded into Granicus Products and Services must be brought in from Client sources (interactions with end users and opt-in contact lists). Client cannot upload purchased contact information into Granicus Products and Services without Granicus' written permission and professional services support for list cleansing. Granicus certifies that it will not sell, retain, use, or disclose any personal information provided by Client for any purpose other than the specific purpose of performing the Services outlined within this Agreement.

3.2.2. Passwords. Passwords are not transferable to any third party. Client is responsible for keeping all passwords secure and all use of the Granicus Products and Services accessed through Client's passwords.

3.2.3. Content. Client can only use Granicus Products and Services to share content that is created by and owned by Client and/or content for related organizations provided that it is in support of other organizations but not as a primary communication vehicle for other organizations that do not have a Granicus subscription. Any content deemed inappropriate for a public audience or in support of programs or topics that are unrelated to Client, can be removed or limited by Granicus.

3.2.3.1. Disclaimers. Any text, data, graphics, or any other material displayed or published on Client's website must be free from violation of or infringement of copyright, trademark, service mark, patent, trade secret, statutory, common law or proprietary or intellectual property rights of others. Granicus is not responsible for content migrated by Client or any third party.

3.2.4. Advertising. Granicus Products and Services shall not be used to promote products or services available for sale through Client or any third party unless approved in writing, in advance, by Granicus. Granicus reserves the right to request and review the details of any agreement between Client and a third party that compensates Client for the right to have information included in Content distributed or made available through Granicus Products and Services prior to approving the presence of Advertising within Granicus Products and Services.

3.2.5. Granicus Subscriber Information for Communications Cloud Suite only

3.2.5.1. Data Provided by Client. Data provided by Client and contact information gathered through Client's own web properties or activities will remain the property of Client ("Direct Subscriber"), including any and all personally identifiable information (PII). Granicus will not release the data without the express written permission of Client, unless required by law.

3.2.5.2. Granicus shall not disclose the client's data except to any third parties as necessary to operate the Granicus Products and Services (provided that the client hereby grants to Granicus a perpetual, noncancelable, worldwide, non-exclusive license to utilize any data, on an anonymous or aggregate basis only, that arises from the use of the Granicus Products and Services by the client, whether disclosed on, subsequent to, or prior to the Effective Date, to improve the functionality of the Granicus Products and Services and any other legitimate business purpose including the right to sublicense such data to third parties, subject to all legal restrictions regarding the use and disclosure of such information).

3.2.5.3. Data Obtained through the Granicus Advanced Network

3.2.5.3.1. Granicus offers a SaaS product, known as the Communications Cloud, that offers Direct Subscribers recommendations to subscribe to other Granicus Client's digital communication (the "Advanced Network"). When a Direct Subscriber signs up through one of the recommendations of the Advanced Network, that subscriber is a "Network Subscriber" to the agency it subscribed to through the Advanced Network.

3.2.5.3.2. Access to the Advanced Network is a benefit of the GovDelivery Communications Cloud subscription with Granicus. Network Subscribers are available for use only on the GovDelivery Communications Cloud while Client is under an active GovDelivery Communications Cloud subscription. Network Subscribers will not transfer to Client upon termination of any Granicus Order, SOW or Exhibit. Client shall not use or transfer any of the Network Subscribers after termination of its Order, SOW or Exhibit placed under this Agreement. All information related to Network Subscribers must be destroyed by Client within 15 calendar days of the Order, SOW or Exhibit placed under this Agreement terminating.

3.2.5.3.3. Opt-In. During the last 10 calendar days of Client's Order Term for the terminating Order, SOW or Exhibit placed under this Agreement, Client may send an opt-in email to Network Subscribers that shall include an explanation of Client's relationship with Granicus terminating and that the Network Subscribers may visit Client's website to subscribe to further updates from Client in the future. Any Network Subscriber that does not opt-in will not be transferred with the subscriber list provided to Client upon termination.

