DRAFT

REGULAR MEETING

1. **Call to order –**

   Mayor Williams **c**all meeting to order at 6:30 pm.

2. **Roll Call by Presiding Officer with Invocation, followed by the Pledge of Allegiance**

   Those in attendance were Mayor, Dana Williams and Council Members Bethany Skipper-Greer, David Crenshaw, Larry Ward, Ed Drohan, James Lavin and Brooks Barbaree. Staff in attendance were Town Administrator, Bob Milie; Town Attorney, Charlie Barrow; Clerk of Council, Deatre Denion, Accounts Payable Manager, Katina Spaulding; Fire Chief, Andrew Bateman and Police Chief, Sean Clayton.

3. **Approval of Meeting Agenda**

   Mayor Williams asked for a motion to approve the meeting agenda. **Council Member Ward made the motion with a second from Council Member Crenshaw. The motion passed unanimously.**

4. **Approval of Minutes from Previous Meeting**:
   Minutes of January 12, 2022 and January 15, 2022

   Mayor Williams asked for a motion to approve the last month's meeting minutes. **Council Member Ward made the motion to approve with a second by Council Member Crenshaw. The motion passed unanimously.** Mayor Williams realized he did not include the workshop meeting minutes and asked for another motion to approve them. **Council Member Ward made the motion to approve the workshop meeting minutes with a second by Council Member Crenshaw. The motion passed unanimously.**

5. **Presentations:**
   a) **Arbor Day Proclamation**

   Mayor Williams read a proclamation in celebration of Arbor Day on February 18, 2022.

   b) **Finance Report**:

Shannon Brett; Holland, Bromley, Barnhill & Brett; provided the Finance Report. The following have been completed: year END payroll and bank accounts have been reconciled., 2021 will be wrapped up by March 7. Ms. Brett stated they have recommended two software packages they feel will work best if the Town chooses to change their current software. Council Member Lavin asked about streets budget. Town Administrator Milie explained

Public Works has water, sewer, stormwater and streets. The budget is divided into those three services. Council Member Crenshaw asked if the adjustments have been made to last years budget. Ms. Brett stated the adjustments were being finished today.

6. **Planning and Zoning**

   a) **Petitioner:** Tim Fleming
   Request: Approval of 5 ft off rear setback
   Parcel Involved: 3-0007-02-004
   Location: 3208 Robertson Ave

Tim Fleming, 3208 Robertson Ave, explained he is trying to add a back porch to the back of his house. It needs a five foot rear variance for the corner of the porch**. Council Member Drohan made the motion to approve the petition with a second by Council Member Ward.** Council Member Lavin asked about what is considered a hardship for a variance. Town Attorney Barrow points out it does not have to be a financial hardship. It could be due to the shape of the property. Geneva Golden, 3126 Gilbert Street, asked about setback requirements. It was explained the setback requirement is 25 feet in the rear. Mayor Williams called the vote. **The motion passed unanimously.**

   b) **Petitioner:** AAA Sign Co. Inc.
   Request: Approval of façade signs
   Parcel Involved: 3-0003-07-005
   Location: 2201 E. Victory Dr

Bobbie Stevens with AAA Sign Company, explained the client wishes to place façade signs on several sides of the building. The sign is lettering not a solid rectangle sign. The logo over the letters is what makes the façade signs larger than the allowed size. The sign is less than 10% of each side. **Council Member Ward made the motion to accept signage request with a second from Council Member Crenshaw.** Council Member Drohan stated this is one of the issues when the Victory Drive District was created. Clerk of Council Denion explained Building Inspector Fischer and herself discussed making changes on how signs are measured. **The motion passed unanimously.**

   c) **Petitioner:** Michael Johnson
   Request: Approval of subdivision of lot
   Parcel Involved: 3-0001-01-002
   Location: Levy Ave (Downing Ave.)

Michael Johnson, 415 Bonaventure Rd., was present. He explained he wishes to subdivide the lot into 13 individual lots. **Council Member Crenshaw made the motion to approve the subdivision with a second by Council Member Ward.** Council Member Drohan recused himself due to owning adjacent property that might have a financial implication. Council Member Ward asked what size are the homes he plans to build and the distance between each home? Mr. Johnson stated three to four bedroom homes with the distant of 14 feet between each home. Town Administrator Milie asked if they look like the homes on the Savannah side of Downing. Mr. Johnson stated yes, they will. They will be built up 4 ft. Stella Lavin, 3125 Robertson Ave. asked if he will be coming back for more variance. Geneva Golden, 3126 Gilbert Street, asked about water usage. Town Administrator Milie stated Ms. Golden's question is a valid question. There will be 13 lots and Mr. Johnson will have to provide some infrastructure improvements for the Town's ISO rating. The numbers were looked at but this project would not place a strain on the resource. Council Member Barbaree asked if they had a project similar. Mr. Johnson stated the project across is not theirs but is similar to what they will be building. Council Member

DRAFT

Barbaree asked what is the time frame for completion. Mr. Johnson stated it will take about a year and half. Council Member Skipper-Greer asked if they are one family and it is R-3. Clerk of Council stated the zoning allows for the subdivision. These subdivided lot sizes will only allow for one family dwelling. **The motion carried with unanimous vote.**

7. **Debate Agenda:**

a) **Approve New Home Occupation Permit at 216 Bonaventure Rd**

Jeffrey Woods from 216 Bonaventure Rd is seeking a home occupation to arrange flowers. Mr. Woods explained there will be no retail store, clients coming and going or dumpster. Council Member Drohan asked if it is a cottage industry? Mr. Woods stated it was. **Council Member Drohan made the motion to approve the home occupation permit with a second by Council Member Barbaree. The motion passed unanimously.**

b) **Outdoor Activity Event Permit and Waiver for Thunderbolt Museum Society**

Ann Maria Thomas asked Council to put the permit on hold until a few items are worked out. She did announce the museum will be open soon. Sweatshirts are on sale. All applications and permits updated.

c) **Discussion on Zoning and Other Town Owned Properties**

Council Member Drohan stated it wasn't too long ago we had the third water break on Shell Road. There was discussion on what is going on in the area. Public Works Manager Crosby stated the line needs to be replaced. Council Member Drohan explained he took a look at this area and those properties off Clars and Colorado. There are properties that are not accessible due to lack of road access. There are concerns with homeless living back in the area. This could be a safety issue. Twenty of these thirty-one properties were bought in a tax sale. Many of the houses are uninhabited. Most of these properties are worth less than $5,000. The adjacent property to the north is thriving with businesses. He thinks there is an opportunity here. Extend the commercial zoning from the north would increase the property value. The Town needs to treat this as we do River Dr. **Council Member Drohan made the motion to send to P & Z to review these properties consider a change in zoning. Council Member Ward seconded the motion.** Council Member Crenshaw stated it needs to be researched. Beth Goette, 3006 Leonard St, stated the owners of the property need to be notified of the Town's decision. Clerk of Council Denion stated whenever there is a meeting concerning areas, owners are always notified. Buddy Gallaher, 25 Bonaventure Rd, thought he stated the houses on Shell Road was dilapidated. Council Member Drohan stated not Shell but the houses behind Shell off Clars. Geneva Golden, 3126 Gilbert Street, asked about the houses near Rev. Small's church. Staff stated his property is in Savannah. **The motion passed unanimously**.

Council Member Drohan stated the need to look into the property on the corner of Whatley and Sunset. The Town owns three parcels. Council needs to decided what they want to do with them. There is about 11 acres. They are not apart of any federal or state government to maintain wetlands. Council Member Drohan asked if this should be sent to P & Z. There is a need to identify what this properties are and options of what it can be built on them, if anything. Beth Goette 3006 Leonard Street, stated These properties had been looked at for the Warsaw Trail. These properties are not buildable. She continued with even a sidewalk could not be put in along Sunset due to an endangered species. **Council Member Drohan motioned for these properties to be looked into seeing if they can be wetland mitigation bank. Council Member Ward seconded the motion.** Council Member Crenshaw stated it is a good move. Council Member Skipper-Greer stated there is trash along the area. **The motion passed unanimously.**

8. **Town Administrator Report:** Town Administrator, Bob Milie

DRAFT

Town Administrator Milie stated January is a foundation month. He explained he has started setting up for website overhaul, changing AV equipment and began event planning. Council Member Crenshaw stated Town Administrator's report is precise and to the point.

9. **Department Report –** Written Reports Submitted

by: Police / Municipal Court / Neighborhood Watch – Sean Clayton, Chief of Police

Chief Clayton explained there was an armed robbery at Enmarket. City of Savannah has also had several robberies around the Victory Dr. and Skidaway area. Council Member Drohan asked about vagrants behind Target if they might be involved. Chief Clayton stated they are not. Council Member Drohan asked about safety on Clars and Colorado. Chief Clayton stated they have not had any calls in a while and they have not found any vagrants back there. Council Member Lavin asked if they patrol the area. Chief Clayton stated they do. Mayor Williams read a thank you note from Dan Carter for Officer Foran staying with him and helping him when his vehicle shut down.

Fire –Fire Chief, Andrew Bateman

Mayor Williams thanked Chief Bateman and Fire Department for all they have been doing beyond answering medical and fire calls.

Public Works Department – Oscar Crosby, Public Works Manager

Council Member Crenshaw asked about the close out of groundwater vs Savannah Water usage. Town Administrator Milie stated the Town bought 18 million gallons from Savannah and 128 million gallons of Sewage.

Town Administrator Milie stated the lining of the sewer lines will begin in the second quarter.

Mayor Williams stated Public Works has been working hard dealing with water line breaks.

Mayor Williams stated he wanted to point out at the beginning of the year, Town Hall Administration had two individuals come down with COVID. This left one staff member holding down the office. He wanted to recognize Katina Spaulding for all her hard work keeping everything going at Town Hall.

10. **Legal Report – Town Attorney**

11. **Mayor and Council –**
    a) Water & Sewer Committee – Council Member Drohan

Council Member Drohan gave the following presentation.

Graywater refers to domestic wastewater generated in households or office buildings from streams without fecal contamination, i.e., all household effluent except for the wastewater from toilets. Sources of graywater include sinks, showers, baths, washing machines or dishwashers.

As graywater contains fewer pathogens than domestic wastewater, it is generally safer to handle and easier to treat and reuse onsite for toilet flushing, landscape or crop irrigation, and other non-potable uses.

The application of graywater reuse in urban water systems provides substantial benefits for both the water supply subsystem, by reducing the demand for fresh clean water, and the wastewater subsystems by reducing the amount of wastewater required to be conveyed and treated. Treated greywater has many uses, such as toilet flushing or irrigation (Wikipedia).

DRAFT

These systems generally have an inline filter that removes particulate from the effluent. This filtered effluent then is then available for passive residential irrigation or adapted to be utilized for flushing toilets.

Graywater Realities in General and in Thunderbolt

The percentage of water used for tubs and showers makes up about 60% of the total water usage in the average home. Using a conservative 6500 gallons for the average home in Thunderbolt, we come up with the following numbers:

6500×.60 equals 3900 gallons/ month = 46,800 gallons/year per residence.

If there were but 100 Conservation Citizens in Thunderbolt who participated in a landscape graywater program that would equal to 4,680,000 fewer gallons of sewage processed by Savannah per year. The costs of sewage processing we are charged by Savannah equals $.005856 per gallon. This equals a potential savings of about $22.84 per average residential consumer per month against the current fees paid by Thunderbolt to the City of Savannah. Through the participation by 100 Conservation Citizens, that would equal about $27,406 in real savings to Thunderbolt every year. These savings would allow us to provide rebates to individuals interested in graywater systems for their homes. These rebates could be up to 100% of the projected savings with no net costs to the Town as these Conservation Citizens would still be participating in the system maintenance costs of W&S through the difference between their gross sewer charge and the rebate amount.

Graywater- The Long View

1. Water conservation is the reality of any successful W&S system.
2. Funding models in Thunderbolt need to be flexible enough to engage marginal savings as our costs become more and more dependent on what the City of Savannah charges us for water and sewer services.
3. The potential savings from a Graywater option are better than dollar for dollar as residential sewer fess will always exceed any rebate amount up to 100% even with an extended horizon.
4. The more homes that participate, the more the Town saves.

The Graywater Proposal

1- Allow some conservation idiot the opportunity to create a graywater system in his home utilizing only shower and tub effluent with a passive system that percolates into his surrounding yard area for the purpose of irrigation of flowers, shrubbery and grass (if any) growing in his yard. This needs to be someone so conservation conscious that he would build this system with his own funds.
2- Use the results of this pilot project to estimate the costs of building these systems for the average residence.
3- Compare the outcome of this pilot project to the proposal assumptions to provide the statistics to validate the proposal and determine its viability.
4- If viable, utilize this pilot project to model an ordinance allowing for the expansion of residential graywater in Thunderbolt.

Mayor Williams thanked Council Member Drohan for his passion and work for water conservation.

Mayor Williams asked for a motion and a second to adjourn to Executive Session. **Council Member Crenshaw made the motion with a second by Council Member Ward. The motion passed unanimously.**

Mayor asked for a motion and a second to return to open session. Council Member Ward made the motion with a second from Council Member Crenshaw. The motion passed unanimously.

Executive Session- Mayor requests a motion and a second to recess into executive session for the purpose of Legal and/or Personnel matters.

Mayor Williams read a statement in answering a filing from 43 citizens

"I would like to begin by thanking the Town Administrator, Bob Milie, for his diligent effort in making sure that we were able to hold our January Town Council meeting. Mr. Milie spent the entire day working with IT trying to get the remote platform set up as our Town Clerk and Town Receptionist were both our with COVID. Mr. Milie had never conducted a meeting in this manner and in spite of the circumstances was able to make it happen. In addition to two of the three Town Hall employees being absent with COVID, myself and two other members of council were also out with it as well. Despite having a 103 fever due to having the flu and COVID simultaneously, I decided not to postpone the meeting because I knew that several vendors and citizens had made plans that needed Council approval in order to move on with their projects without suffering setbacks and financial delays. It wasn't perfect but we made it through.

On Thursday, February 3, 2022, former Mayor Beth Goette delivered a letter that she and several other citizens signed calling out several mistakes that I made as my first time as Mayor while doing so remotely and suffering from flue and COVID.

The first issue was the PIN to join the meeting was posted incorrectly on the Town website. The email sent to Mayor, Council, Staff and presenters had the correct link and PIN to join the meeting. When the PIN was added to the website a keystroke error caused one number to be off which is why people initially had an issue log in on. As soon as the mistake was discovered it was immediately corrected. Second it was suggested this was done intentionally so Council could vote on Mayor Pro Tempore without asking for public input, which has never been done nor is it customary anywhere else to my knowledge. It was also suggested I made a mistake by moving the selection of the Mayor Pro Tempore without asking for a motion and a vote to move an item. The Town Attorney stated a motion and vote were only necessary if adding an item to the agenda. It was also suggested myself and Council needed a refresher course on Town elections and Council Meetings, however as stated in the Town Charter: Section 6.- Town Council; Power; compensation; Mayor Pro Tempore. As the first regular meeting of the town council following a regular election of a mayor and aldermen or as soon thereafter as practicable, the council shall select one of its members as mayor pro tempore who shall, in the event of the absence, disability or disqualification of the mayor, perform all duties and exercise all rights, powers and privileges of the office of mayor.

