AGENDA HEARING

Public has five minutes per person to ask questions or comment on any agenda item.
Mayor Williams opened the public hearing up at 6 pm.

Beth Goette, 3006 Leonard Street, stated the STR Ordinance Amendment was confusing and asked for an explanation. Attorney Charles Barrow explained the Amendment would prevent the transfer of STR certificates held by LLCs and Corporations upon the sale or transfer of the LLC and/or Corporation.

Jan Yarbrough, 24 Bonaventure Road, asked for clarification of the STR waitlist when a sold home has an active STR certificate. Attorney Barrow explained that the new owner would go to the back of the waitlist.

Edward Drohan, 3319 Bannon Drive, stated he has an active STR at 3320 Louis Street. Dr. Drohan informed the Town that the Ordinance online is not accurate. There is now a requirement to have a state tax ID number unless using a third-party booking agent such as AirBnb and VRBO. The clear part of the ordinance is that it is not for broader corporate ownership. Dr. Drohan referenced the 9 STR units on 1 parcel. He also referenced a set of 5 contiguous properties off Shell Road. All 5 have active STR certificates that were given prior to being built. He questioned whether the Town wants to allow this to happen. Dr. Drohan asked for this topic to be placed on the May Council agenda.

Stella Lavin, 3125 Robertson Avenue, stated she is confused on the process and how new STR properties are appearing around Thunderbolt.

Beth Goette asked about the church on Bannon and Church St. She also asked about the 2 churches on Mechanics Avenue that are undergoing renovations. Town Clerk Matthew Walker informed Ms. Goette that the first church on Mechanics is being transformed into a private residence. The second is being renovated for a private residence with a home occupation license for a recording studio.

Mayor Williams closed the public comment at 6:29 pm.

PLANNING AND ZONING
LAND USE REVIEW
Town of Thunderbolt

APPLICATION TYPE: Map Amendment - Zoning

PLANNING AND ZONING COMMISSION DATE: 4-17-2024

TOWN COUNCIL DATE: 5-8-2024

NOTICE TO PAPER: 3-27-2024

PUBLISH DATE(s): 3-31-2024; 4-1-2024

Request:	Request to rezone via map amendment 6 parcel lots of record from Residential R-2 [R-2] to Light-Industrial [I-L] in the vicinity of Colorado Ave and Clars Avenue.
Owners/Applicants:	Michael Smith
Location:	Colorado Ave. (4 parcels) & Clars Avenue (2 parcels)
Parcel ID#:	30003 01015, 30003 01016, 30003 01017, 30003 01018, 30003 01021, 30003 01022
Approximate Lot Size(s):	*70x90; 120x90; 60x90; 60x90; 60x90; 60x90 feet*
Total Acreage of all lots:	1.1 acres (average of 5,400 sq. ft. per lot)
Zoning Designation:	Residential District Two [R-2];
Zoning Proposed:	Light - Industrial [L-I];

FINDINGS:

1. This request aims to rezone via map amendment 6 lots of record situated between Colorado Avenue and Clars Avenue on the western side of Thunderbolt town boundaries, generally south of Victory Drive, and north of Shell Road.
2. Applicant is requesting the change of zoning to Light – Industrial [I-L] for proposed Warehouse use.
3. Staff has reviewed this application for compliance with the Thunderbolt Code of Ordinances [the Code] and finds that the following findings are applicable to map amendments.
4. Upon review, these lots are zoned Residential District Two [R-2]; with nearby small residences via existing roadway access and planned-business [P-B].
5. Upon review, roadway access adjoins at the edge next to the closest lot parcels with existing right-of-way. However, there are no road improvements to connect the properties to either Colorado or Clars Avenue. There is no roadway access to Roger Lacy Ave.
6. Any right-of-way roadway improvements would be required at a later date of determination based on any future development site-plan review.

7. Density patterns are not expected to increase per the proposed Warehouse zoning use, as each lot averages a size of 60 feet by 90 feet (5,400 sq. ft.) and are required to conform to Town of Thunderbolt Development Standards.

8. Georgia Power owns a transmission grid next to this property, with separation between existing residences located in City of Savannah to the proposed property map amendment.

9. Upon review of the Thunderbolt Code of Ordinances, Zoning Appendix A, the Light-Industrial [I-L] district is composed of land and structures so situated as to be well adapted to industrial development but where the proximity to residential and commercial districts makes it desirable to limit the manner and extent of industrial operations. Development within this district is subject to the approval of the governing body. The purpose of the district is to permit the normal operation of a limited number of light industrial uses under such conditions of operation as will protect the abutting residential and commercial uses and adjacent industrial uses.