3.3. Restrictions. Client shall not:

3.3.1. Misuse any Granicus resources or cause any disruption, including but not limited to, the display of pornography or linking to pornographic material, advertisements, solicitations, or mass mailings to individuals who have not agreed to be contacted;

3.3.2. Use any process, program, or tool for gaining unauthorized access to the systems, networks, or accounts of other parties, including but not limited to, other Granicus Clients;

3.3.3. Client must not use the Granicus Products and Services in a manner in which system or network resources are unreasonably denied to other Granicus clients;

3.3.4. Client must not use the Services as a door or signpost to another server.

3.3.5. Access or use any portion of Granicus Products and Services, except as expressly allowed by this Agreement or each Order or SOW placed hereunder;

3.3.6. Disassemble, decompile, or otherwise reverse engineer all or any portion of the Granicus Products and Services;

3.3.7. Use the Granicus Products and Services for any unlawful purposes;

3.3.8. Export or allow access to the Granicus Products and Services in violation of U.S. laws or regulations;

3.3.9. Except as expressly permitted in this Agreement, subcontract, disclose, rent, or lease the Granicus Products and Services, or any portion thereof, for third party use; or

3.3.10. Modify, adapt, or use the Granicus Products and Services to develop any software application intended for resale which uses the Granicus Products and Services in whole or in part.

3.4. Client Feedback. Client assigns to Granicus any suggestion, enhancement, request, recommendation, correction or other feedback provided by Client relating to the use of the Granicus Products and Services. Granicus may use such submissions as it deems appropriate in its sole discretion.

3.5. Reservation of Rights. Subject to the limited rights expressly granted hereunder, Granicus and/or its licensors reserve all right, title and interest in the Granicus Products and Services, the documentation and resulting product including all related intellectual property rights. Further, no implied licenses are granted to Client. The Granicus name, the Granicus logo, and the product names associated with the services are trademarks of Granicus or its suppliers, and no right or license is granted to use them.

4. Payment

4.1. Fees. Client agrees to pay all fees, costs and other amounts as specified in each Order or SOW. Annual fees are due upfront according to the billing frequency specified in each Order or SOW. Granicus reserves the right to suspend any Granicus Products and Services should there be a lapse in payment. A lapse in the term of each Order or SOW will require the payment of a setup fee to reinstate the subscription. All fees are exclusive of applicable state, local, and federal taxes, which, if any, will be included in the invoice. It is Client's responsibility to provide applicable exemption certificate(s).

4.2. Disputed Invoiced Amounts. Client shall provide Granicus with detailed written notice of any amount(s) Client reasonably disputes within thirty (30) days of the date of invoice for said amount(s) at issue. Granicus will not exercise its rights under 4.1 above if Client has, in good faith, disputed an invoice and is diligently trying to resolve the dispute. Client's failure to provide Granicus with notice of any disputed invoiced amount(s) shall be deemed to be Client's acceptance of the content of such invoice.

4.3. Price Increases. Any price increases not negotiated in advance shall be provided by Granicus to Client at least thirty (30) days prior to the end of the Order Term. Upon each yearly anniversary during the term of this Agreement (including the Initial Term, all Extended Terms, and all Order Terms), the Granicus Product and Services fees shall increase from the previous term's fees by up to ten (10) percent per year.

5. Representations, Warranties and Disclaimers

5.1. Representations. Each Party represents that it has validly entered into this Agreement and has the legal power to do so.

5.2. Warranties. Granicus warrants that it takes all precautions that are standard in the industry to increase the likelihood of a successful performance for the Granicus Products and Services; however, the Granicus Products and Services are provided "AS IS" and as available.

5.3. Disclaimers. EXCEPT AS PROVIDED IN SECTION 5.2 ABOVE, EACH PARTY HEREBY DISCLAIMS ANY AND ALL OTHER WARRANTIES OF ANY NATURE WHATSOEVER WHETHER ORAL AND WRITTEN, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY, TITLE, NON-INFRINGEMENT, AND FITNESS FOR A PARTICULAR PURPOSE. GRANICUS DOES NOT WARRANT THAT GRANICUS PRODUCTS AND SERVICES WILL MEET CLIENT'S REQUIREMENTS OR THAT THE OPERATION THEREOF WILL BE UNINTERRUPTED OR ERROR FREE.