We followed the Town Charter to the letter. A Mayor Pro Tempore was selected by Council and agreed upon by a majority of 4 to 3. I was instructed by GMA to always follow the Charter and that is exactly what we did. The suggestion that it was done so nefariously is outright wrong and was not done to hurt or wrong anyone. We all have a great deal of respect for Councilman Lavin. After the meeting, Councilman Drohan informed me that he chose Councilman Crenshaw because of his long service to the Town and his vast knowledge of how the Town operates. He also felt in event the Mayor Pro Tempore had to fulfill his duties as Mayor, Councilman Crenshaw would be able to step in and sever the Town without any problems

In response to the suggestion, I had some ulterior motive for moving the selection of Mayor Pro Tempore to the beginning of the meeting, it was done simply because I was very sick, we were using a new platform for the meeting and the Town Administrator was conducting the hybrid meeting for the first time with no assistance. I wanted to ensure in the event I felt too ill to continue or we lost communication the Mayor Pro Tempore would be able to continue the meeting.

In closing I would like to thank everyone again for their patience and understanding for the last month's meeting. Unfortunately, several of use contracted COVID which added to the stress and difficulty of our fist meeting as the newly elected Mayor and Council of Thunderbolt. We made a few mistakes, but given the circumstances, I think we did the best we could. Going forward, we will make every effort to continue to follow the Town Charter, our ordinances and the Law. It is our sworn duty and obligation to represent ALL of the citizens of Thunderbolt equally and to the best of our ability and that is exactly what we will do.

12. **Ratification of the Vote Regarding Mayor Pro-tem**

Mayor Williams opened the floor for any and all nominations for Mayor Pro-Tem. **Council Member Drohan made the nomination for Dave Crenshaw to be Mayor Pro Tem. Council Member Ward seconded the motion.**

Linda Buttersworth, 3121 Robertson Ave, stated the website had the wrong PIN #. She also stated if there was to be a change in how the Mayor Pro-Tem was selected it should have been done in December. No one provided a reason for the change. Town Administrator Milie explained Council followed procedure in the selection of the Mayor Pro-Tem, just did not follow tradition.

Geneva Golden, 3126 Gilbert Street, stated decisions were made without the public knowing about it.

Stella Lavin, 3125 Robertson Ave., stated she was unable to get on virtually but was able to listen through Council Member Lavin connection. She was shocked by the decision and did more research. She listed several decisions made by Council stating there was nothing wrong or illegal but it looks bad.

Maury Gallaher, 25 Bonaventure Rd., congratulated Mayor and Council. He stated he has lived in Thunderbolt for 78 years. He was on Council for 8 years. In that time, the person that had most votes was Mayor Pro. There was no discussion on who Mayor Pro-Tem would be. He asked Council to reconsider their choice. He stated Council has the authority to do what they want to do but tradition is important.

Ms. Hayes, 2008 Hayes St. The people have had a chance to air their feelings. I love the Town of Thunderbolt. I am 86 years old. I walk with God. If I have complaints, I take it to the individual I have the issue with. We need to come together and walk with God.

Council Member Drohan stated he spoke with James Lavin earlier in order to clear the air. People have stated they do not understand why I made the decision. When it came clear there were 6 people running of 6 positions during COVID, I spoke with some people who were running about needing someone that can take over if need be and know all the history and knowledge of the Town finances. In references to Stella Lavin's response, it looked bad. When I first approached Council Member Crenshaw about being Mayor Pro-tem, he said no. I persevered. My rationale, this was a different election, whether you agree with me or not. I wanted a dependable, knowledgeable person. I told James Lavin this was not personal.

Stella Lavin, 3125 Robertson, stated Council Member Drohan should have clarified ahead of time. You seem to have spoken with everyone but James Lavin.

Town Administrator Milie stated you all voted or did not vote for Council to make decisions for this town, even if they wish to change tradition. A majority vote decides those decision and a majority voted Council Member Crenshaw as Mayor Pro-tem. I am hearing that is not what you wanted, but sometimes you do not always get what you want. They did it in the best interested of the Town.

Council Member Ward stated Council Member Drohan spoke to him before meeting with his suggestion for Mayor Pro-tem.

Beth Goette, 3006 Leonard Street, stated she listened to the tape. No one gave a reason for the change. She pointed out other communities follow this process. In our eyes there is no reason for what Council did. That is why it bothers us. We want justification for why you did what you did. In our eyes it does not look good. In our hearts we thought you would address our concerns and reconsider your decision. Council Member Drohan objected to her allegation. Your comment suggests I still have not attempted to explain as I did. As I did with Mrs. Lavin, just because it does not meet your wishes, does not mean I have not explained it. I understand your feelings but my decision is the same to vote for David Crenshaw.

Kristina Johnson, Gragg Street, stated perception is the issue. What I am hearing is you are not taking the communities input.

DRAFT

Geneva Golden, 3126 Gilbert Street – to Council, when you use the first person, you are still representing the Town. You have to listen to us. We need to come to agreement.

Mayor Williams stated Council does listen. You need to understand you represent a 10th of one percent of Thunderbolt and Mayor and Council represents the entire Town. Mayor Williams called for the vote. **Council Member Crenshaw recused himself. The vote passed unanimously.**

Mayor Williams asked for a motion and a second to adjourn the meeting. **Council Member Ward made the motion to adjourn with a second from Council Member Skipper-Greer.**

13. **Adjournment:**

The meeting adjourned at 9:21 pm.

Thunderbolt Police Department

Letter of Recognition

Presented To:

Charles Wilson "CJ" Badge # 511

Recognition for the

Capture of an Armed Robbery Suspect

On February 23, 2022 at approximately 2145 hours, Patrolman Wilson was dispatched to an armed robbery at the Parker's Convenience Store located at 3105 E. Victory Drive. The suspect ran from the store and Patrolman Wilson called for assistance from Savannah Police Department to setup a perimeter since he was alone and actively searching for an armed subject.

With the intent to apprehend an alleged dangerous felon from the streets, Patrolman Wilson continued pursuit while officers from Savannah Police Department cordoned of a perimeter. Patrolman Wilson noticed the suspect crouching and hiding in a dark alleyway near the Thunderbolt Fire Department. Making a conscious decision to ensure the safety of the public over himself, Patrolman Wilson exited his vehicle and attempted to apprehend the suspect. The subject fled and a foot pursuit began, with knowledge of the perimeter, Patrolman Wilson expertly chased and pushed the suspect closer to the SPD officers. Eventually, Patrolman Wilson caught and apprehend the suspect with assistance from SPD.

Not only was a person of interest caught while eluding arrest, the money and weapon were also recovered in the possession of the individual. This arrest brings an individual closer to justice for the robbery, but it is believed that it may also assist in the case closures of other armed robberies in the Town of Thunderbolt, and City of Savannah.

Your brave and selfless actions that evening bring great credit to the Town of Thunderbolt, Thunderbolt Police Department, law enforcement community, and certainly you as a dedicated and consummate professional. Thunderbolt Mayor and Council, Town staff, and Thunderbolt residents and guests are safer today

because of you, your actions, and dedication to protect those you have sworn to serve.

Be it recorded in the official minutes of the Town of Thunderbolt – Town Council meeting on March 9th, 2022 that we owe you and all those like you our deepest respect and gratitude. Job well done.

WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 88-0603751. This EIN will identify you, your business accounts, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

Taxpayers request an EIN for their business. Some taxpayers receive CP575 notices when another person has stolen their identity and are opening a business using their information. If you did **not** apply for this EIN, please contact us at the phone number or address listed on the top of this notice.

When filing tax documents, making payments, or replying to any related correspondence, it is very important that you use your EIN and complete name and address exactly as shown above. Any variation may cause a delay in processing, result in incorrect information in your account, or even cause you to be assigned more than one EIN. If the information is not correct as shown above, please make the correction using the attached tear-off stub and return it to us.

Based on the information received from you or your representative, you must file the following forms by the dates shown.

Form 1120	04/15/2023

Your Form 11C and/or 730 becomes due the month after your wagering starts.

If you have questions about the forms or the due dates shown, you can call us at the phone number or write to us at the address shown at the top of this notice. If you need help in determining your annual accounting period (tax year), see Publication 538, *Accounting Periods and Methods*.

We assigned you a tax classification (corporation, partnership, etc.) based on information obtained from you or your representative. It is not a legal determination of your tax classification, and is not binding on the IRS. If you want a legal determination of your tax classification, you may request a private letter ruling from the IRS under the guidelines in Revenue Procedure 2020-1, 2020-1 I.R.B. 1 (or superseding Revenue Procedure for the year at issue). Note: Certain tax classification elections can be requested by filing Form 8832, *Entity Classification Election*. See Form 8832 and its instructions for additional information.

IMPORTANT INFORMATION FOR S CORPORATION ELECTION:
If you intend to elect to file your return as a small business corporation, an election to file a Form 1120-S, U.S. Income Tax Return for an S Corporation, must be made within certain timeframes and the corporation must meet certain tests. All of this information is included in the instructions for Form 2553, Election by a Small Business Corporation.

If you are required to deposit for employment taxes (Forms 941, 943, 940, 944, 945, CT-1, or 1042), excise taxes (Form 720), or income taxes (Form 1120), you will receive a Welcome Package shortly, which includes instructions for making your deposits electronically through the Electronic Federal Tax Payment System (EFTPS). A Personal Identification Number (PIN) for EFTPS will also be sent to you under separate cover. Please activate the PIN once you receive it, even if you have requested the services of a tax professional or representative. For more information about EFTPS, refer to Publication 966, *Electronic Choices to Pay All Your Federal Taxes*. If you need to make a deposit immediately, you will need to make arrangements with your Financial Institution to complete a wire transfer.

The IRS is committed to helping all taxpayers comply with their tax filing obligations. If you need help completing your returns or meeting your tax obligations, Authorized e-file Providers, such as Reporting Agents or other payroll service providers, are available to assist you. Visit www.irs.gov/mefbusproviders for a list of companies that offer IRS e-file for business products and services.

IMPORTANT REMINDERS:

* Keep a copy of this notice in your permanent records. This notice is issued only one time and the IRS will not be able to generate a duplicate copy for you. You may give a copy of this document to anyone asking for proof of your EIN.

* Use this EIN and your name exactly as they appear at the top of this notice on all your federal tax forms.

* Refer to this EIN on your tax-related correspondence and documents.

* Provide future officers of your organization with a copy of this notice.

Your name control associated with this EIN is VRIN. You will need to provide this information along with your EIN, if you file your returns electronically.

Safeguard your EIN by referring to Publication 4557, Safeguarding Taxpayer Data: A Guide for Your Business.

You can get any of the forms or publications mentioned in this letter by visiting our website at www.irs.gov/forms-pubs or by calling 800-TAX-FORM (800-829-3676).

If you have questions about your EIN, you can contact us at the phone number or address listed at the top of this notice. If you write, please tear off the stub at the bottom of this notice and include it with your letter.

Thank you for your cooperation.

MEMORANDUM OF AGREEMENT

BY AND BETWEEN

THE GEORGIA ENVIRONMENTAL FINANCE AUTHORITY

AND

TOWN OF THUNDERBOLT

Dated _____

This Memorandum of Agreement (hereinafter "Memorandum") for the WaterFirst Program is made and entered into effective _____, 20____, by and between the Georgia Environmental Finance Authority (hereinafter "GEFA") and **Town of Thunderbolt** (hereinafter "Designee") (each a "Party" and collectively the "Parties"). All Parties agree to enter into this cooperative arrangement to maintain the Designee as a WaterFirst Community for a five-year period.

ARTICLE I
Benefits and Activities

The benefits associated with the WaterFirst Community designation are listed below. The Parties intend to explore opportunities under each benefit.

1. Five years of resources, tools, and support provided by GEFA to help meet water management goals.

2. Statewide recognition for being environmental stewards.
   - Listed on GEFA's website.
   - Listed on WaterFirst outreach fliers.
   - Listed on WaterFirst presentations.
   - Provided two road signs and authorization to use the WaterFirst logo and brand.

3. Access to WaterFirst peer network and resources.

4. Invitation to workshops addressing critical water stewardship issues.

5. A 1 percent interest rate reduction on GEFA loans.

6. Annual eligibility for Georgia Department of Community Affairs Community Development Block Grants for water-related projects.

7. Priority for 319(h) grant funding administered by the Georgia Environmental Protection Division.

ARTICLE II
WaterFirst Community Responsibilities

The Designee agrees to the following responsibilities to remain in good standing and to retain its WaterFirst Community designation:

1. Continue achieving environmental excellence in all areas of water resource management.

2. Enhance effective maintenance practices.

3. Improve customer service.

4. Participate in a WaterFirst Program peer review.

5. Provide support and encourage staff participation in at least one WaterFirst function during the five-year term.

6. Maintain eligibility as a qualified local government by having an approved Comprehensive Plan and Service Delivery Strategy.

7. Continue efforts to conserve water with shallow well shower installations at the beach entrances.

8. Explore opportunities for potable water savings, such as reclaiming water for use in the sludge press at the Wastewater Plant.

ARTICLE III
Amendments

This Memorandum represents the entire agreement between the Parties. An amendment can be added to this Memorandum if it is presented in writing and signed by all Parties.

ARTICLE IV
Name and WaterFirst Community Logo/Banner/Pins or Similar Items

GEFA agrees to allow the use of the WaterFirst Program logo and brand items by the Designee on/for any WaterFirst Program activities, grant applications, and related activities. The Designee acknowledges receipt of the WaterFirst Program logo and brand items and any additional products and agrees to use these items only for activities related to, or affected by, the WaterFirst Program.

ARTICLE V
Term and Termination

The Memorandum is effective as dated above and expires _____, 20____,. GEFA has the authority to terminate this agreement if the Designee does not maintain compliance with program requirements, or if the Designee falls out of compliance with its Georgia Environmental Protection Division permits. The Designee will receive a written notice that its designation has been rescinded and GEFA will apply the standard interest rate upon any new loan agreement subsequent to the termination. In this eventuality, the Designee agrees to discontinue using the logo and remove the WaterFirst signs.

This Memorandum constitutes the entire agreement and understanding between the Parties hereto and replaces, cancels, and supersedes any prior agreements and understandings relating to the subject matter hereof; and all prior representations, agreements, and undertakings between the parties hereto with respect to the subject matter hereof are merged herein.

IN WITNESS WHEREOF, the Parties hereto have executed this contract as of the date first written above.

Agreement for Event Planning Services Blessing of the Fleet
& Social Media Management Services
Town of Thunderbolt, Georgia

This agreement is made and entered into by and between The Town of Thunderbolt, whose address is 2821 River Drive, Thunderbolt, GA 31404 ("Client"), and Simply Savannah Marketing ("Simply Savannah Marketing"), whose address is 213 E Hall St., Savannah, GA 31401.