10. Upon review, staff finds that the applicable use of Warehouses are permitted in the [I-L] Light – Industrial District.

11. According to the application provided, only rezoning is requested per the applicant with each unique lot of record to comply with the development standards of the Light-Industrial District [I-L].

12. Planning and Zoning Commission has studied this particular area boundary in a variety of land use cases, included in presentation on November 15, 2023, to initially discuss better applicable use of vacant property. (See attached).

PLANNING AND ZONING DEPARTMENT RECOMMENDATION

Town Staff recommend **APPROVAL** of this rezoning map amendment provided that the request meets the allowable use for the proposed Light-Industrial Zoning District. Further development requests must meet the development standards for the new zoning district as specified by the Thunderbolt Zoning Code.

REVIEW OF APPLICABLE ZONING STANDARDS:
Thunderbolt Code of Ordinances – Zoning Appendix A, Art. XVIII. Amendments

(h) ***Standards and Criteria for Making Zoning Amendments***. However, prior to making a zoning amendment, the mayor and council shall evaluate the merits of a proposed zoning amendment according to the following criteria:

The planning and zoning commission may evaluate any proposed zoning amendments according to the following criteria and, if used, should be included in their recommendation to the mayor and council.

(1) Is this request a logical extension of a zoning boundary, which would improve the pattern of uses in the general area?

(2) Is this spot zoning and generally unrelated to either existing zoning or the pattern of development in the area?

(3) Could traffic created by the proposed use or other use permissible under the zoning sought traverse established single-family neighborhoods on minor streets, leading to congestion, noise, and traffic hazards?

(4) Will this request place irreversible limitations on the area as it is or on future plans for it?

(5) Is there an eminent need for the rezoning and is the property likely to be used for the use requested?

(6) Will the proposed use substantially conflict with existing density patterns in the zone or neighborhood?

(7) Would the proposed use precipitate similar requests which would generate or accelerate adverse land use changes in the zone or neighborhood?

(8) Will the action adversely impact adjacent or nearby properties in terms of:

(i) Environmental quality or livability, resulting from the introduction of uses or activities which would create traffic, noise, odor or visual hazards or the reduction of light and air that is incompatible with the established development pattern.

(ii) Property values, by rendering such properties less suitable and therefore less marketable for the type of development to which they are committed or restricted in order to promote the public welfare and protect the established development pattern.

(9) Will the action create development opportunities of such increased intensity that storm water run-off from the site cannot be controlled within previous limits, which results in adverse impacts upon existing downstream drainage problems or potential problems?

(10) Will the action result in public service requirements such as provision of utilities or safety services which, because of the location or scale of the development, cannot be provided on an economic basis and therefore would create an actual burden to the public?

PLANNING AND ZONING COMMISSION RECOMMENDATION:

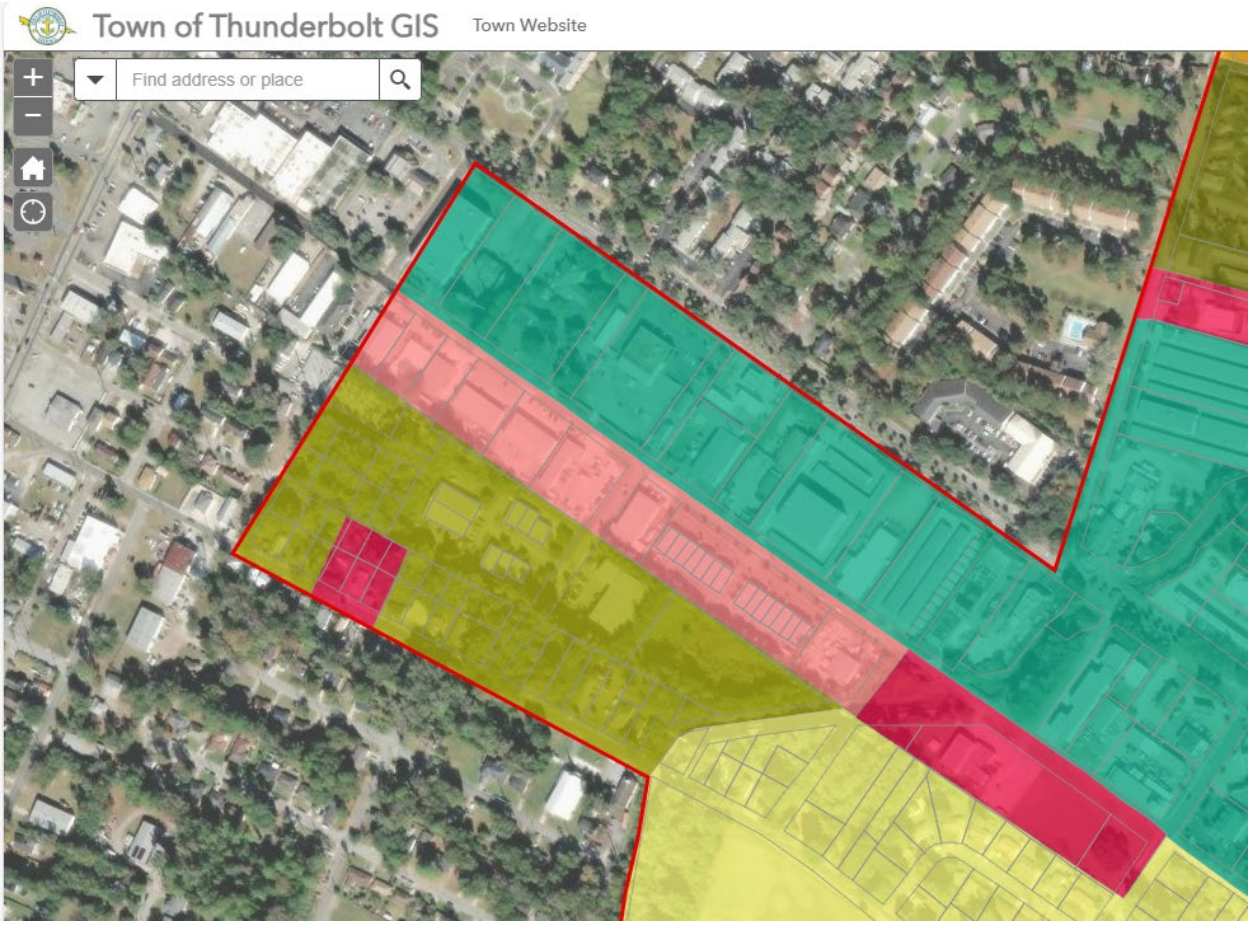

The Commission voted unanimously to approve the Map Amendment, with 1 absent.

MEMORANDUM VIA E-MAIL
(kspaulding@thunderboltga.org)

TO: Ms. Katina Spaulding
Accounts Payable/Utilities Manager

FROM: Mr. Kevin Jeselnik
Assistant General Counsel

SUBJECT: **Action Required: Georgia Municipal Employees Benefit System Defined Benefit Retirement Plan Restatement**

The Town of Thunderbolt previously adopted the Georgia Municipal Employees Benefit System ("GMEBS") Defined Benefit Retirement Plan ("Plan"), which is comprised of the Basic Plan Document and Adoption Agreement. The Plan is considered a "qualified plan" under the Internal Revenue Code, which is important to ensure the tax-exempt status of the trust fund.

To protect the Plan's tax-qualified status, GMEBS filed draft restated Plan documents, updated to reflect recent amendments and comply with changes in federal tax law, with the IRS on June 29, 2022. On August 31, 2023, the IRS issued a favorable opinion letter ("IRS opinion letter") for the restated Plan documents. The IRS opinion letter provides assurance to employers providing retirement benefits for their employees through the GMEBS Plan that GMEBS is maintaining a qualified pension benefit program that allows employees to accrue benefits tax-free until retirement benefits are distributed to them.

To ensure continued tax-qualified status for all GMEBS-member retirement plans, all participating employers must readopt their plans using the most recent IRS-approved Adoption Agreement. To that end, we have completed the attached Adoption Agreement to include the benefit and eligibility provisions that you currently have in place.

If the draft document is acceptable, please have the designated representatives sign and date where indicated (p. 37). Next, please scan and email the document to Gina Gresham at rgresham@gacities.com no later than **May 14, 2024**. We will then countersign it and return an electronic copy to you. Please note, GMEBS will not execute documents that have been edited by the town. If the Adoption Agreement requires revisions, please let us know before adopting it.

The draft Adoption Agreement will take effect on the date of its approval by the governing authority. **Please note that per O.C.G.A. § 47-5-40, the Adoption Agreement has been drafted in the form of an ordinance.**

We have also attached a copy of the restated Basic Plan Document and Amendment 1, which do not need to be adopted by the town. Finally, we have included a summary of key amendments to the Plan relating to the restatement.