6. Confidential Information

6.1. Confidential Information. It is expected that one Party (Disclosing Party) may disclose to the other Party (Receiving Party) certain information which may be considered confidential and/or trade secret information ("Confidential Information"). Confidential Information shall include: (i) Granicus' Products and Services, (ii) non-public information if it is clearly and conspicuously marked as "confidential" or with a similar designation at the time of disclosure; (iii) non-public information of the Disclosing Party if it is identified as confidential and/or proprietary before, during, or promptly after presentation or communication and (iv) any information that should be reasonably understood to be confidential or proprietary to the Receiving Party, given the nature of the information and the context in which disclosed.

Subject to applicable law, each Receiving Party agrees to receive and hold any Confidential Information in strict confidence. Without limiting the scope of the foregoing, each Receiving Party also agrees: (a) to protect and safeguard the Confidential Information against unauthorized use, publication or disclosure; (b) not to reveal, report, publish, disclose, transfer, copy or otherwise use any Confidential Information except as specifically authorized by the Disclosing Party; (c) not to use any Confidential Information for any purpose other than as stated above; (d) to restrict access to Confidential Information to those of its advisors, officers, directors, employees, agents, consultants, contractors and lobbyists who have a need to know, who have been advised of the confidential nature thereof, and who are under express written obligations of confidentiality or under obligations of confidentiality imposed by law or rule; and (e) to exercise at least the same standard of care and security to protect the confidentiality of the Confidential Information received by it as it protects its own confidential information.

If a Receiving Party is requested or required in a judicial, administrative, or governmental proceeding to disclose any Confidential Information, it will notify the Disclosing Party as promptly as practicable so that the Disclosing Party may seek an appropriate protective order or waiver for that instance.

6.2. Exceptions. Confidential Information shall not include information which: (i) is or becomes public knowledge through no fault of the Receiving Party; (ii) was in the Receiving Party's possession before receipt from the Disclosing Party; (iii) is rightfully received by the Receiving party from a third party without any duty of confidentiality; (iv) is disclosed by the Disclosing Party without any duty of confidentiality on the third party; (v) is independently developed by the Receiving Party without use or reference to the Disclosing Party's Confidential Information; or (vi) is disclosed with the prior written approval of the Disclosing Party.

6.3. Storage and Sending. In the event that Granicus Products and Services will be used to store and/or send Confidential Information, Granicus must be notified in writing, in advance of the storage or sending. Should Client provide such notice, Client must ensure that Confidential Information or sensitive information is stored behind a secure interface and that Granicus Products and Services be used only to notify people of updates to the information that can be accessed after authentication against a secure interface managed by Client.

6.4. Return of Confidential Information. Each Receiving Party shall return or destroy the Confidential Information immediately upon written request by the Disclosing Party; provided, however, that each Receiving Party may retain one copy of the Confidential Information in order to comply with applicable laws and the terms of this Agreement. Customer understands and agrees that it may not always be possible to completely remove or delete all personal data from Granicus' databases without some residual data because of backups and for other reasons.

7. Term and Termination

7.1. Agreement Term. The Agreement Term shall begin on the date of the initial Order or SOW and continue through the latest date of the Order Term of each Order or SOW under this Agreement, unless otherwise terminated as provided in this Section 7. Each Order or SOW will specify an Order Term for the Granicus Products and Services provided under the respective Order or SOW. Client's right to access or use the Granicus Products and Services will cease at the end of the Order Term identified within each Order or SOW, unless either extended or earlier terminated as provided in this Section 7. Unless a Party has given written notice to the other Party at least ninety (90) days prior to the end of the then-current Order Term, the Granicus Products and Services will automatically renew at the end of each term for an Extension Term of one (1) year.

7.2. Effect of Termination. If the Parties agree to terminate this Agreement and an Order or SOW is still in effect at the time of termination, then the terms and conditions contained in this Agreement shall continue to govern the outstanding Order or SOW until termination or expiration thereof. If the Agreement is terminated for breach, then unless otherwise agreed to in writing, all outstanding Orders or SOWs shall immediately terminate as of the Agreement termination date. Unless otherwise stated in this Agreement, in no event shall Client be entitled to a refund of any prepaid fees upon termination.