1. Services.

a. Simply Savannah Marketing will provide the Client with event planning services for The Town of Thunderbolt Blessing of the Fleet on Saturday, May 28, 2022, along River Drive. The client agrees to hire Simply Savannah Marketing as an independent contractor for the sole purpose of advising and consulting for the planning and execution of this event. At all times during the course of this contract, the Client retains all decision-making power and responsibility for the final execution of the event.
b. Simply Savannah Marketing will provide social media management for a period of six (6) months beginning March 1, 2022, to August 31, 2022, for the Town of Thunderbolt.

2. Payment terms and conditions. All fees are quoted in and shall be paid in USD (United States dollars). Invoices must be made via QuickBooks or by check to Simply Savannah Marketing. All fees are nonrefundable.

3. Payment schedule

a. Event Planning Services Blessing of the Fleet and Social Media Management for the Town of Thunderbolt ($26,000)
    i. Prior to or upon signing this contract, the Client agrees to pay Simply Savannah Marketing $6,500. This deposit constitutes 25 percent (25%) of the total event organizer service fees of $26,000 as recited above.
    ii. Before May 28, 2022 or one day before the Blessing of the Feet Event if it is postponed, whichever comes later, the Client agrees to pay Simply Savannah Marketing the remaining $19,500 and any and all additional approved project expenses. There is a $100 late fee per diem for every 24-hour period that this payment is past due.
    iii. Kill fee. Should the parties (the Client and Simply Savannah Marketing) fail to secure $35,000 in corporate sponsorship funds by March 25, 2022, then the Client may cancel the contract and the Simply Savannah Marketing will retain the $6,500 deposit and will continue Social Media Services until July 15th, 2022.or the client may reschedule the event to September or October and efforts to secure corporate of other sponsorships will continue.
    iv. It is recognized that the entire festival expenses are anticipated to be approximately $70,000, and Simply Savannah Marketing is expected via

sponsorship to cover all costs of said festival. The expected expenses in addition to the $26,000 to be paid to Simply Savannah Marketing will include but not be limited to Stage Rental, Live Radio Broadcast, Sound System, Trolly Rental, Event Signage & Flyers, Special Event Permit Application. Portable Toilets, Medical Tent, Bishop Fee, Social Media Paid Promotion, Digital TV/Radio Advertising, event insurance and Town costs for overtime expenses of employees before, during and after the event. Any money secured over the amount of festival related costs born by the Town of Thunderbolt, will remain with the Town of Thunderbolt to be used for public good (park upgrades, other events for residents and the like.

4. Event vendors. The Client agrees to hire event vendors that are licensed in their fields and who are insured.

5. Contract term. Both parties agree that the term of this Agreement shall begin when the Client's deposit has cleared through the bank and shall end when the event services are complete.

6. Liability. The Client assumes all liability for the event and is responsible for obtaining event insurance coverage at the Client's discretion.

7. Image release The client agrees that Simply Savannah Marketing may use images from the event for display, advertising, website, blog, magazine submissions, and any other means of promotion of Simply Savannah Marketing's business, and Simply Savannah Marketing has the right to alter the images. The client waives any right to payment, royalties, or any other consideration for the use of the images. Dear Thunderbolt,

Atlantic Waste has been delighted to offer the citizens of Thunderbolt high-quality sanitation services at a price that generates exceptional value. We take great pride in our level of professionalism, reliability, responsiveness, affordability, and ongoing commitment to quality. To continue providing excellent service, we have found it necessary to adjust our charges. The rate will be adjusted to the following.

Residential Trash $21.00

Recently, several unavoidable expense increases have concurrently surfaced and led to our ensuing request for a price modification. First and foremost, the ongoing global pandemic caused by COVID-19 has caused severe labor shortages and a necessary increase in driver and route assistant wages. We increased wages on average by 27% to be competitive within our market and improve the rate at which applicants applied. The second contributing factor is related to the increased fees that have been passed down to us from our vendors. This includes a nearly 40% increase from Rehrig Pacific which manufacturers our residential carts, a 27% increase from Continental for tires, continued rising diesel costs, increases in insurance premiums and additional material surcharge fees from Mack for trucking.

We thank you in advance for your understanding and look forward to providing residents with the service that Thunderbolt has come to expect from our organization. If there are any questions, please don't

hesitate to contact us for clarification. It has been a pleasure to work with both the municipal officials and residents of Tybee Island. We look forward to a strong partnership and will continue our pursuit of quality and excellence.

Best Regards,

Malorie Boyd

SEWAGE TREATMENT
SERVICE AGREEMENT

THIS AGREEMENT made and entered into this day of _____, 2022, (this "Agreement") between the MAYOR AND ALDERMEN OF THE CITY OF SAVANNAH, a municipal corporation organized and existing under the laws of the State of Georgia (herein after referred to as "Savannah"), and the TOWN OF THUNDERBOLT GEORGIA, a municipal corporation organized and existing under the laws of the State of Georgia (herein after referred to as "Thunderbolt"):

WHEREAS, sewage collected by the sewage system owned and operated by Thunderbolt is treated at the President Street sewage treatment facility owned and operated by Savannah; and

WHEREAS, the President Street Treatment Facility is operated by Savannah under a National Pollution Discharge Elimination System ("NPDES") permit issued by the Georgia Environmental Protection Division ("EPD"); and

WHEREAS, Thunderbolt has selected sewage treatment under which Thunderbolt will deliver sewage to the Savannah Treatment Facility, by a constructed sewage transport system.

NOW THEREFORE, in consideration of the mutual covenants and agreements, and benefits to the parties, Savannah and Thunderbolt agree as follows:

All sewage delivered by Thunderbolt to Savannah shall be normal strength domestic sewage and have originated within the town limits of Thunderbolt.

For purposes of this agreement, the term normal strength domestic sanitary sewage shall mean sewage meeting the requirements of Section 9 of this Agreement and having an annual average five-day biological oxygen demand ("BOD") of no more than 193 mg/L.

Savannah, in its sole discretion, may install and fund any telemetry or SCADA monitoring equipment desired to monitor and measure the delivery of sewage. Savannah currently maintains a Mission Realtime Monitoring system to which the flow meter sends data.

After installation and inspection, Savannah shall assume ownership and maintenance responsibility for the Sewage Meter. Savannah shall be given unfettered access to the Sewage Meter for maintenance, reading, and calibration purposes.

1. Subject to Audit. Savannah and Thunderbolt shall cooperate in any audit and make available records concerning building permits and connections to its sewer system to permit verification of compliance with this section.

2. System Maps and Plans. Thunderbolt shall, upon reasonable request, provide Savannah with

updated diagrams or maps showing the sewer lines and lots in areas served by the Thunderbolt sewer system, and master plans for areas of future planned sewer service. Such updated diagrams, maps or master plans shall be provided no less frequently than annually and shall reflect all modifications

3. Thunderbolt Sewage Characteristics, Industrial Pretreatment and Sewer Use Regulations. Thunderbolt shall adopt an ordinance which is no less stringent than the sewer use provisions of the "Combined Sewer Use and Pretreatment Ordinance" of the City of Savannah as amended from time to time, as adopted pursuant to, and in accordance with, the regulations of the EPD or any successor agency. This ordinance, *inter alia*, is intended to prohibit the discharge into the President Street sewer system of any materials which by reason of character or quantity would:

a. Interfere with the operation or efficiency of the sewage transport and treatment systems of Savannah, or not be susceptible to treatment by the treatment process.

b. In any way cause a violation of any directive, regulation, or permit of the EPD or the industrial pretreatment program of the City of Savannah or any other regulatory agency.

c. Constitute a hazard to human or animal life due to toxicity, flammable or explosive characteristics of the pollutant(s).

Thunderbolt shall provide a copy of its sewer use ordinance to Savannah and any amendments thereto. Thunderbolt shall notify Savannah of any violation of the sewer use ordinance within 24 hours of becoming aware of the violation and take corrective action to stop such violation and minimize the effects of such violation. Thunderbolt shall submit to Savannah a revised industrial user inventory on at least an annual basis.

Thunderbolt shall duly appoint Savannah, by ordinance, as its compliance agent for the sanitary sewer use regulations, and if so appointed, Savannah shall enforce the sewer use regulations and issue industrial pretreatment permits and grease interceptor waste generator and transporter permits within the Town of Thunderbolt. As appointed, Savannah shall provide copies to Thunderbolt of any industrial pretreatment permit or grease interceptor waste generator or transporter permits issued within Thunderbolt, and copies of all documents related to compliance with the sewer use regulations. Pretreatment implementation and oversight activities, including inspection, sampling, and enforcement, shall be conducted by Savannah. Access to the facilities of industrial users located within Thunderbolt's jurisdictional boundaries for the purpose of inspection, sampling, and any other duties deemed necessary shall be provided to Savannah's pretreatment program administrator upon request.

The sewage delivered by Thunderbolt to the Savannah collection system shall contain no toxic materials which would interfere with Savannah's biological treatment processes, and shall have characteristics which do not exceed the following parameter limits:

	Annual Average Concentration mg/L
Ammonia-Nitrogen	32
BOD	193
COD	468
Fats, Oil, and Grease	100
Total Suspended Solids	221
Total Toxic Organics	2.13
Cyanide (total)	0.082
Arsenic	0.007
Cadmium	0.008
Chromium	0.034
Copper	0.14
Lead	0.058
Mercury	0.002
Nickel	0.047
Silver	0.019
Zinc	0.231

Maximum Daily Flow	500,000 gallons per day

Thunderbolt (or Savannah appointed as Thunderbolt's sewer use regulation compliance agent) shall sample and report each of the above parameters periodically to demonstrate compliance. Access to Thunderbolt's lift station, located near 2391 Downing Avenue, shall be provided to Savannah without delay or interference for the purpose of inspection, monitoring, or sampling in order to assess compliance with the above parameter limits.

4. Operation and Maintenance Responsibilities and Inflow / Infiltration. Thunderbolt shall be responsible for the construction, funding, operation, maintenance and compliance with applicable law and regulations of the Thunderbolt sewage collection system up to the Savannah Sewage collection system. Nothing in this agreement shall obligate Savannah to maintain or operate the sewage collection system of Thunderbolt.

Savannah shall be responsible for the construction, operation, maintenance and compliance with applicable law and regulations of all sewage transport and treatment systems within the jurisdictional limits of Savannah.

It is recognized that rules and regulations of regulatory agencies may require Savannah or Thunderbolt to undertake watershed assessments in connection with the permitting of sewage treatment facilities, or to undertake new water quality monitoring responsibilities. The parties shall keep each other informed on the potential impact that such new regulatory requirements may have. Each party shall be responsible for accomplishing and funding any actions required to achieve compliance with such regulatory requirements applicable to territory within each municipality's own boundary.

Thunderbolt shall reimburse any and all costs imposed on Savannah by the action of any regulatory agency with regard to the sewage collection system which is owned and operated by Thunderbolt.

Thunderbolt shall operate its sewage collection system so as to minimize the amount of inflow and infiltration of non-sanitary sewage into the sanitary sewer system. Thunderbolt shall prohibit the connection of storm drains to the sanitary sewer system and shall remove any such connection whenever such interconnections are discovered. Thunderbolt shall defend, indemnify, and hold harmless Savannah for any costs or fines levied on Savannah by regulatory agencies which are attributable to inflow and infiltration of non-sanitary sewage within the Thunderbolt sanitary sewer system.

5. Meter Calibration Tests and Meter Failure. Maintenance of the Sewer Meter, including periodic calibration, shall be the responsibility of Savannah.

6. Indemnification. Thunderbolt shall indemnify and hold Savannah harmless for any costs it may suffer that resulted from negligence of Thunderbolt or its users in the operation its sanitary sewer system.

7. Provisions of Law. All generally applicable provisions of law now or hereafter in effect relating to sewer service by the City of Savannah shall be applicable to this Agreement.

8. Notices. Any notices required to be given to any party under the terms of this Agreement, shall be forwarded by United States Postal service as follows:

If to Savannah:	City of Savannah Attention: City Manager P.O. Box 1027 Savannah, GA 31402
With Copy to:	City of Savannah Attention: City Attorney P.O. Box 1027 Savannah, GA 31402
If to Thunderbolt:	Town of Thunderbolt Attention: Town Administrator 2821 River Drive Thunderbolt, GA 31404

9. Term. This Agreement shall be effective for an initial term ending on December 31, 2030. The term of this Agreement shall automatically be extended under the same terms and provisions, or other mutually agreeable terms and provisions, by ten (10) year renewal terms to the extent allowed under Article IX, Section III, Paragraph 1 of the Constitution of the State of Georgia.

However, the parties recognize that changing environmental conditions, changing costs, new or changed laws, rules, regulations, or orders of the state or federal governments, or other changed circumstances, may make renegotiation of provisions of this Agreement necessary prior to the end of the initial term or any extended term. Therefore, it is agreed that the parties may call for the renegotiation of provisions of this Agreement affected by changed circumstances to achieve an equitable revision.

10. Miscellaneous.

a. Governing Law. This agreement is a Georgia contract and shall be construed and enforced in accordance with the laws of the State of Georgia.

b. Severability. If any provision of this agreement shall be declared invalid or unenforceable for any reason by a court of competent jurisdiction, the parties declare that it shall be severable, and that all remaining provisions of this agreement shall remain in full force and effect.

c. Entire Agreement. Neither this instrument nor any provision hereof may be changed, waived, discharged or terminated orally, but only by an instrument in writing signed by the parties.

d. Prior Agreements. This agreement defines the rights, duties and obligations of the parties, and supersedes all prior agreements and understandings between the parties, other than the Sewer Agreements between the parties dated February 11, 1976 and January 13, 1982, and the Water Agreement between the parties dated February 11, 2010.

e. Headings. The headings of the sections of this agreement have been inserted for convenience of reference only and shall in no way restrict or otherwise modify any of the terms or provisions hereof.

f. Waivers. No delay or failure to exercise a right under this agreement shall impair such right or shall be construed to be a waiver thereof, and any such rights may be exercised from time to time and as often as deemed expedient. Any waiver shall be in writing and signed by the party granting such waiver.

g. Amendments. No amendment to this agreement shall be effective unless it is in writing and signed by duly authorized representatives of the parties hereto.

h. Counterparts. This agreement may be signed in several counterparts, each one of which shall be an original and all of which when taken together will constitute one agreement between the parties.

i. Applicable Penalties. Savannah may impose administrative penalties including administrative fines and compliance orders in the event Thunderbolt, or any of its users, violates any provision of this agreement or Thunderbolt's ordinance. Additionally, Savannah may pursue judicial remedies including civil penalties and injunctive relief for breach of terms

of this agreement by Thunderbolt or its users. These remedies are nonexclusive and their pursuit shall not be a bar against, or a prerequisite for, taking any other action against Thunderbolt or its users.