If you have any questions about the information provided in this letter or require further information, please contact Gina Gresham.

AN ORDINANCE (continued from page 1)

Section 2. Except as otherwise specifically required by law or by the terms of the Basic Plan Document or Adoption Agreement (or any Addendum), the rights and obligations under the Plan with respect to persons whose employment with the City was terminated or who vacated office with the City for any reason whatsoever prior to the effective date of this Ordinance are fixed and shall be governed by such Plan, if any, as it existed and was in effect at the time of such termination.

Section 3. The effective date of this Ordinance shall be the date of its approval by the Governing Authority **(not earlier than the first day of the current Plan Year in which the Plan is adopted, unless a retroactive corrective amendment is permitted under EPCRS, Rev. Proc. 2021-30 (or subsequent updated guidance))**.

Section 4. All Ordinances and parts of ordinances in conflict herewith are expressly repealed.

Amendment to section 5 – 207 – walls and fences:

Section 5 – 207 of the ordinances the Town of Thunderbolt are hereby amended by adding a new paragraph at the beginning of the first paragraph of said section to read as follows:

It is the intent of this ordinance that in residential districts the construction requirements set forth below shall be the standard but that in areas in which the construction requirements have not been traditionally adhered to or such requirements are not compatible with the neighborhood that variances may be granted provided the variances allow construction and placement of fences similar to other fences nearby.

SUBJECT: Monthly Report for April 2024

POLICE DEPARTMENT:

We had a drive-by shooting that injured one. This shooting was targeted and not random, and the victim was in the drive-by vehicle. This is still an ongoing investigation.

All new police vehicles are in service and on the streets. Our new radios are being programmed, and we should have them in service within the next two weeks. Yearly qualifications for firearms are coming up in the middle of May.

Nothing further to add at this time.

Compliance Monitoring:

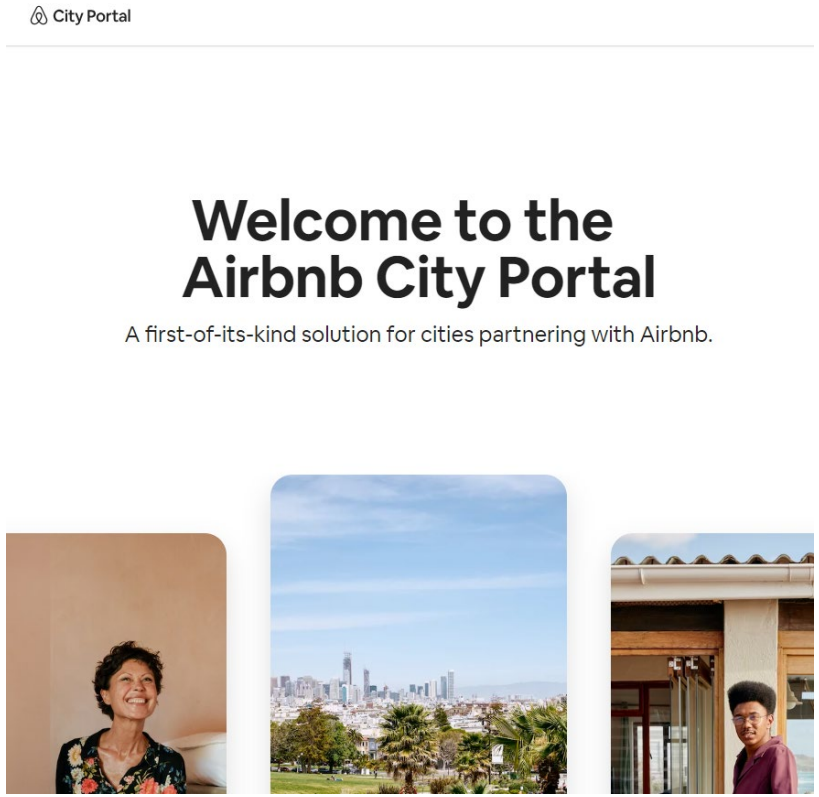

- Monthly Status Reports from Host Compliance
- 1 Major Compliance Code Enforcement Issue
  - 1 was dated back from March with warning calls sent out.
  - Not permitted through the Town, and clear cease and desist necessary.
  - 4 Unit Multi-family property determined non-compliant.