7.3. Termination for Cause. The non-breaching Party may terminate this Agreement upon written notice if the other Party is in material breach of this Agreement and fails to cure such breach within thirty (30) days after the non-breaching Party provides written notice of the breach. A Party may also terminate this Agreement immediately upon notice if the other Party: (a) is liquidated, dissolved, or adjudged to be in a state of bankruptcy or receivership; (b) is insolvent, unable to pay its debts as they become due, makes an assignment for the benefit of creditors or takes advantage of any law for the benefit of debtors; or (c) ceases to conduct business for any reason on an ongoing basis leaving no successor in interest. Granicus may, without liability, immediately suspend or terminate any or all Order or SOW issued hereunder if any Fees owed under this Agreement are past due pursuant to Section 4.1.

7.4. Rights and Obligations After Termination. In the event of expiration or termination of this Agreement, Client shall immediately pay to Granicus all Fees due to Granicus through the date of expiration or termination.

7.5. Survival. All rights granted hereunder shall terminate upon the latter of the termination or expiration date of this Agreement, or each Order or SOW. The provisions of this Agreement with respect to warranties, liability, choice of law and jurisdiction, and confidentiality shall survive termination of this Agreement and continue in full force and effect.

8. Limitation of Liability

8.1. EXCLUSION OF CONSEQUENTIAL AND RELATED DAMAGES. UNDER NO CIRCUMSTANCES SHALL GRANICUS BE LIABLE FOR ANY SPECIAL, INDIRECT, PUNITIVE, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, WHETHER AN ACTION IS IN CONTRACT OR TORT AND REGARDLESS OF THE THEORY OF LIABILITY, EVEN IF A PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. FURTHER, GRANICUS SHALL NOT BE LIABLE FOR: (A) ERROR OR INTERRUPTION OF USE OR FOR LOSS OR INACCURACY OR CORRUPTION OF CLIENT DATA; (B) COST OF PROCUREMENT OF SUBSTITUTE GOODS, SERVICES OR TECHNOLOGY; (C) LOSS OF BUSINESS; (D) DAMAGES ARISING OUT OF ACCESS TO OR INABILITY TO ACCESS THE SERVICES, SOFTWARE, CONTENT, OR RELATED TECHNICAL SUPPORT; OR (E) FOR ANY MATTER BEYOND GRANICUS' REASONABLE CONTROL, EVEN IF GRANICUS HAS BEEN ADVISED OF THE POSSIBILITY OF ANY OF THE FOREGOING LOSSES OR DAMAGES.

8.2. LIMITATION OF LIABILITY. EXCEPT FOR CLIENT'S BREACH OF SECTION 3.3, IN NO INSTANCE SHALL EITHER PARTY'S LIABILITY TO THE OTHER PARTY FOR DIRECT DAMAGES UNDER THIS AGREEMENT (WHETHER IN CONTRACT OR TORT OR OTHERWISE) EXCEED THE FEES PAID BY CLIENT FOR THE GRANICUS PRODUCTS AND SERVICES DURING THE SIX (6) MONTHS IMMEDIATELY PRECEDING THE DATE THE DAMAGED PARTY NOTIFIES THE OTHER PARTY IN WRITING OF THE CLAIM FOR DIRECT DAMAGES. GRANICUS SHALL NOT BE RESPONSIBLE FOR ANY LOST PROFITS OR OTHER DAMAGES, INCLUDING DIRECT, INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL OR ANY OTHER DAMAGES, HOWEVER CAUSED. NEITHER PARTY MAY INSTITUTE AN ACTION IN ANY FORM ARISING OUT OF NOR IN CONNECTION WITH THIS AGREEMENT MORE THAN TWO (2) YEARS AFTER THE CAUSE OF ACTION HAS ARISEN. THE ABOVE LIMITATIONS WILL NOT LIMIT CLIENT'S PAYMENT OBLIGATIONS UNDER SECTION 4 ABOVE.