IN WITNESS WHEREOF, the parties have caused these presents to be executed by their duly authorized officers and their seals affixed as of the day and year first above written.

Company Profile

FOUNDED	HEADQUARTERS	PHONE	WEB SITE
1995	150 Kirts, Suite B Troy, MI 48084	248-269-9263	www.revize.com

Revize Software Systems was founded in June, 1995 as a "new media" development company specializing in the creation of interactive web design, multimedia content delivered on CD-ROM, and video production. Since then, Revize has made an unsurpassed name for itself in the web/internet industry as THE master of government website design, which remains our specialty. We now boast more than 2,300 clients in North America and have created acclaimed website designs for hundreds of municipalities and counties, as well as government departments and agencies. In September, 1996 as the Internet was becoming a world-wide reality, Revize began developing a Web Content Management System (CMS) for the government market to enable non-technical contributors to quickly and easily update content on their websites. The result was the creation of our state-of-the-art Revize Government CMS. Our mission has always been to enhance the communications of government organizations nationwide with their varied and valued audiences. This is based on our vision statement, which reads:

Focused exclusively on creative web design, government web apps and content management technologies, Revize continues to invest in its technology, continually adding new capabilities and features that manifest our vision. While many municipalities choose Revize to develop and cost-effectively manage their website content, clients also use Revize as an information-sharing platform. Our suite of Revize Government web-based solutions has proven valuable as a powerful technology that empowers clients to build and maintain sophisticated web sites, all while using the Internet and internal Intranets/Extranets to acquire, analyze, process, summarize and share information – ensuring that the right people always have the right information at the right time.

Government Project Experience

Acworth, Georgia

www.acworth.org

Website Details

Another longtime Revize client, Acworth is now up and live with their newly redesigned site. Acworth wanted to rebrand themselves with website design that showed off their great residential environment as well as promote its resources to attract new businesses and visitors. Revize created a personal custom design that shows the particular personality of this fine city while creating an information environment for residents to get any piece of information directly from the home page. This website design incorporates all the resident engagement features a city could ever want from a traditional documents center, FAQ center to the Mayor's video message. Users will notice that they can easily find the most important online services without having to search through line after line of text.

The City of Royston, Georgia

www.cityofroyston.com

Website Details

Royston, Georgia wanted a design unlike any City out there. With this design we focused on ease of use and a citizens ability to gt the information they need with a single click – from any page on the website. City website. With a little more scrolling we are able to give the user a lot of information, without having to squeeze it into such a small space. We use images, icons, and interactive features to create an experience for the user. This type of design also allows us to extend the City's brand in a way that is unmatched in the industry!

The City of Tucker, Georgia

www.tuckerga.gov

Website Details

The City of Tucker is one of the youngest cities that Revize has ever worked with. Tucker became a city in 2016! You read that right, 2016. Before that time, the city was an unincorporated census designated area. And all of the resident services were provided by the county. Looking to cement its identity in the Atlanta Metropolitan area, this website brings a mix of aesthetics and practicality. The content and functionality is meant to guide residents to all of the new services that the city now provides. And keeps folks up to date on the rapid changes that come with a new city. We even integrated a feature called “Team Tucker Spotlight” that introduces the community to all of the new employees and elected officials at the city. Just like all of Revize’s clients, Tucker is a one-of-a-kind place with a one-of-a-kind website!

The Village of Glencoe, Ilinois

www.villageofglenceo.org

Website Details

The Village of Glencoe is beautiful community on the shores of Lake Michigan just north of Chicago. This website brings together an amazing design with a full suite of web apps to engage Village residents. Smooth transitions from the home page to interior pages of this website allow users to find exactly what they are looking for easily. The Revize Public Service Request App, Village Manager’s Blog, fillable online form database, and a high traffic featured news and headlines area round out this website!

ADRC, Georgia

www.georgiaadrc.com

Website Details

The Georgia ADRC has the goal of enabling its web visitors to easily access the information that is important to them. This is communicated throughout their website. With a visually pleasing yet straighforward design, The ADRC is able to empowerits visitors through their website experience.

Why Choose Revize?

We Have Government Specific Experience and Outstanding Client Testimonials

You can rely on Revize and our 20 years of experience building and maintaining websites for municipal, county and government agencies of all sizes throughout North America, to deliver a customized site design that improves layout, navigation, usability and content. Using Revize ensures that your website will be reliable, W3C and ADA compliant, and allow for easy integration with existing or future web applications and third-party software. But there's no need to take our word for it -- we encourage you to peruse our massive file of testimonials from our many satisfied clients.

We Will Build a Government Communication Center that Works for Your Community!

The Revize website design, Government CMS and interactive tool sets have been developed exclusively for our government clients to help them effectively communicate with their key target audiences such as residents, businesses and visitors. Some of our most popular website and Government applications and modules include: a new and improved Online Calendar, the comprehensive Forms Center, our News Center with real-time social media connectivity, Emergency Alerts, E-Notifications, Citizen Request Tracker, Parks & Shelter Reservations System, Document Center, and Online Payment Portal.

What sets Revize apart from other companies? Revize's superior technical architecture, unsurpassed staff expertise and highly effective publishing engine provide our government clients with the most reliable website solutions in the industry today. By ensuring our client's data security and providing redundant server architecture and back-up data centers, Revize has a nearly 100% up-time rate. Plus, our clients never have to worry about data loss or data corruption because of our instantaneous back-up process and our data center's tape back-up processes. Revize believes that investing a higher percentage of our profits into our technology and security makes us the best choice for the short and long term for governments seeking the best value for their community's website.

All this, and a reliable IT partner too! Our website development is superior, and our Government CMS and suite of online apps is easy to learn and administer, but our 24/7 technical support will also be there for you to help you get over the hurdles! Our technical support team is widely considered to be among the industry's best. We also provide a sophisticated backup infrastructure which allows us to guarantee 99.99 percent uptime. Plus regular updates and improvements to ensure that your site will remain current with industry standards and keep running smoothly for years to come. The Client Owns the CMS License and the Code!

We often hear the question: **"What happens if we want to move the website to another vendor? Do we lose all access or any of our website data?" The answer is 100% NO!** As our client, you own the template source code, the CMS, and any data that you put onto the website. We understand that clients may come and they go, but we always make sure they know they are just as important to us at the end of our tenure as they were at the beginning. If you decide to run the CMS in your own server, we can transfer the CMS license and software to your server as you own the license and you can run it from your server as long as you want

From small to large, rural to urban, the Revize project management process guarantees a perfect fit between the concept of the deployment and the expectations of the client's level of engagement preferences.

However we do use a standard, proven effective process methodology. Each client is unique and we tailor our process to fit their unique needs. For as long as you are our client you will have staff dedicated to your account and access to an on-line portal for communication, design process and on-going support.

Dedicated Accounts Manager: Your dedicated Account Manager will handle all issues related to your contract, pricing, future product add-ons, and general account satisfaction. During the initial kick-off meeting, your Account Manager will introduce you to the team, explain roles and responsibilities, and place you in the very capable hands of your Dedicated Project Manager and Designer.

Dedicated Project Manager: Your dedicated Project Manager will handle all issues related to the website design, development, navigation, content, training, timelines and deliverables, as well as ensuring that feedback and communication occurs promptly in order to keep the project on-track. Also, the dedicated project manager will be the point of contact for any future technical support or issues that need to be addressed during the deployment and post deployment of the site.

24/7/365 Project Portal Access: From day one, your project and on-going support is tracked in the Revize On-line Project Portal. The main point of contact you select for the project will receive an invitation to register, including setting up a secure user name and password. The Project Portal serves as a communication tool for any matter pertaining to your website design, development and on-going support even after your website is launched.

"We guarantee the best support in the industry that's 24/7 365 by the our trained developers & technicians"

The project planning process is designed to fit your needs. We will adapt our timeline if your schedule requires.

Revize Project Life Cycle

Phase 1: Initial Meeting, Communication Strategy, SOW

Your Revize Account Manager will set up the initial internal project planning meeting where we will talk about the overall management of your project, establish a timeline, and devise a Revize-Client Communication Strategy that will keep everyone engaged and up-to-date on the progress of the project. We will also discuss specific technical requirements of the project and determine the phases through which those requirements will be addressed. In addition, Revize will address the content strategy of the new site, any new content that needs to be written and how to fit the existing content into the new site, Additionally, as an optional item, Revize will discuss the process of conducting online surveys to gather feedback from your constituents for the new website layout and requirements. After this meeting, Revize will develop a Statement of Work and provide it to the client for review and approval.

Prior to the design kick-off meeting, you will receive our questionnaire to complete with various answers that will help our designers gather information regarding your needs and preferences. Our team will also brainstorm ideas and suggestions with you during the meeting.

The questionnaire addresses various issues such as:

- As a result of a new website design and navigation, what are the main improvements you hope to achieve?
- What are some key points and areas you may want featured on the Home Page?
- Do you need help with logo design? Image? Marketing & branding?
- What key modules do you want featured in your web site, like Document Center, Report a Request, News & Events, Events Calendar etc.
- Do you need social media features need to be highlighted in the new site? etc..

Phase 2: Discovery & Design

If there is client approval, we will collect feedback from the residents on the new design layout by setting up an online survey with a set of standard questions. The survey questions need to be approved by the client prior to our adding a link from your current website. This link can also be distributed through other channels like email, newsletter or any other form of communications you might be using to stay in touch with your residents. Usually there is a 1- to 2-week survey period. Once survey results have been tabulated and your needs have been determined, you and your Revize team will participate in a Design Kick-Off Meeting. A senior designer and team will conduct an in-depth interview, and brainstorm ideas with you about your vision for the look and feel of your custom website. Our efforts on this project will extend far beyond placement of provided information within a stunning design. It's about uncovering how your audience wants to be informed, and applying our 20+ years of web design and development expertise to create the most effective ways of displaying that information and getting users to access and use your website. We always strive for nothing less than an award winning design!

Revize Design Principles

The Revize Web Application Developers are not only responsible for the look, functionality, and performance of your website. They are also responsible for the security of the web content and web-based applications they create. They ensure that the code supports secure authentication and authorization, and provides access control mechanisms as required.

Good design principles are always based on readability, taking into consideration appropriate font type and size for headlines and text area, as well as line height – ensuring all page elements are balanced. Our designers also pay meticulous attention to their use of shadows and gradients. To the layman's eye there may not appear to be a shadow, however on the website the font will appear sharper (or maybe softer depending on the amount of shadow used).

Of course color cannot be overlooked. Our designers first take the client's preferences, official logo colors, and pictures into consideration to create a color scheme consisting of no more than three colors. We then use variants and hues to create visual appeal, contrast, eye-catching allure and invoke the overall feeling that the client desires.

Last but not least is effective use of page elements such as call to action buttons, social sharing icons, email newsletter sign-up, and promotion areas. The ultimate goal is to provide an easy to navigate webpage that is informative without being overwhelming. Therefore, it is the designer's job to guide the client in making appropriate placement choices for needed items.

Revize Design Trends

There are some exciting new design trends, and Revize is always on the cutting edge, implementing the best of these innovations in our websites. We are especially pleased at how effectively they are proving to be in increasing engagement in government websites.

#1 Responsive Web Design – The most important development in website design in years, Responsive Web Design (RWD) automatically conforms and optimizes websites for any screen size. With the substantial increase in smartphone and tablet users today, people are going online using a vast number of devices with wildly different screen sizes. Our websites offer this very important feature of easily and cleanly conforming to computer, tablet and mobile device screens.

#2 Liquified Content – This is another important trend that address the fact that information is no longer static or concrete. Instead, content is specifically customized for each unique user. Liquidity of content enhances the immediacy and flexibility of content. The more liquid your community's content, the easier it is for residents and businesses to access this information in ways and via the channels of their choice: fixed or mobile, interactive and live. Revize is able to effectively make your content liquid. This will make it adaptable to various situations and, therefore, easy to reuse in different contexts distributed for a variety of display formats and communication channels.

#3 Image Tiles – This is a trend that enables developers to display content in a pin board style of display. Revize now offers this feature, which creates a very visually appealing display of content,

such as pictures or social streams. Image tiles also help promote engagement by encouraging site visitors to comment or reply to items from directly within the image tile. This is an especially useful option for web pages promoting tourism.

#4 Parallax Scrolling – This is a highly advanced, innovative design technique for sophisticated websites. Parallax Scrolling allows Revize to build websites in multiple layers, with content that moves across the screen at different speeds as visitors scroll. This unique design technique is very visually engaging and can help improve time-on-site metrics.

#5 Innovative Typography – This plays a very important role in website design, image and branding, and is especially important for maximizing the look and feel of the website when accessing it from mobile devices. Our designers are experts in effective typography and take many factors into consideration when selecting the type of fonts, font sizes, and colors to be used for a website.

Key Phase Objectives & Deliverables:

The following steps are followed while designing new sites

- **Establish Needs and Creative Direction:** Understand your objectives and requirements, and provide recommendations for effective online branding pertinent to your requirements, existing branding and your web audience's needs. The Revize designer will also conduct his own research in order to capture the character and "feel" of your area, which will inspire ideas for the overall design direction of the website.

- **Main Menu Navigation & Home Page Wireframes:** Work with you to establish a main-level navigational architecture and identify key items accessible from your home page. This establishes a baseline for the navigational structure, as well as the preferred content structure (wireframe*) for the home page.

- **Page Layout and module placement:** We will follow all the best practices to layout the different features and modules so that they can be easily accessed by your residents. For example, on the home page there will be sliding picture gallery and quick link buttons for Notify Me, Report a Concern, Document Center, FAQs etc. Also the news and announcements module and events calendar would be integrated into the website, along with the Social Media Center.

  Please Note: The home page "wireframe" will simply serve as a realistic guideline in terms of content placement, but will not include the final text nor final imagery for this phase. Please see a sample wireframe to concept development snapshot in the next page.

Wire Frame to Concept

Design Deliverable:
The design concepts for this phase will be based on one or possibly two home page layouts. The client will review and provide design feedback to the designer for changes. Revize asks that clients have no more than three iterations of changes up to the point that the final concept is approved.

Final Home Page Sign Off:
When all changes have been made, Revize will present your final home page design and layout for approval. Customer approval is required to proceed to the next phase, the inner pages of the website, and the process repeats itself before the actual HTML & CSS is written.

Final Inner Page Sign Off:
When all changes have been made, Revize will present your final inner page designs and layouts for approval. Customer approval is required to proceed to the next phase, when the actual HTML & CSS is written.

Phase 3: Template Development, CMS Integration

First, the Revize development team will transform the approved designs from mere pictures into fully-functioning HTML/CSS and Revize Smart Tag enabled web page templates using the Revize Dreamweaver Extension. The Revize Smart Tags are fully customizable and allow customers to expand functionality as needed. To maximize this extensibility, the full Revize Java API is provided to clients with our Advanced Training Program.

Phase 4: CMS Modules Setup

In this phase, all of the features and modules the client has requested will be set up, e.g. calendar, document center, picture galleries, alert center, e-Notify, etc. are all brought to life and made functional while also being tested in the Revize CMS. Revize enhances current modules and adds new modules continuously, and you will receive all future updates to modules at no additional cost.