There are Red icons on the Town's STR Portal Map Dashboard. Yellow Icons are found to be duplicate/multiple location listings (no issues). These are in fluctuation with the portal getting updated with 2024 permits.

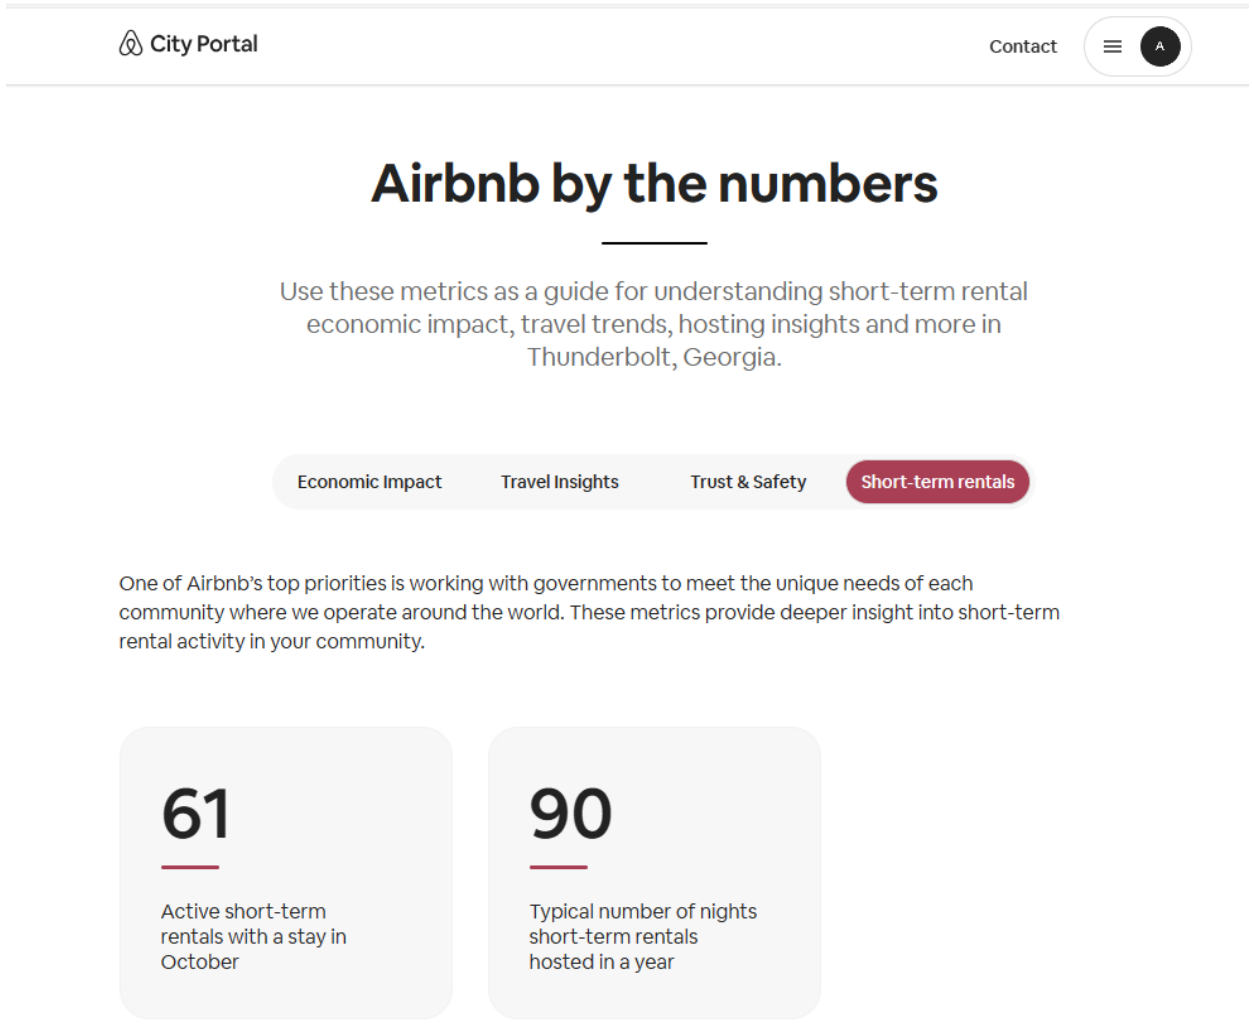

AIR BNB CITY PORTAL

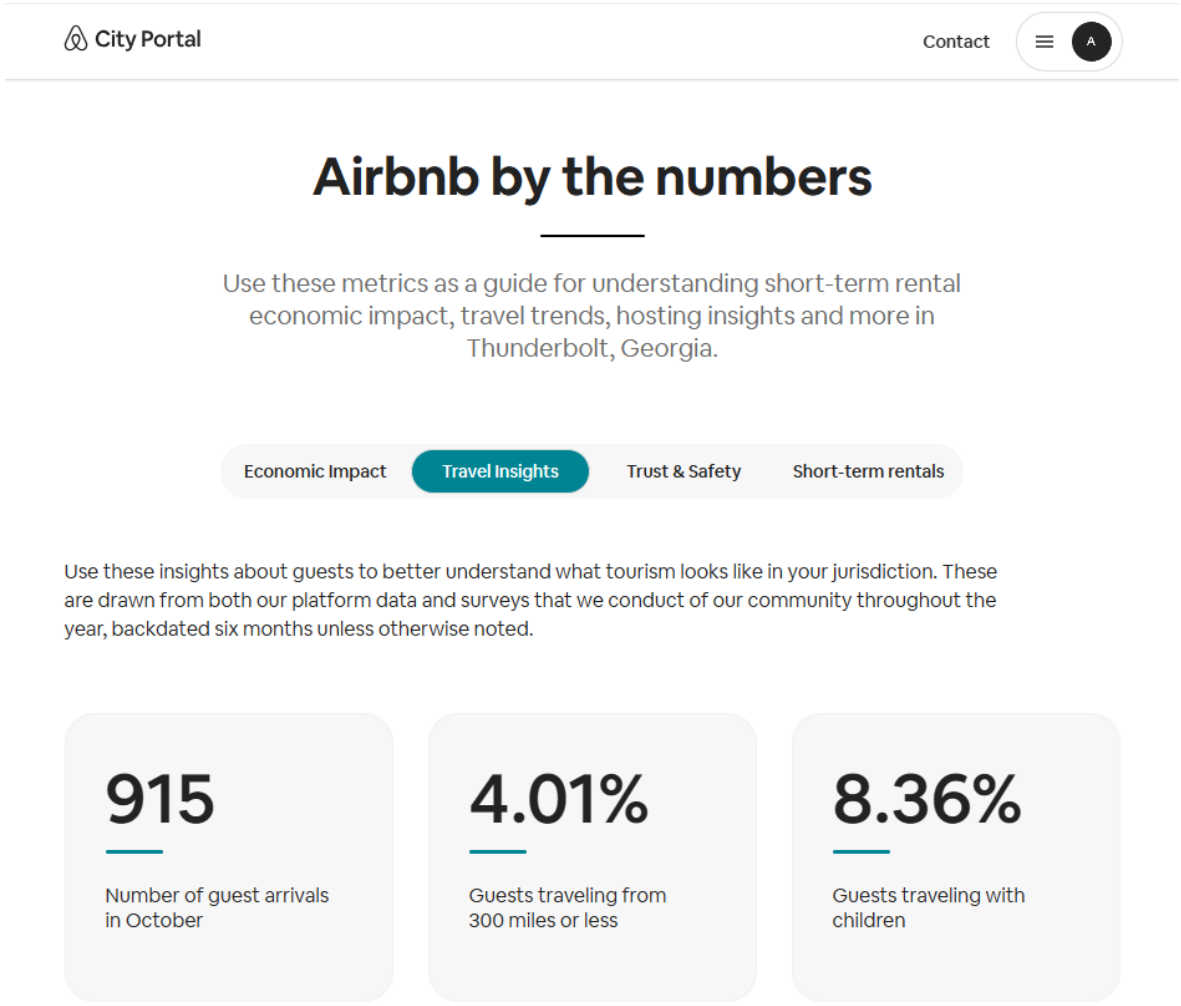

In Q1 2024 Town Staff has been working with AirBnb to follow up on Excise Hotel/Motel Taxes. More than 85% of all STR use AirBnb.

- The Town has confirmed that AIRBNB will remit Excise Taxes directly in June 2024.
- The December 2023 Ordinance Amendment and the Town's State Resolution were submitted to AIRBNB.
- The Town is working on similar notice to VRBO, HomeAway, and all 3rd Party Vendors.
- AIRBNB has entered The Town of Thunderbolt into their CITY PORTAL Dashboard.
- This is a New Tool to help and allow the Town to reconcile STR data statistics.