9. Indemnification

9.1. Indemnification by Granicus. Granicus will defend Client from and against all losses, liabilities, damages and expenses arising from any claim or suit by a third party unaffiliated with either Party to this Agreement ("Claims") and shall pay all losses, damages, liabilities, settlements, judgments, awards, interest, civil penalties, and reasonable expenses (collectively, "Losses," and including reasonable attorneys' fees and court costs), to the extent arising out of any Claims by any third party that Granicus Products and Services infringe a valid U.S. copyright or U.S. patent issued as of the date of the applicable Order or SOW. In the event of such a Claim, if Granicus determines that an affected Order or SOW is likely, or if the solution is determined in a final, non-appealable judgment by a court of competent jurisdiction, to infringe a valid U.S. copyright or U.S. patent issued as of the date of the applicable Order or SOW, Granicus will, in its discretion: (a) replace the affected Granicus Products and Services; (b) modify the affected Granicus Products and Services to render it non-infringing; or (c) terminate this Agreement or the applicable Order or SOW with respect to the affected solution and refund to Client any prepaid fees for the then-remaining or unexpired portion of the Order or SOW term. Notwithstanding the foregoing, Granicus shall have no obligation to indemnify, defend, or hold Client harmless from any Claim to the extent it is based upon: (i) a modification to any solution by Client (or by anyone under Client's direction or control or using logins or passwords assigned to Client); (ii) a modification made by Granicus pursuant to Client's required instructions or specifications or in reliance on materials or information provided by Client; or (iii) Client's use (or use by anyone under Client's direction or control or using logins or passwords assigned to Client) of any Granicus Products and Services other than in accordance with this Agreement. This section 9.1 sets forth Client's sole and exclusive remedy, and Granicus' entire liability, for any Claim that the Granicus

Products and Services or any other materials provided by Granicus violate or infringe upon the rights of any third party.

9.2. Indemnification by Client. Client shall defend, indemnify, and hold Granicus harmless from and against any Claims, and shall pay all Losses, to the extent arising out of or related to (a) Client's (or that of anyone authorized by Client or using logins or passwords assigned to Client) use or modification of any Granicus Products and Services; (b) any Client content; or (c) Client's violation of applicable law.

9.3. Defense. With regard to any Claim subject to indemnification pursuant to this Section 9: (a) the Party seeking indemnification shall promptly notify the indemnifying Party upon becoming aware of the Claim; (b) the indemnifying Party shall promptly assume sole defense and control of such Claim upon becoming aware thereof; and (c) the indemnified Party shall reasonably cooperate with the indemnifying Party regarding such Claim. Nevertheless, the indemnified Party may reasonably participate in such defense, at its expense, with counsel of its choice, but shall not settle any such Claim without the indemnifying Party's prior written consent. The indemnifying Party shall not settle or compromise any Claim in any manner that imposes any obligations upon the indemnified Party without the prior written consent of the indemnified Party.

10. General

10.1. Relationship of the Parties. Granicus and Client acknowledge that they operate independent of each other. Nothing in this Agreement shall be deemed or construed to create a joint venture, partnership, agency, or employee/employer relationship between the Parties for any purpose, including, but not limited to, taxes or employee benefits. Each Party will be solely responsible for the payment of all taxes and insurance for its employees and business operations.

10.2. Headings. The various section headings of this Agreement are inserted only for convenience of reference and are not intended, nor shall they be construed to modify, define, limit, or expand the intent of the Parties.

10.3. Amendments. This Agreement may not be amended or modified except by a written instrument signed by authorized representatives of both Parties.

10.4. Severability. To the extent permitted by applicable law, the Parties hereby waive any provision of law that would render any clause of this Agreement invalid or otherwise unenforceable in any respect. In the event that a provision of this Agreement is held to be invalid or otherwise unenforceable, such provision will be interpreted to fulfill its intended purpose to the maximum extent permitted by applicable law, and the remaining provisions of this Agreement will continue in full force and effect.

10.5. Assignment. Neither Party may assign, delegate, or otherwise transfer this Agreement or any of its rights or obligations hereunder, either voluntarily or by operation of law, without the prior written consent of the other Party (such consent not to be unreasonably withheld); provided, however, that either Party may assign this Agreement without the other Party's consent in the event of any successor or assign that has acquired all, or substantially all, of the assigning Party's business by means of merger, stock purchase, asset purchase, or otherwise. Any assignment or attempted assignment in violation of this Agreement shall be null and void.

10.6. No Third-Party Beneficiaries. Subject to Section 10.5 this Agreement is binding upon, and insures solely to the benefit of the Parties hereto and their respective permitted successors and assigns; there are no third-party beneficiaries to this Agreement.