Phase 5: Custom Functionality Development

In this phase and according to your specifications, custom functionality of existing CMS modules, database scripting and programming, as well as any custom application development will be executed. The Revize development team will be interfacing directly with your technical staff to obtain information and test information exchange and application functionality. This phase may overlap phases 2 – 4.

Phase 6: Quality Assurance Testing

In our testing phase, we ensure that your website meets functionality, performance and security standards. Our QA team uses mock data to test navigation and interfaces of the templates, along with any custom developed applications or modules. Additionally, through a series of tests, we perform input validation to ensure that security mechanisms cannot be bypassed if anybody tampers with data he or she sends to the application, including HTTP requests, headers, query strings, cookies, and form fields. We also ensure that when errors do occur, they are processed in a secure manner to reduce or eliminate exposure of sensitive implementation information.

Phase 7: Content Development / Content Migration

Revize will develop all of the pages for your site to make the initial content available upon site deployment. Our content development and migration experts use the latest standard formatting practices to develop the navigation and create the most effective content possible for your website. This includes spelling and style corrections into the new website.

Revize will implement an effective website architecture with the latest technology and usability trends so your website visitors can find information in an instant. We will also assess your current website content and incorporate what you currently have with additional content to maximize interest and excitement for your readers. Our content experts are educated in proper writing and terminology, and will use correct grammar, spelling and punctuation.

Our web designers use creative typography which makes the website more visually appealing and also plays a role in defining the hierarchy of content to be placed on the web page. Variations in size and color are used, as well as strategic placement on the page to highlight certain site areas so the visitors can easily navigate the site. Effective typography also ensures that your website will look good on desktop, laptop, mobile and tablet devices.

Phase 8: Training Your Staff (in-person or web based training)

Once your website is ready for you to begin editing, you will be able to easily revise your content as often as needed. Revize will train you on how to operate the Administrative and Content Editor functions so you can manage your website. We typically provide this training on-site; however, we can also provide on-line training for your staff if you prefer. For your convenience, training materials can be downloaded from the Revize website. After training, our friendly and responsive support staff is always here to answer questions and provide training refreshers as needed.

Final Phase: You Go Live!

At last, your website content is complete and your staff is sufficiently trained! The final phase in the process is to redirect your website domain name from your old site to your beautiful new one. Once this is completed, Revize will closely monitor the transfer for the first 24 hours to ensure that everything is working properly. Any issues that arise will be immediately resolved.

Marketing & Ongoing Consultation

Revize seizes on every effort to make our clients' sites highly visible. We draft press releases for posting on our website and for distribution locally, and will continuously monitor your site after it goes live so that you can take advantage of all marketing opportunities. We also look to submit your site for different awards and recognition competitions to further maximize your site's exposure.

Search Engine Registration and Marketing

Revize will input all the targeted keywords to make your web pages search engine friendly, thus enabling users to find targeted information when they do a Google, Yahoo or any other search on your site.

Revize Cloud Hosting, Disaster Recovery & Security

Resilient Hosting:

Revize uses Amazon Web Services (AWS) Hosting Infrastructure that is offered in multiple *Regions* in the United States and around the World. Each Region is a separate geographic area completely isolated one from another. AWS Regions are connected to multiple Internet Service Providers (ISPs) and to a private global network backbone to offer lower cost and more consistent cross-region network latency when compared with the public internet

A region has multiple, isolated locations known as *Availability Zones* (AZ). Availability Zones are inter-connected through low-latency links. A Virtual Private Center (VPC) spans across multiple availability zones.

Revize Web Sites are hosted on a Virtual Machine running Windows Server operating system with Internet Information Service (IIS) as a Web Server. Virtual Machine is an EC2 instance in AWS terms is hosted inside a VPC in an availability zone of a pre-selected region. A number of EC2 are provisioned in multiple locations across the United States inside a Virtual Private Center isolated from the Internet and the rest of Amazon Web Services infrastructure to offer faster access to the end-users and to minimize the impact of an outage, whether of a specific EC2 instance, an availability zone or an entire AWS region.

Disaster Recovery:

Windows Web Server virtual disk or EC2 Elastic Block Storage (EBS) is backed up on evry night at 10 PM EST. Additionally, the snapshots or virtual disk backups are subsequently automatically copied between regions to enable cross-region recovery capabilities.

Should a Web Site hosted by Revize and monitored in automated fashion become unavailable, another EC2 instance can be restarted. When that proves insufficient EC2 instance will be reprovisioned in the same availability zone, a different availability zone, or, in a different region using the latest snapshot in the matter of a couple of minutes.

The incoming request, from the Internet traffic, is bound to a static IP address or Elastic IP in AWS terms that leverages NAT to forward traffic to a running EC2 instance private IP address. In the case of an EC2 instance re-provisioned in the same region, whether in the same or a different availability zone, Elastic IP is re-assigned to the new EC2 instance.

Elastic IP is represented to the public internet using CName or A-Host domain name services entry. In case of an EC2 instance or an availability zone failure, no adjustment to domain name service is required. In the case of a regional, wide-spread AWS outage, an EC2 instance is reprovisioned in a different region, re-using the latest snapshot preserving the content as of the last automated backup. However, an Elastic IP is specific to the region and, therefore a change to CName or A-Host configuration is required to point to the disaster recovery regional Elastic IP. Revize Disaster Recovery Infrastructure Diagram. AZ stands for Availability Zones

Security:

Revize takes website security very seriously and we provide our clients with the very best website protection protocols. Our data centers are located on secure premises equipped with card-reader access, security cameras and guards on duty 24/7 to ensure the physical protection from unauthorized entry.

Revize/AWS complies with SOC 1/ISAE 3402, SOC 2, SOC 3, FISMA, DIACAP, and FedRAMP, PCI DSS Level 1, ISO 9001, ISO 27001, ISO 27017, ISO 27018 and other programs. Revize is responsible for securing the content, access to the content on the web server, to snapshots, configurations and infrastructure as a whole.

Our web and network administrators monitor network activity 24-hours-a-day to ensure system integrity and protection against threats such as Denial of Service (DoS) attacks that could corrupt your website or block user access. Maintaining the secure configuration of our web servers is managed through application of appropriate patches and upgrades, security testing, vulnerability scans, monitoring of logs, and backups of data and OS.

Security Controls, SSL, and Active Directory (LDAP)

- Anti-malware software such as antivirus software, anti-spyware software, and rootkit detectors
- Shield Plus Security Bundle to prevent DDoS attacks
- Host-based firewalls to protect CMS servers from unauthorized access
- Patch management software
- Security and Authentication Gateways
- Content filters, which can monitor traffic to and from the web server for potentially sensitive or inappropriate data and take action as necessary

- HTTPS (Hypertext Transfer Protocol over SSL), which provides encryption and decryption for user page requests that require more secure online transactions
- SSL (Secure Socket Layer) provides an encrypted end-to-end data path between a client and a server regardless of platform or OS
- If you have an existing SSL Certificate we can transfer it to the new website. Otherwise, if included, we will install a new SSL Certificate upon go live.
- Active Directory (LDAP) is compatable with the Revize CMS. It can be set up in a variety of configurations. As part of the process we will work with you to determine which configuration will best meet your needs.

Application Security Authentication

- Role-Based Security: Role-based authentication to add individual user accounts and assign them system roles like Editor, Developer, Administrator, Workflow Approvers, etc., or department roles and empower the department to assign specific roles to users.
- Permission-Based Security: Ability to set up Content Owners/Editors and restrict which site pages they are authorized to update
- Global & Department Workflow Management: Create workflow management and approval processes where authorized department personnel become approvers

Maximum Response Times

- 1 hour for crisis issues
- 4-6 hours for critical issues
- 24 hours for normal issues

Revize Support

- 8 a.m. – 8 p.m. EST Phone Support (Monday thru Friday)
- 24X7X365 Portal & Email Support
- Dedicated support staff to provide assistance and answer all questions
- New and existing user training
- Training refreshers
- Video tutorials and online training manual
- Automatic integration of enhancements
- E-Newsletter module support
- Automatic upgrades of CMS Modules such as Calendar, Document Center, etc...

Software Maintenance

Revize rolls out two new versions of the Revize CMS, and six to eight product updates every year. The Revize CMS is continuously enhanced to keep pace with cutting edge technologies and industry trends. When a software update or new version is rolled out, Revize will automatically update all servers used by our subscription service clients.

"As a Revize client, you will receive full access to all enhancements to the core components and modules in the Revize CMS at no additional charge."

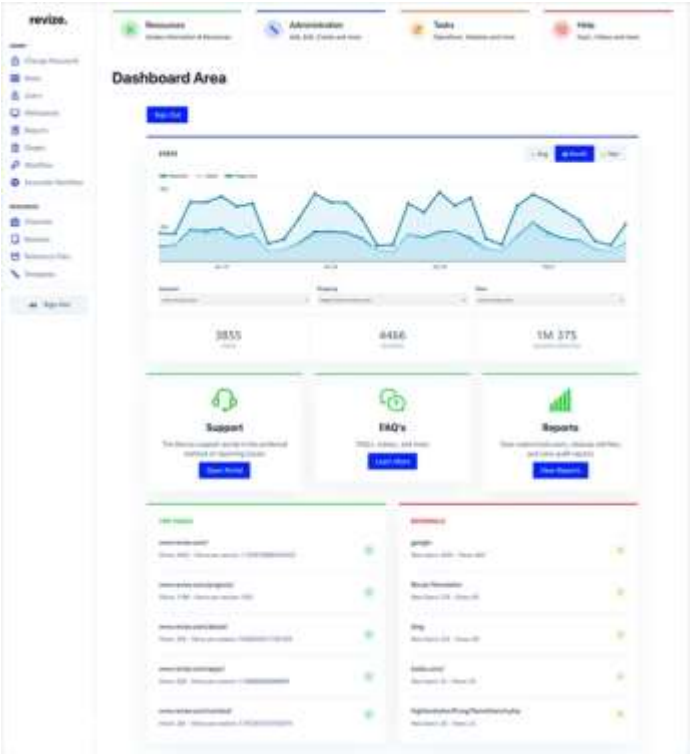
Revize Website Analytics



Revize has Custom APIs for Google Web Analytics that is integrated in each of our client's websites. Analytics makes it easy to understand how your site and app users are engaging with your content, so you know what's working and what's not. Revize CMS dashboard for Analytics provides an overall picture of how residents are interacting with your site, which pages/documents are being viewed most, how much traffic you are getting in your site across different geographic regions etc. You can filter and download all sorts of analytics reports for your IT Team and Management to analyze the data and effectiveness of your website content and services offered. The image to the right is a graphical view of our analytics dashboard interface, the data shown is for our own website but this will be replaced by your site data when it's integrated.

Revize CMS Technology

The Revize Government CMS is a standards-based, open architecture software product without any proprietary restrictions. Revize uses leading technologies to avoid integration problems with existing systems and comes complete with its own Integrated Publishing Engine, Embedded Relational DB, JSP/Servlet Engine, and Application Server.

Payment Options

"Pay as we Build"

The "Pay as we Build" payment option is our most requested payment method. This option does not require any payment up front whatsoever. You only pay after we complete certain phases of the project. Revize will invoice for 1/3rd of the project cost after the completion of phase 3; The next third after the completion of phase 6; And the final third before the go live of the website. This option allows you to pay upon the completion of work by Revize, instead of up front. Invoices are Net 30.

Optional Payment Plan – The Revize Client First Plan

The Revize Client First Plan offers governments an alternative payment plan that makes it easier to purchase a new website on your budget and spreads the one-time project design and development costs over a longer period of time.

Through a minimum three-year contract, The Revize Client First Plan dramatically lowers the one-time project development and start-up costs of launching a new website. What Revize does is combine the one-time and recurring fees and spreading them over the life of the contract. And because we value our continuing relationships with our customers, those who extend their contract beyond the three-year minimum will receive a website design refresh at the end of their fourth year with Revize Free of Charge.

Citizen's Communication Center Apps

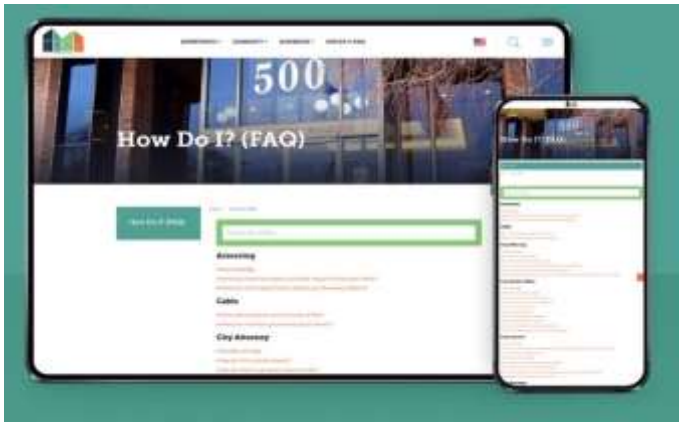
Document Center App

Revize helps clients save thousands of dollars each year in employee time and resources with our Document Management Center. Using this module you can create and archive the documents your site visitors need: applications, brochures, manuals, policy and data sheets, research papers, meeting minutes, and more. By providing all of your documents online, your site visitors can access them 24/7 – usually within two clicks -- and you won't incur any printing or postage costs

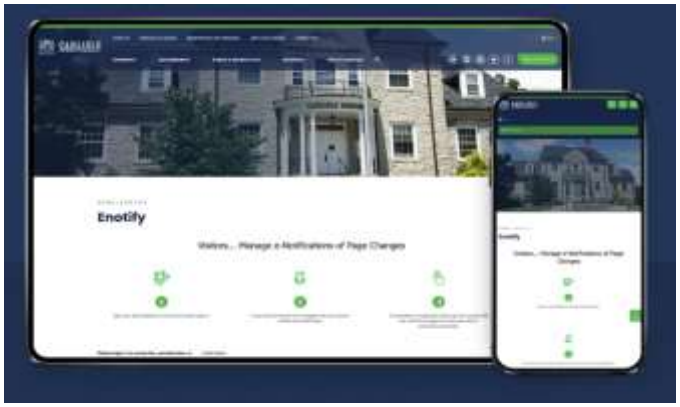
FAQ

FAQ's make it easy for site visitors to find answers to common questions and will greatly decrease the number of calls coming into your switchboard each day. In fact, within six weeks of a Revize website launch, our clients typically experience a significant decrease in the number of daily phone calls... some by as much as 23%!



