TOWN OF THUNDERBOLT
REGULAR MONTHLY MEETING
WEDNESDAY, SEPTEMBER 14, 2022
6:00 PM
REVISED

AGENDA HEARING

Public has three minutes per person to ask questions or comment on any agenda item. Mayor called the meeting to order for public hearing. At 6:02 pm.

Citizen who lives at 3111 Furber Ave. had a concern with traffic where they live. It was explained their concern is not on the agenda and he needs to reach out to Town Administrator Milie to first address the issue.

Stella Lavin asked why item g., was struck from the agenda. Town Administrator Milie explained the lease needs some more back and forth with the tenant.

Council Member Drohan presentation –
The purpose of this project is to evaluate the various challenges related to infrastructure relative to potential future development within the Town of Thunderbolt. The primary goal is to be able to provide to the Town Council the pertinent data required to formulate policy that responsibly manages resources, infrastructure and development throughout the town respecting the rights of property owners and the general citizenry relative to fairness and quality of life as these might be impacted by future development.

Development Districts (DD) were assigned for the purpose of data collection as follows:

-River Dr DD

-Victory Drive DD

-Shell Rd Corridor DD

-Bonaventure Ave DD

-Downing Ave DD

-Individual Lots – Town Wide DD

-Blighted Properties and Vacant Properties – Town Wide DD

-Miscellaneous Properties - Town Wide DD

DDs will be assessed based on the following factors

Current Zoning Status

Development Status

- D = Developed
- U = Undeveloped
- PD = Partially Developed
- IP = Development in Process
- W = Wetlands
- Developed Water Service Needs
- Developed Sewer Service Needs
- W&S Infrastructure Needs
- Street/Transportation Infrastructure Improvement Needs

Scoring- An Example

A central issue in this research relates to sewer resources and how it can fairly be shared among the stakeholders, citizens and developers. I suggest that we use a fairly simple analytical model for this purpose.

Daily Limits
minus Buffer for Emergencies =
Rational Daily Sewer Resources

Rational Daily Sewer Resources
minus Current Average Sewer Utilization = Available Surplus Daily Sewer Resources

Each property is then scored based on its current zoning status for the number of housing units based an assumption of 2.75 occupants per unit.

These scored values will then be totaled across each District and then Town-wide to provide us with the Potential Sewer Resource Utilization.

Available Surplus Daily Sewer Resources minus

Potential Sewer Resource Utilization =

Projected Sewer Resource Availability.

Projected Sewer Resource Availability

provides us with an important but only one of the necessary measures Council will need to make create responsible, data driven policy relative to future development in Thunderbolt.

Data collection for the TDRUP has begun and is currently ongoing. Oscar, Deatre and Bob have all taken on responsibilities in that regard and the hope that this project can be completed in the next 30-45 days.

The results hopefully will provide the Council with solid information regarding the complex process of policy development relative to land development in a rapidly changing financial and utilization landscape.

Linda Buttersworth asked if we are using the comprehensive plan? Council Member Drohan explained they were utilizing the comprehensive plan.

Mayor Williams closed the public hearing at 6:31 pm

REGULAR MEETING

1. **Call to order**

   Mayor Williams called the regular meeting to order at 6:31 pm.

2. **Roll Call by Presiding Officer with Invocation, followed by the Pledge of Allegiance**

Mayor Williams asked for a motion to approve the consent agenda. **Council Member Ward made the motion with a second from Council Member Drohan. The motion passed unanimously.**

7. **Discussion Agenda:**

8. **Town Administrator Report:** Town Administrator, Bob Milie

Town Administrator Milie asked if anyone had any questions on his report. Council Member Lavin asked about the website update. Town Administrator Milie stated currently the website is updating the content. There have been issues with making the payment online work with processing the payment.

Town Administrator Milie gave the results of Bannon Drive Survey. The biggest concerns are speeding, large truck traffic and walking along side of road. There are two solutions, humps vs. speed signs. The vote was close between two. Staff has decided to go with speed signs. Speed signs are less disruptive.

Staff submitted for grant yesterday with the help of Ms. Sue DeRosa who compiled the data for the grant.

9. **Department Report** – Written Reports Submitted

by: Police / Municipal Court / Neighborhood Watch – Sean Clayton, Chief of Police no question.

Chief Clayton stated the warning phase for the Blue Line camaras has ended. Agent Hicks, CNT Officer, reported there was an arrested of a Savannah gentleman that was trafficking drugs. Council Member Lavin asked about larceny theft in the report. Chief Clayton explained it is thefts from stores and theft of outdoor property.

Fire –Fire Chief, Andrew Bateman

Chief Bateman provided an update on construction project at the Firehouse. The spray foam was put in and they are waiting on prices for sheetrock and paint. Mayor Williams asked about AC capacity to handle the new addition. Chief Bateman stated it does not but a split will be added. Chief Bateman updated on Parkers gas leak. This was not a new leak but remaining gas from previous gas leak that pushed to the surface with all the rain.

Public Works Department – Oscar Crosby, Public Works Manager

Council Member Lavin asked for an update on potholes. Public Works Manager Crosby stated seven large potholes were addressed this week. The new material is holding up.

Council Member Lavin asked if sewage numbers were up from rain. Public Works Manager Crosby explained they will not know the increase by the rain until the next month's bill.

10. **Legal Report – Town Attorney**

11. **Mayor and Council –**

a) TDRUP Ad hoc Committee Council Member Drohan

Council Member Drohan stated he recommends on moratorium on any variances to R-3. Town Clerk Denion asked if this was his motion. **Council Member Drohan made the motion for a moratorium on R-3 variances and conditional uses until data is collected. Council Member Ward seconded the motion.** Town Administrator Milie stated this was not needed since any variance must go for a vote twice by P & Z and Council. Council Member Lavin stated we have thrown out there we are looking at this and the line has been drawn. Council Member Crenshaw asked to not have a vote on this, because we are studying this issue. Town Attorney Barrow stated the moratorium allows for the time to collect the data. Council Member Ward asked if a set date should be added. Town Attorney Barrow stated a date should be added to the motion. **Council Member Drohan amended the motion to add for 45 days. Council Member Skipper-Greer seconded the amendment. Council Member Skipper-Greer made the motion to approve the amended motion with a second by Council Member Ward. The motion passed unanimously.**

b) Thunderbolt Museum Report

Ana Maria Thomas stated there will be a bizarre on Sept. 24 from 8 am to 2 pm. The American Legion will have one on Sept 25.

Congratulations to Council Member Ed Drohan who has been asked to serve on Georgia Municipal Association's Children and Youth Advisory Council.

Mayor Williams asked for a motion to adjourn to executive session. **Council Member Ward made the motion with a second from Council Member Drohan. The motion passed unanimously.**

12. **Executive Session-** Mayor requests a motion and a second to recess into executive session for the purpose of Legal, Real Estate and/or Personnel matters.

Mayor Williams asked for a motion to enter back into regular session. Council Member Ward made the motion with a second from Council Member Crenshaw. The motion passed unanimously.

Mayor Williams stated a lease and legal issues were discussed. Mayor Williams asked for a motion to adjourn the meeting. Council Member Ward made the motion with a second from Council Member Crenshaw. The motion passed unanimously.

13. **Adjournment:**

The meeting adjourned at 7:35 pm.

Mayor, Dana Williams

Clerk of Council, Deatre N. Denion