10.7. Notice. Other than routine administrative communications, which may be exchanged by the Parties via email or other means, all notices, consents, and approvals hereunder shall be in writing and shall be deemed to have been given upon: (a) personal delivery; (b) the day of receipt, as shown in the applicable carrier's systems, if sent via FedEx, UPS, DHL, or other

nationally recognized express carrier; (c) the third business day after sending by U.S. Postal Service, First Class, postage prepaid, return receipt requested; or (d) sending by email, with confirmed receipt from the receiving party. Either Party may provide the other with notice of a change in mailing or email address in which case the mailing or email address, as applicable, for that Party will be deemed to have been amended.

10.8. Force Majeure. Any delay in the performance by either Party hereto of its obligations hereunder shall be excused when such delay in performance is due to any cause or event of any nature whatsoever beyond the reasonable control of such Party, including, without limitation, any act of God; any fire, flood, or weather condition; any computer virus, worm, denial of service attack; any earthquake; any act of a public enemy, war, insurrection, riot, explosion or strike; provided, that written notice thereof must be given by such Party to the other Party within twenty (20) days after occurrence of such cause or event.

10.9. Choice of Law and Jurisdiction. This Agreement shall be governed by and interpreted under the laws of the State of Minnesota, without reference to the State's principles of conflicts of law. The Parties expressly consent and submit to the exclusive jurisdiction of the state and federal courts of Ramsey County, Minnesota.

10.10. Entire Agreement. This Agreement, together with all Orders or SOWs referenced herein, sets forth the entire understanding of the Parties with respect to the subject matter of this Agreement, and supersedes any and all prior oral and written understandings, quotations, communications, and agreements. Granicus and Client agree that any and all Orders or SOWs are incorporated herein by this reference. In the event of possible conflict or inconsistency between such documents, the conflict or inconsistency shall be resolved by giving precedence in the following order: (1) the terms of this Agreement; (2) Orders; (3) all other SOWs or other purchase documents; (4) Granicus response to Client's request for RFI, RFP, RFQ; and (5) Client's RFI, RFP, RFQ. If Client issues a purchase order, Granicus hereby rejects any additional or conflicting terms appearing on the purchase order or any other ordering materials submitted by Client. Upon request, Granicus shall reference a purchase order number on its invoices, provided, however, that Client acknowledges that it is Client's responsibility to provide the corresponding purchase order information (including a purchase order number) to Granicus upon the creation of such a purchase order. Client agrees that a failure to provide Granicus with the corresponding purchase order shall not relieve Client of its obligations to provide payment to Granicus pursuant to Section 4.1 above.

10.11. Reference. Notwithstanding any other terms to the contrary contained herein, Client grants Granicus the right to use Client's name and logo in Client lists and marketing materials.

10.12. Injunctive Relief. Granicus is entitled to obtain injunctive relief if Client's use of Granicus Products and Services is in violation of any restrictions set forth in this Agreement.

INTER OFFICE CORRESPONDENCE

TO: Town Administrator, Robert Milie

FROM: Chief Sean Clayton

DATE: April 1, 2022

SUBJECT: Monthly Report for March 2022

POLICE DEPARTMENT:

During the month of March, officers made four drug arrests while doing traffic enforcement. I had a citizen tell me how we had some really nice officers on our department. He said his wife was at the car wash on Whitmarsh Island and she had their two children with her. The citizen said the officer went over and handed his two children a Thunderbolt Police Department sticker badge and that it absolutely made their day, and was very thankful for that encounter. All of the officers are almost finished with their required training for the year and Officer Jones just completed his last block of training for his Supervision certification.

I attended a local District 6 meeting and got information on an upcoming Professional Management Program (PMP) which is provided by Columbus State University. I have one officer interested in attending, and the Hope Grant will pay for it. The class design is set up where the student will attend, 10, 40-hour classes, that are spread out over the course of about a year and half. After the students receive their PMP certification, they will also be able to obtain their POST Supervisory, and Managerial certifications, plus they will also receive 30 hours of college credit. This is a great program, and I'm excited to be able to send someone from this department.