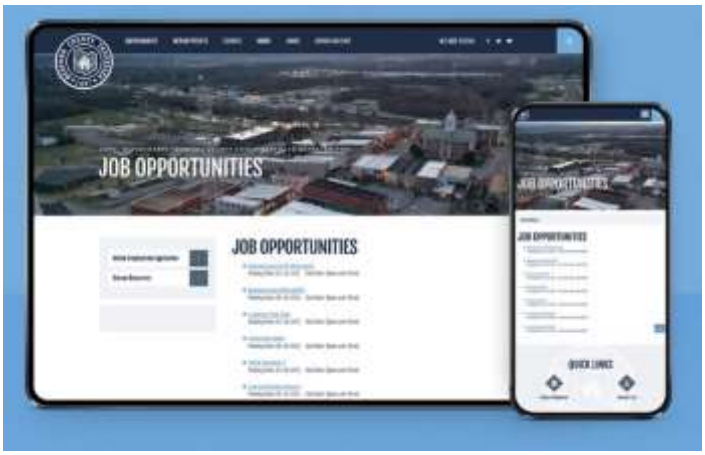
E-notify

Many of our municipal clients include an email/text notification option on their Meeting Minutes and Meeting Agendas pages so that interested citizens can sign up for automatic updates anytime there is a new posting.



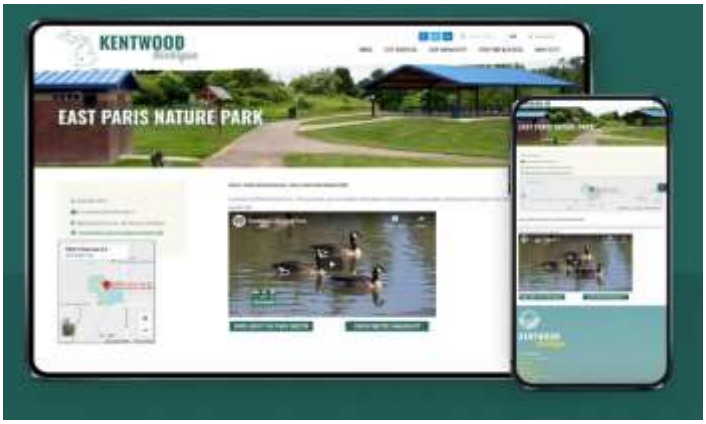
Job Posting

Revize's job postings app allows your site visitors to view and apply for open positions online. Postings are removed automatically based on the job expiration date input by your HR personnel. You can provide as much detail as you like and link to or upload any number of files that fully describe the job position. Best of all, with the form fill interface, new openings can be posted in minutes by non-technical



Interactive Map

Not only does the Revize CMS ensure that your site is easy for visitors to navigate, we've made it even easier for them navigate the real world surrounding your location. Specific buildings, parks, bike paths, mass transit stations, nearby businesses, tourist attractions, parking lots, voter polling locations, and more are incredibly easy to identify with the familiar Google Maps highlighted with Pins.



Calendar App

The Master/Sub Calendar provides an easy-to-use tool to enhance usability and encourage the communication of events both internally and externally. It provides visibility and transparency into activities, meetings, and events with a visually appealing display and easy to find event contact information. The ability to insert recurring events saves time by allowing you to create the event once then repeat automatically; great for Board and City Council meetings.

Notification Center

You can't fool or control Mother Nature. But you can protect members of your community from her wrath. Posting emergency notifications on your home page, any other page, or throughout your site, this module allows your content editor to accurately explain the situation and instruct members of your community on the next steps to take.

Bid Posting

The Bid Postings App provides a simple and easy-to-use method for organizing and presenting bids, RFPs and RFQs online for vendors or local contractors interested in providing products and services to your community.

Business Directory

Ideal for municipalities, chambers of commerce or any membership organization, this module allows you to easily create and maintain a searchable directory for either members or businesses within the website. Listings can be added, removed and categorized by non-technical staff in a simple table interface.

News Center Integrated with Facebook

Many of our municipal clients include an email/text notification option on their Meeting Minutes and Meeting Agendas pages so that interested citizens can sign up for automatic updates anytime there is a new posting.

Online Forms

Using this module, you can create -- from scratch -- an unlimited number of online forms on any page of your site using various field options such as long answers, radio buttons, drop-down lists, multiple choice, etc. Having online web forms provides a quick and easy alternative for users to communicate with you and provide important feedback, opinions or complete tasks online. These forms can be used to have web visitors contact you with questions, comments and requests, give feedback, volunteer, or to sign-up for various events, activities or programs.

Quick Links

The Quick Links module allows site visitors to navigate to their areas of interest, much like FAQs. Examples for users: Where do I... Get Registered for Summer Camp Where do I... Get a Marriage License.

Sharing App

Provides a one click drop down to multi-social media and utility buttons. A common widget used on the web, it is intuitive and easy to use.

Sliding Feature Bar

This feature is a mainly for visual appeal. It helps to break up pages with an interesting slide bar that can be populated with any subjects or areas that you want to draw attention to. For example, you may want to feature Parks & Rec, Landmarks and Tourist Attractions.

Translator

Revize integrates the Google Translator into your website templates and translates from English to over 94 other international languages. Provides users a large visual display at the top of the web page to choose any language to convert the text into.Citizen's Engagement Center Apps

Citizen's Engagement Center Apps

Public Service Request App

This app allows residents to submit requests based on a map view. Each time an issue is submitted, a staff member will receive an email notification. From there they are able to respond directly to the requests. Photo submission, automatic esclation, mobile app integration, and archived reporting make this one of our most powerful features!

Citizen Request Center

This app allows customers, residents, participants, students, or any website visitor to post requests online. By the use of a drop down menu, individuals can forward the request, idea, or comment to the party of interest. That item is then forwarded via email to the proper recipient. You can add or delete department names as well as individuals in the drop down menu at any time. Captcha is integrated to ensure each request is genuine and not a spam.

Citizen Connect

This app helps open up the lines of communication between administrators and their constiuents, increasing transparency and contiuent interaction. It is a blog that features the option to allow constiuent comments for feedback (comments can be moderated before being published to the website).

Reservations App

This app allows the display of parks shelters and their amenities and to manage their availability to the public. A website visitor can search for facilities by type available, review the amenities for each facility and easily reserve the facility including the option to pay for its use.

Online Bill Pay

Allows clients to set-up secure on-line payment processing for credit card transactions. Can be used for utility and tax payments; Purchasing items on-line; or making donations to non-profit organizations.

Rss Feed

Site visitors will be eating out of the palm of your hand with our RSS feeds module. Revize's CMS allows customers to generate RSS (Real Simple Syndication) feeds for any genre of news or events. RSS feeds are a trusted way to communicate important information to site visitors while ensuring that they remain engaged with your organization and regularly return to your site.

Agenda Posting Center

Using this app, you can upload agendas, meeting packets, meeting minutes, proposals for review, and more, all into one area on your website for easy access and review before, during, or after each meeting. Old meeting agendas and information are archived per meeting for quick access at any time.

Job Posting App

This app allows you to post a job and receive resume submissions online. Candidates can fill in all the fields and submit the job application online. Once the job application is submitted, a link to the filled in application form will be emailed to the responsible HR person which they can view, print and file for their records.

Image Manager

Allows approved staff to upload images from their computer or network folders. This very simple interface allows you to upload new pictures and stores uploaded pictures for reuse. Each department can create their own image folders and organize image libraries by department. Also, obsolete images can be deleted from the image library.

Intranet

Provides a Dynamic CMS-enabled area with secure login to build out an entire Intranet for employee specific information only. It benefits your employees to have an internal organization landing page that can be updated with news, events, alerts and many of the same modules used on the extranet.

Link Checker

When a new link is created, the Revize system checks if the URL (link) is valid or not. If not, an error message will be displayed. This benefits the Content Editor by double checking bad links before they are saved on your website.

Menu Manager

Allows approved content editors to add or edit site-wide top navigation, department or section specific links (e.g. left or right navigation). This feature gives you control to change and update the Navigation menus of your website for continuous improvement.

Online Web Page Form Builder

Having online web forms provides a quick and easy alternative for users to communicate with you and provide important feedback, or complete tasks online. These forms can be used to have web visitors contact you with questions, comments and requests, give feedback, volunteer, or to sign-up for various events, activities or programs.

Web Content Archive

Your site history will never be a mystery because all content edits for your site are archived on the Revize CMS database. Your content editors can click on the History button to view previous versions of a particular page or content block from your site.

Web Content Schedule

This feature eliminates the possibility of having dated or past events being promoted on your site AFTER the event has passed, thus potentially undermining the perceived accuracy and currency of the site's content in the minds of your audience.

Audit Trail

This is a powerful administrative tracking tool that provides reports on the content change activities of any webpage within the system. The administrator can gauge how often the site is updated, which departments are most active; and also use the audit trail for recovery of data if necessary.

Auto Sitemap Tool

Revize CMS provides this tool to automatically generate a sitemap. Anytime a new page is added or deleted from the system, the sitemap will republish to show the change. An up-to-date sitemap is very critical to boost the ranking of your website in different search engines.

History Log

Administrators can view all the archived versions of any web page and restore any old/archived page. It is a very useful feature for referring to any archived legal documents or press releases.

Roles/Permission Setup

Our CMS uses a role based authentication system where you can add individual user accounts and assign them system roles like Editor, Developer, Administrator, Workflow Approvers etc., or you can add roles for each department and assign department-specific roles to each user.

Secure Site Gateway

Provides a secure login area for either users of an intranet or users to access information not available to the general public. Once users are set-up with a secure login ID, they can manage their own password changes as necessary.

Website Statistics

Revize integrates Google's Web Analytics tool to track number of site visits, website traffic sources, etc. Your website administrator can run various reports to collect important data on the usage of your website.

Workflows By Department

Provides a method for Supervisory Oversight of content updates. The process allows an authorized "approver" to compare the current page with the proposed new page content (side-by-side) for easy review and comparison.

Alt-Tags

Use of alt tags for images, a required part of the Revize CMS image manager feature, allows vision impaired individuals to understand the content of the image.

ADA Accessibility Widget

Provides the ability for users to change font size, color contract, cursor, etc. by clicking a button. Helps those with low vision to easily read information on your website.

Responsive Web Design

Revize uses pixel rendering Responsive Web Design to accommodate better viewing of text and graphics for any size screen, i.e., smart phones, tablets, iPads and iPhones.

to me

Hi Robert,

Wanted to follow up after our call yesterday. I don't believe the IT in a Box website solution provide you with as much help as you are looking for in building your new website, as you probably gathered from the conversation.

We have another offering, our VC3 Partnership Plan website. The Partnership Plan includes much more interaction and updates – more of what you are looking for. However, there are still some things that are outside of that scope that we discussed – online payments, etc.
The Partnership Plan pricing starts at $475/month with an upfront fee of $10k. It is a 4 year contract and your site gets a complete redo every 4 years.

Here are some of the sites that are most recent:

https://www.forestacres.net/
https://www.snellville.org/
https://www.hendersonvillenc.gov/
https://www.cityofflorence.com/
https://www.townofforestcity.com/
https://lewisvillenc.net/
https://www.sumtersc.gov/
https://www.knightdalenc.gov/
https://www.wakeforestnc.gov/
https://www.biltmoreforest.org/
https://www.rolesvillenc.gov/
https://www.iop.net/

I'd be happy to set up another call with our Partnership Plan designer if you'd like to hear more about this. Most of the time, smaller cities are just looking for basic website customization so I apologize for not having the right folks on the call the first time.

Thanks for your time,
Christie

The last **municipal website** your town will ever need!

Web Design Proposal

Prepared for
TOWN OF THUNDERBOLT

TOWN WEB

Delivered on: March 09, 2022 | **Submitted by:** Benjy Stauffer, Town Web

Town of Thunderbolt

Thunderbolt, Georgia 31404

Dear Robert,

When you choose Town Web Design, you will get the ***last website you'll ever need.***

What do I mean by that? **First, you'll get a new website now.** Working with you, we will design and build a new municipal website for the Town of Thunderbolt that's easy to use and looks great for your residents and online visitors.

Then, you'll get our all-inclusive, "white glove" customer service. Just call, chat or email, and we take care of your website needs 24 hours a day, seven days a week. Our sites are secure and protected with guaranteed 99.9% uptime. Your website will look good and work well every day.

Finally, you'll get a free website redesign every three years. Technology changes, and we stay on top of it, but it's important to update your design, too. You'll never need another website when you choose Town Web Design.

We build long-term relationships. We don't just want to design your website, we want to keep you as a satisfied customer for years to come. **We have more than 500 municipalities who work with us, and more than 80 of them have been with us since we started in 2007!**

All our customers love the fact that we offer fixed pricing – your annual costs do not go up!
I invite you and your committee to check out all the benefits we offer so that you can get started with a fantastic new website that will be the last website the Town of Thunderbolt will ever need!

Sincerely,

Benjy Stauffer

Top 10 Reasons Customers Choose Town Web Design

Reason 1: More than a Dozen Years of Building Municipal Websites

Town Web Design has been creating and hosting municipal websites since before the iPhone came out and Facebook became popular. This mobile revolution has changed the website industry, and we have embraced these changes so your website will be relevant to the ever-changing needs of technology and your residents. In 2007, most boards and councils were worried if their municipal website would work on dial-up. Now, they want sites that load fast, work on mobile phones and comply with the Americans with Disabilities Act 508. *We deliver on all of these -- and more.*

Reason 2: We Understand Towns' Needs

We are not a typical web design agency that you would find in any medium-sized city in America. **We do not do commercial website design**. We only do website design for towns, villages, cities and boroughs. We specialize in municipal website design. This focus is the key reason we can provide affordable, fixed-price service to municipalities like the Town of Thunderbolt and also why we can launch your website in as little as two months.

Reason 3: Clerk-Tested, Board-Approved

More than 550 boards and councils have chosen and currently work with Town Web. We are their approved web design, hosting and support vendor. When we started, more than 80 boards selected Town Web as their website provider, and they still consider that a great decision today. Websites built by us represent a sound investment in quality, performance and dependability. We are your low-risk, highly experienced municipal web technology partner to take you into the future.

Reason 4: No-Cost Redesign Every 3 Years

Technology changes, and we change with it. Things that were relevant when I started Town Web in 2007 are no longer important. Back then, municipal leaders wanted to know if people could reach their website on dialup from a desktop computer. Now they want websites that are ADA compliant, mobile-friendly, better integrated for search with a modern design that loads quickly. It's our job to find solutions to changing technical needs of our customers. We always are on top of changes in technology. When we update our software and systems, we improve the entire ecosystem for all of our websites.

A website redesign with Town Web Design is not just a coat of paint. It's a new website for you. We meet with you just as we do when we initially design your website. The process is not quite as in-depth, because we have your content already in place. But we retheme your website and use what's best in practice at that time -- three years down the road.

As long as you are a Town Web customer, you'll get another free website redesign every three years, ensuring your website stays up-to-date and working for your residents' changing technology needs. We build lifetime clients, establishing a relationship with them. We will always solve their needs for a reasonable price.

Reason 5: Fixed Pricing -- No Cost Increases

Every municipal web design customer at Town Web has a **fixed annual cost**, so it's easy to budget. You won't need to rely on expensive third-party IT services to manage and maintain your website or wonder who to call. Everything is done for you by the Town Web team for one fixed price.

