REVISED

AGENDA HEARING

Public has three minutes per person to ask questions or comment on any agenda item.

Mayor Williams welcomed everyone and reminded this is open time for any questions for what is on the agenda.

Stella Lavin, 3121 Robertson Ave, asked about the composting initiative. Town Administrator Milie explained it is a 90 day trail. The composting will be picked up once a week. This is a trial to see if there is a benefit to the town.

Beth Goette, 3006 Leonard St., first question was about the clock on the Victory Drive. She asked if we contacted GDOT. Town Clerk Denion stated it is not in their right-of-way but up on the property. Mrs. Goette asked about ownership. Town Clerk Denion explained it was recently sold to Mr. Horton. Mrs. Goette then asked about the if the owners have been contacted about the composting trial. Town Administrator Milie stated they have not. Staff are first trying to identify the specific location. Mrs. Goette asked if the owners have been contacted about the rezoning. Town Administrator Milie explained this is the first step. They will be notified before the P & Z meeting.

Jan Yarbrough, 24 Bonaventure Rd. Discussion on River Dr vs. Victory Dr. If the rezoning process is to be used. Town Attorney Barrow explained if Council decides to go forth, the process will be followed.

Council Member Lavin asked about the finances for the Christmas Parade. Town Administrator Milie explained the funding is in the budget for this event. They are not seeking sponsors. Council Member Lavin asked about the cost of the meters. He was under the impression it was less than the amount shown in the packet. Town Administrator Milie explained this is a long-range project. The warranty has run out on the current meters. We need to purchase meters and they will be replaced with this new meter with new software on an as needed.

Council Member Drohan spoke on the Thunderbolt Utilization Project. This project is specifically focusing on water and sewer. The collected data will help make good decisions on development projects. Town Administrator Milie explained the breakdown of the data spreadsheets. They are broken down into zones. Once completed, we will have a net number for water and sewer.

Jan Yarbrough – Victory Drive Properties – would it be possible to get more information for the items before the meeting. It was explained the packet of information is not complete until Monday or Tuesday before the meeting. Anyone can ask for back up information though the Town Clerk. Council Member Drohan stated a summary could be added to the agenda.

Mayor Williams closed the open hearing time at 6:38 pm.