Reason 6: 24x7 Monitoring & Security

We protect your municipal site against accidental or malicious data loss. Security threats and hacking attempts happen all the time, but we have you protected. **We provide 24x7 monitoring of your site, and we have systems in place to keep the bad guys out.** Every few minutes, we "ping" all of our sites to make sure they are accessible. Our system lets us look at downtime and uptime, and we can go back and look historically for the last 24 hours, the last 30 days or whatever time frame we wish. If your website is down, we are more likely to know about it before you will. We get notifications for any hacking attempts.

Furthermore, we do daily backups of your site and store them on a different server in a different location. If anything major were to happen to your site, we will take last night's version and restore it for you at no cost. If a natural disaster occurred near the site of our main servers, it's possible our websites could be affected. So, we store our backups at a completely different location to ensure we always have a backup of your most up-to-date website content ready to go.

Reason 7: 24x7 Service & Support

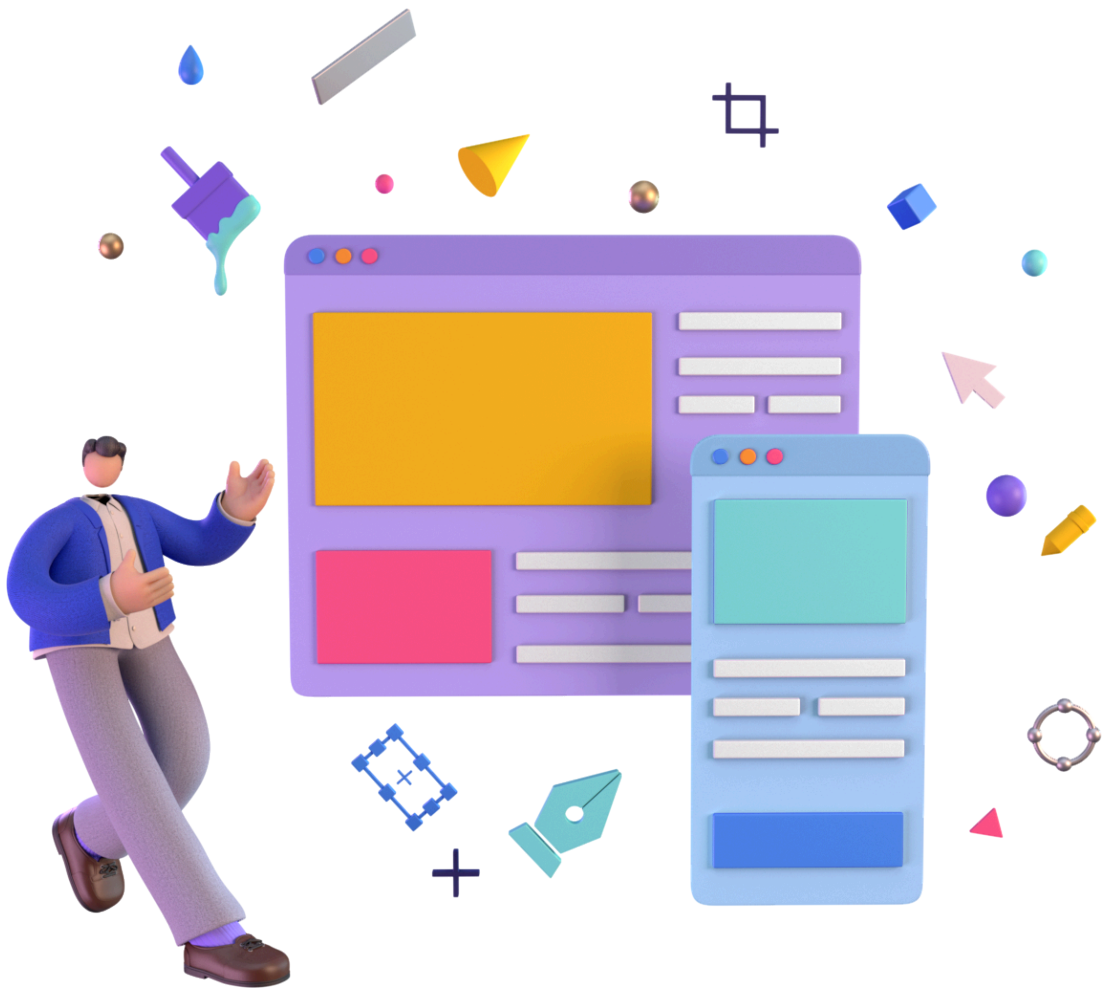
Municipal clerks and staff members love having Town Web as their website provider because they can rely on us for anything related to their website. **All it takes is a call, email or chat message (including Facebook Messenger), and we can post or edit something on a page for no additional cost.** Our support is like an "all-you-can-eat buffet." You get as much as you want for a fixed fee, with no surprises and no extra billing. Furthermore, we take care of issues as quickly as possible, and most issues are resolved by the end of each eight-hour shift.

For example, our support team received an email at 10 o'clock at night from a clerk, asking for an agenda to be posted to her website. Ten minutes later, it was done. Most providers don't offer this kind of service. We do, because we know it's important to you. Even if it's 10 o'clock at night, we are available to you with our "white glove" customer support.

Because we only work with municipal clients, we know what you need. I built Town Web to help clerks post meeting agendas and minutes. That service aspect was important then, and it's important now.

Reason 8: Free Staff Training

If you are an administrator to your municipal website, you will receive one-on-one training for free so you can make updates on your own. We offer online tutorials and videos if you need a refresher. We also will provide ongoing training if you need it or if you have new staff. Of course, if you need us to make a change or upload a document, we are happy to help. Our goal at Town Web is to make sure that clerks and staff members can do their jobs quickly and efficiently.



Reason 9: We Meet Face-to-Face

All new customers meet with their dedicated account manager and project manager in a face-to-face meeting over Zoom (an online video conferencing service that doesn't require you to download anything to use it). Your account manager is a customer advocate. It's this person's job to make sure you're happy as a customer. The project manager also will work with you, but this person is the liaison with our technical team behind the scenes to get your website done.

Typically, we have two meetings with you. During the onboarding meeting, we work together to determine the design, style, content and layout for your site. We come prepared. We have an onboarding sheet filled out for your website so we can determine the details we need. It includes things like your domain name, email addresses, site structure and pages you might not have thought about, such as elections and FAQs.

Your site will be designed to help save you time and streamline the process. For example, if you have an election page, you can let residents know how to register to vote, polling locations and dates for upcoming elections.

FAQs – or frequently asked questions – are tailored to your municipality and the questions you commonly receive. Those questions will include links to the important content on your website. For example, if residents often ask about dog licenses, you can include the information on your FAQ page and link to the form to fill out to apply for a license.

Within three to seven business days, we send you a link to a staged version of your website, and we set up a time for a second face-to-face meeting. You will have a few days to look over the site before we meet. In the second meeting, we gather any needed changes and suggestions from you. We do the tweaks, edits and adjustments, so you're happy with the new design before we make it live. It's important to have this meeting face to face, too, to continue to build our relationship. It doesn't stop when your design is done and your website is up. We are committed to serving you every step of the way.

Reason 10: Your Site Launches in about 2 Months!

We understand that you are busy: Busy with elections. Busy with tax payments. Busy with day-to-day community management. We respect your time. This is why we built an efficient, caring process to make designing and launching your new municipal website a pleasant, successful collaboration. We work efficiently with you, because we only work on websites for municipalities. *We don't take on commercial websites.* We are specialists in municipal web design, which means that within as little as two weeks, we can provide your municipality with a really great looking website at an **affordable price**.

We've had some websites launch under very tight deadlines, when a municipality was switching from another provider to us, for example. Bigger projects for bigger communities will take longer. It depends on how much content you have and how quickly we can get your approval to go live. For comparison, our competitors take four to five months to design and launch a new website.

We've had some websites launch under very tight deadlines, when a municipality was switching from another provider to us, for example. Bigger projects for bigger communities will take longer. It depends on how much content you have and how quickly we can get your approval to go live. For comparison, our competitors take four to five months to design and launch a new website.

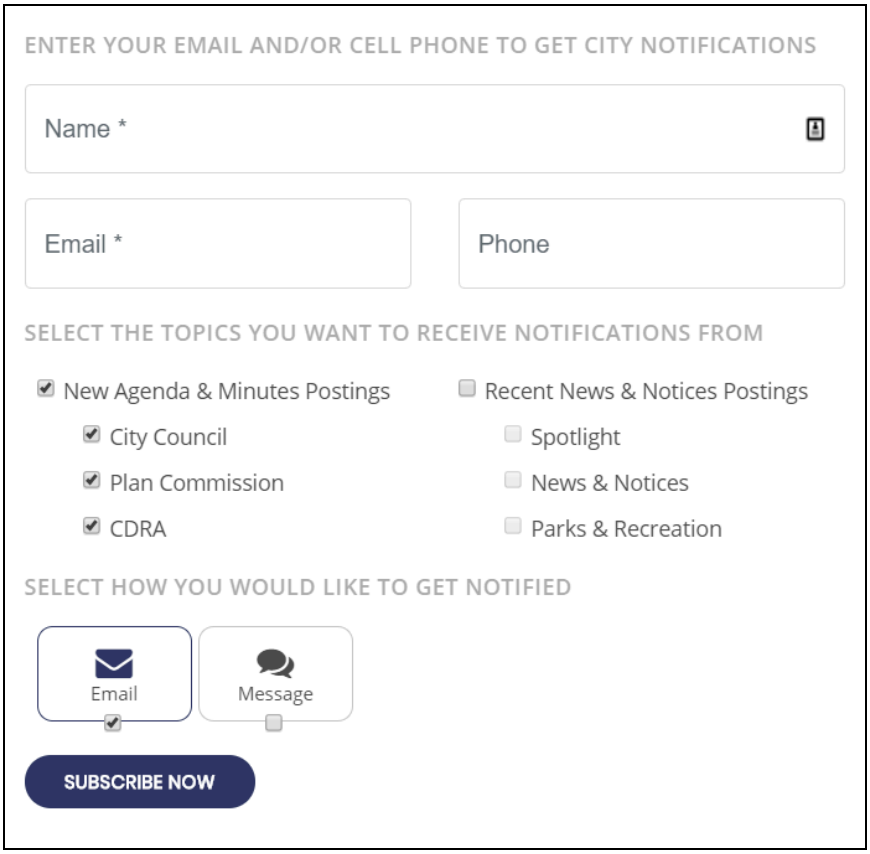
Communicate Easily with Your Residents

Your new website includes a **Communication Platform** so you can easily stay in touch with your residents. They can subscribe and receive notifications. Residents simply add their email address or cell phone number and choose the topics that interest them.

In the past, residents had to be proactive to find out what was happening in their municipality. They could read the newspaper, go to the town hall or find other ways to get access to agendas and minutes. Now with a municipal website, they can look online. But they still need to go look for the information.

Our Communication Platform makes it easy for them to get the information they want without searching for it. They can *subscribe*.

Take a look at this example. **Your residents can fill out a similar form and choose exactly what information they want to receive and how they want to get it – by email or text.** As subscribers, they can choose to subscribe only to news and notices from parks and rec, or maybe minutes and agendas for the plan commission.



Your residents get instant notifications (email/text)

Your residents will get instant notifications whenever categories they've subscribed to have new items posted. Messages are sent via email or text message, so residents don't have to go to your website to read them.

Your residents gain 100% transparency

With the Town Web Communication Platform, your residents can gain 100% transparency into meeting discussions by elected officials. They can stay up-to-date on topics that are important to them.

We post your notices on Facebook

Town Web can add notifications to your Facebook page, too! It's all included with the Communication Platform you get as a Town Web customer.

Save time with one-click unsubscribe

It's easy for people to unsubscribe, too. Maybe a resident has moved and no longer lives in your municipality. He or she won't want to keep receiving notices. Unsubscribing won't take any of your time. Here's how it works: Subscribers who receive an email have a one-click link to unsubscribe included in every email. If they decide they no longer wish to receive emails, they can click once on the link – and that's it. Each email has a token ID that is returned, and they are automatically removed from the email list. It's super because we don't want to burden clerks with managing a list. It also saves tech support time, because it's built into an automated system.

When text subscribers send a STOP or unsubscribe message, it goes into our support queue to remove them, and our support staff takes care of that. Again, there's nothing for you to do to manage subscriber lists.

Our Communication Platform is effective because it reaches people where they are in the way they wish. It's on your website home page, in their email inbox, sent via text message and on social media, assuming they like or follow your Facebook page. That's four easy ways for your residents to get the news and information about your community that's important to them.

Experience "White Glove" Customer Service

Town Web's comprehensive customer support service is available to you for any technical, billing and sales questions related to your municipal website. **It's "white glove" service, because we take care of everything for you.**

It's easy to contact us for service and support! We provide you with one toll-free phone number for all of your questions: **877-995-TOWN (8696)**. We also have one email address for support and service: **support@townweb.com**. You don't need to remember or keep track of multiple emails or phone numbers. One number and one email will get you all the support you need for any question!

Support is 24x7

We have you covered 24x7 with our support team. You can call us, email us or fill out a support ticket on your website. Our support staff is available 24 hours a day to help answer your questions and take care of your issues.

Our goal is to address your concern quickly and resolve it by the end of an 8-hour shift. Often, we can take care of your tickets in 15 to 20 minutes. More complex questions or concerns may take longer, but we still aim to solve it quickly, providing same-day service.

Service and Support is "All-You-Can-Eat"

Other agencies charge you a per-incident or a per-hour fee for technical support. Not Town Web. You get unlimited technical support and training FREE with your hosting contract. Many other agencies only offer 30 minutes of support free each month. Some sell support packages that include an hour or two of tech support each month for $89/month extra! Not us.

We want you to be successful when it comes to maintaining your website. **You can contact us as often as you like for tech support. There is no charge. It is truly like an "all-you-can-eat" meal at your favorite restaurant.**

Town Web has two services and two fees. We have a web design setup fee and a web maintenance and hosting contract. We set fixed fees for a year, and our service and support is all-inclusive. Other agencies make more money with a billable hourly rate. We have a different philosophy as a one-stop shop with a fixed price that's still quite affordable and easy for municipalities to budget.

You Get Free Training and Retraining

After we launch your site, we provide access to training materials so you can manage your new website. You can watch our training videos and download PDFs that describe in detail the things you want to do. You also can schedule training or retraining with one of our staff members.

We Will Upload Files for You

We provide our municipal customers with an easy-to-use Admin section. It is extremely user-friendly -- it only takes 20 seconds to post something new. However, some of our municipal customers don't wish to upload new files or make new posts to their websites themselves. They email us their files, and we post it on their behalf.

Town Web is The Last Website You'll Ever Need

We promise that TownCMS v5 will be The Last Website You'll Ever Need. It is a comprehensive website design and hosting platform that provides you with everything listed here.

We chose a platform that is constantly evolving so it can be updated and improved. It's a highly customized version of WordPress, and it was built specifically for municipalities. We designed it to solve specific problems, such as posting minutes and agendas, which is different than websites that post blogs or articles. **Our goal is to make your municipal website easy for residents to find agendas, minutes and anything else they need.**

We Deliver Free Feature Upgrades and Updates

Your website gets better over time. **We constantly add new features, enhancements and updates and apply them automatically.**

As technology changes and software updates, things can break. At Town Web, we make sure our customized software continues to work as expected. We are the mechanics behind the scenes, fixing and modifying the software to maintain our municipal sites.

When we make software updates, you get them included for free as long as your site is hosted by Town Web. You don't have to wait for or request these updates. Think about it like buying a new car. If you buy a new Tesla, you get OTA – over the air – updates to the software that runs your vehicle, to keep it up to date. If you buy a regular car, that's it. What you have is what you bought. If anything, you might have to take your vehicle in for recall fixes. Like Tesla, our fixes are applied to everybody automatically.

Because we maintain so many municipal websites, internally, we are more scalable. We license the best software for the best user experience. Take our calendar plugin, for example. It's pricey, but it's a very well-known and supported plugin with additional functionality. It works great for our municipal websites. A smaller agency with only a few websites might not buy it, but because we serve so many sites and use it across them, we want the best and can afford to use the best.

Of course, we also keep updating your website for you. We want you to renew your hosting and maintenance package with us, so we provide optimal solutions for you. We can't give you what we created in 2007 and expect you to pay full price. That technology doesn't work today.

Budget Easily with Fixed Prices

The rate you pay for your Town Web website is fixed during the term of your three-year contract. After three years, any pricing increase would be a nominal amount to match any increase in inflation.

- Your first year's contract will include the cost of your website design (a one-time fee) and hosting fees. This amount is paid in Year 1.
- The second year's hosting fee is billed 12 months after the website goes live. This means you do not pay for hosting/maintenance/support during the Build Phase of your website. We start billing for it only after your site officially goes live.
- The third year's hosting fee is the same amount as the second year.

After your initial three-year term, you may renew your website on a year-to-year basis. Or, if you choose a three-year contract, you can look forward to another free website redesign at the end of your three-year term.

These fixed, steady prices make it easy to budget. We know how important that is for municipalities who work on tight budgets that are planned in advance.

We Guarantee 99.9% Uptime

We can provide a Service Level Agreement, or SLA, to guarantee your hosting uptime.

Daily Site Backups Are Stored Safely

Every municipal website gets full daily backups that are stored in a different location from our primary servers. Never worry about having your site go down again. If your website goes down for unexpected reasons, we can restore it in a short time.

If a disaster strikes – a weather event, fire or power failure – and a server is fried or a website malfunctions, and we can't fix it, we will take last night's backup and restore it. There is no cost to you, and you don't need to do anything. We are here to make sure your website stays online and up-to-date. Keeping daily backups on an off-site server ensures we always have a good, recent copy of your website to go back to, if disaster strikes.

Your Website Security Is Ensured

All municipalities get a Secure Socket Layer, or SSL, so your website runs securely on HTTPS. Your website visitors will recognize your site is secure. Additionally, **your Town Web website will be hack-proof, to prevent unauthorized access.**

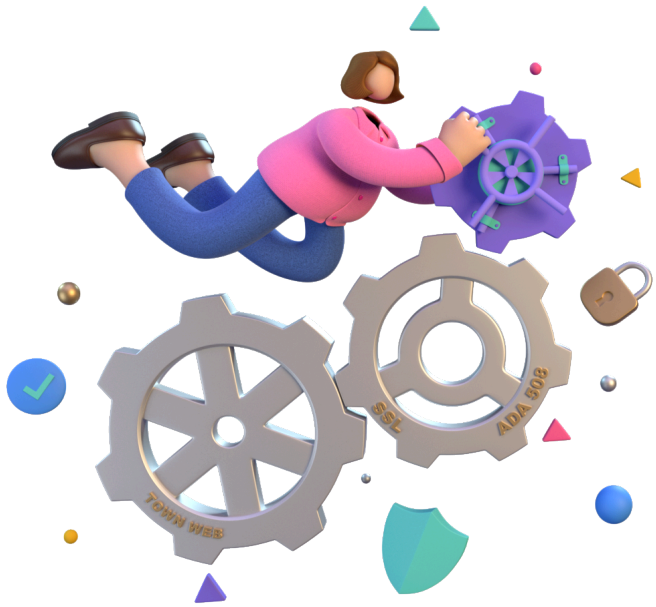
Town Web installs software that monitors unauthorized access to your website. We look at IP addresses to see where the computer is located. Is it a community we know? Is it a hacker or a clerk trying to login? This software also looks for bots – automated systems that try to use "brute force" attacks to get in. This kind of system will try many passwords in a fast and automated way.

If too many login attempts are made too quickly, our system will freeze the account for a set number of minutes. If the behavior continues, the system will lock the account, and Town Web staff will need to unlock it and send you a password reset link.

Our website logins require an alphanumeric password – containing both letters and numbers or symbols – not just a dictionary word. The software will block access after a certain number of repeated attempts with incorrect passwords, usernames or both. We hope to catch the bad guys without locking you out. If you only got a couple tries before being locked out, that would be frustrating. Most of us forget a password from time to time, so we try several until we figure out the right one. If the login attempts look like human behavior, then we'll give a few extra tries.

Don't worry, though. If you are locked out, get in touch with Town Web, and we'll physically reset your password and give the new one to you so only you will know it.

Be ADA 508 Compliant



Town Web municipal websites are ADA, or Americans with Disabilities Act, 508 compliant, which means people of all abilities will have access to the content and files on your website.

For example, to serve people with:

Limited visual abilities

- Allow site to be navigated easily with a screen reader
- Make images “readable” using alt text
- Allow font size to be increased without breaking site

Limited physical abilities

- Allow site to be navigated with just a keyboard or just a mouse
- Use large buttons with large clickable areas

Limited hearing abilities

- Embed subtitles on any videos

Limited cognitive abilities

- Use a simple layout
- Make the flow go in one direction

Enjoy Mobile-Friendly Web Design

We design our websites to be 100% mobile responsive for both iOS and Android. Between 20% and 50% of daily visitors to municipal websites use mobile devices. We make sure your website looks great for all visitors on all devices.

Post Emergency Alerts

When you have an urgent message or notification, it will be displayed prominently on your homepage. It also will be sent to all subscribers via email or text message and posted to your Facebook page.

Provide Instant Notifications for Subscribers

People who subscribe to your website can get **instant notification via email and/or text message.**

The message content links directly to the posted notice.

Subscribers can **unsubscribe with "one click"** whenever they want.

Rely on Easy-to-Use 24x7 Technical Support

We offer our customers 24x7 technical support at no extra charge. We make it easy and convenient for you to contact us for support. You can call us toll-free, email or send a chat message through Facebook or your Admin area on your website.

Get a New Website Every Three Years

We will redesign your website every three years, so it always stays fresh and up-to-date for your residents and visitors. It's essentially a free new website every three years.

Several months before the end of your three-year contract, we will get in touch to schedule a face-to-face meeting on Zoom to talk about your website redesign.

This will be a similar process to the one we go through for your initial website design, but it's not quite as in-depth. We want your ideas and to talk about what you like and what you're hearing from residents. Our discussion list includes:

This will be a similar process to the one we go through for your initial website design, but it's not quite as in-depth. We want your ideas and to talk about what you like and what you're hearing from residents. Our discussion list includes:

- New photos and logos
- A new design theme and color scheme
- Pages to add or delete
- Updates to the FAQs and community website links
- Recurring calendar events to add or delete
- Facebook linked posting
- Branded emails

Once we've made the proposed changes, you'll have a chance to preview the new, redesigned site and make suggestions for edits and tweaks. When it's approved, you'll have a fresh, new website!

Stand Out with Added Features like Community Promotional Videos

Town Web Design LLC now offers a new add-on feature to promote your community on your website.

Community promotional videos are a unique way to share your community's best features. **You can use promotional videos to promote tourism, attract new residents and draw new businesses to your community or industrial parks.**

Some of our municipal clients like the Village of Cassville have enjoyed beautiful videos, professionally filmed and edited, which they use on their websites. Other clients have incorporated drone video footage onto their websites, and it looks great. Viewers like videos, and this is a fantastic marketing tool!

If you are looking to attract tourism, new residents or new businesses, consider creating a community promotional video. This add-on feature will be tailored to your community specifically to meet your needs. Ask us today for more information to see how it can benefit your community!

Elite Web Design (Optional)

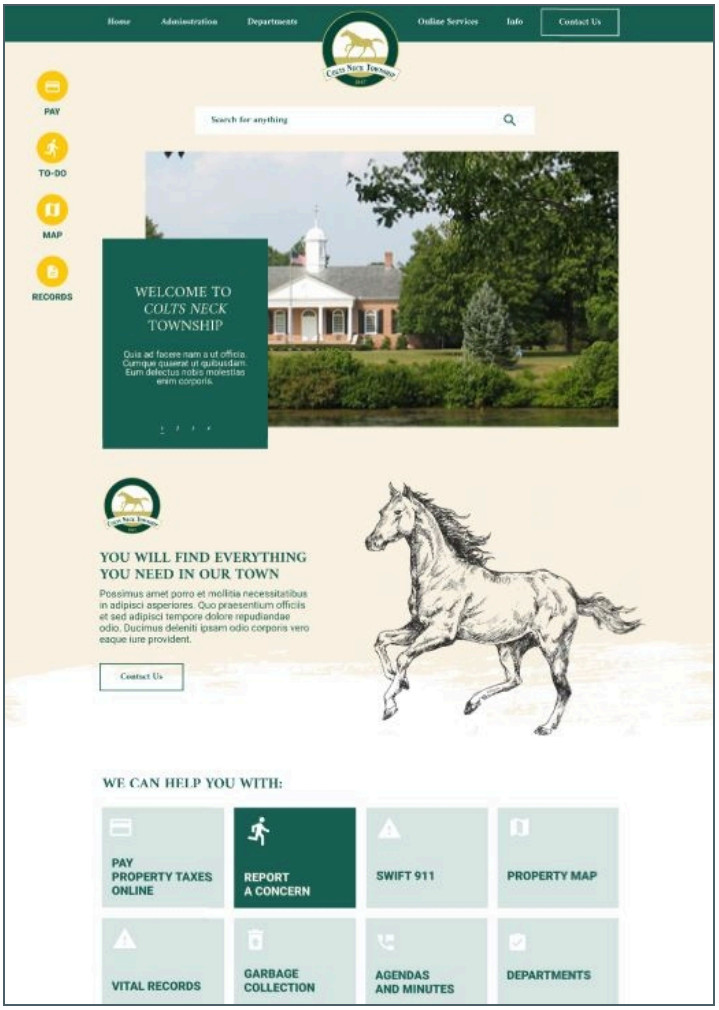
Municipalities that want a 100% unique and 100% custom design can choose our optional Elite Package.

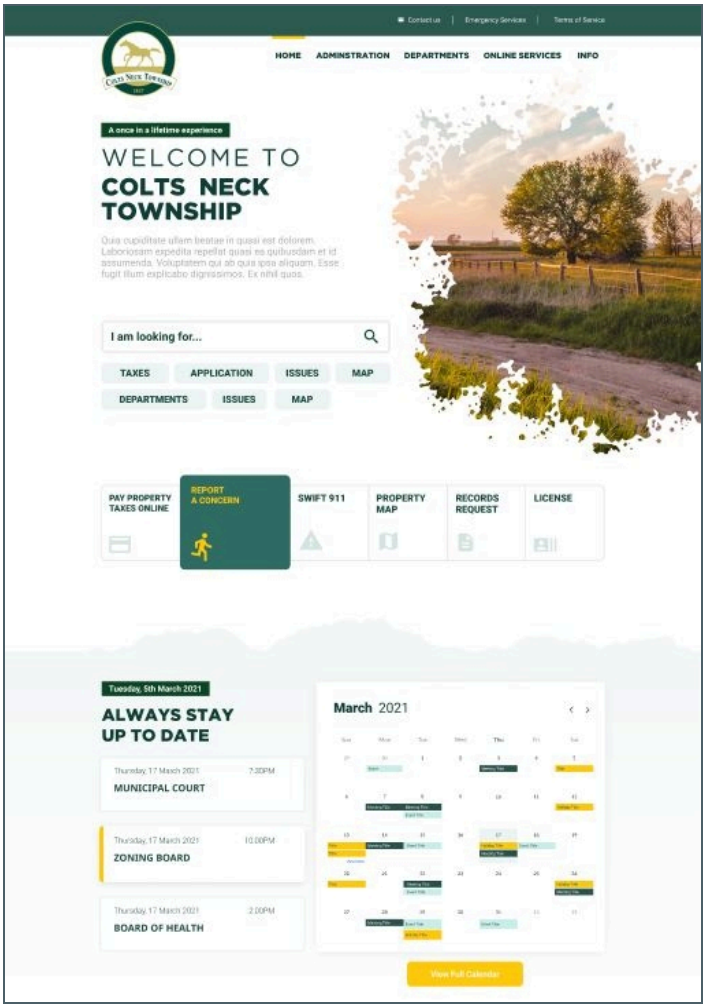
Town Web can offer the Town of Thunderbolt a Elite Design Package as an optional upgrade to your new website design project. **This is meant for municipalities that want something truly unique with a spectacular design.**

Together, we would go through a formal and thorough design and branding process.

- We start with a formal kick-off and branding meeting via Zoom.
- We discuss in detail similar sites you like inside the municipal web design industry and talk about current and upcoming industry best practices and trends.
- Come prepared with your committee's thoughts, ideas and goals for your municipality's long-range plans. We will discuss in detail the ultimate goal and vision you have for your website.
- About a week after we meet, we will deliver three high-fidelity mockups.

High-Fidelity Mockups





Your committee will have an opportunity to select which of the three homepage designs you like best.

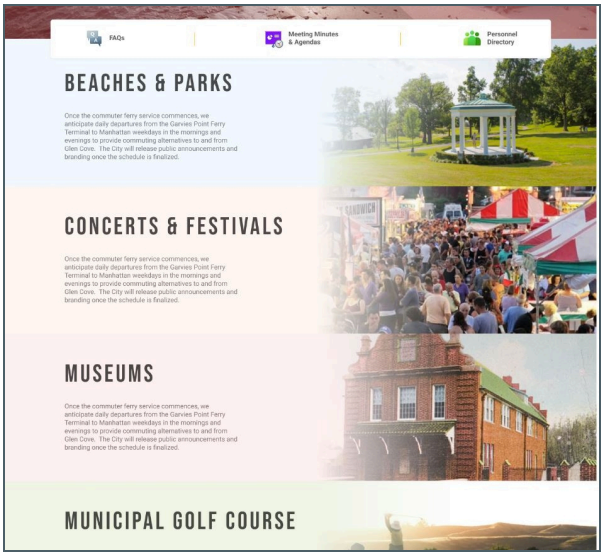
We will incorporate the ideas, photographs, colors and typography that was discussed in the branding interview.

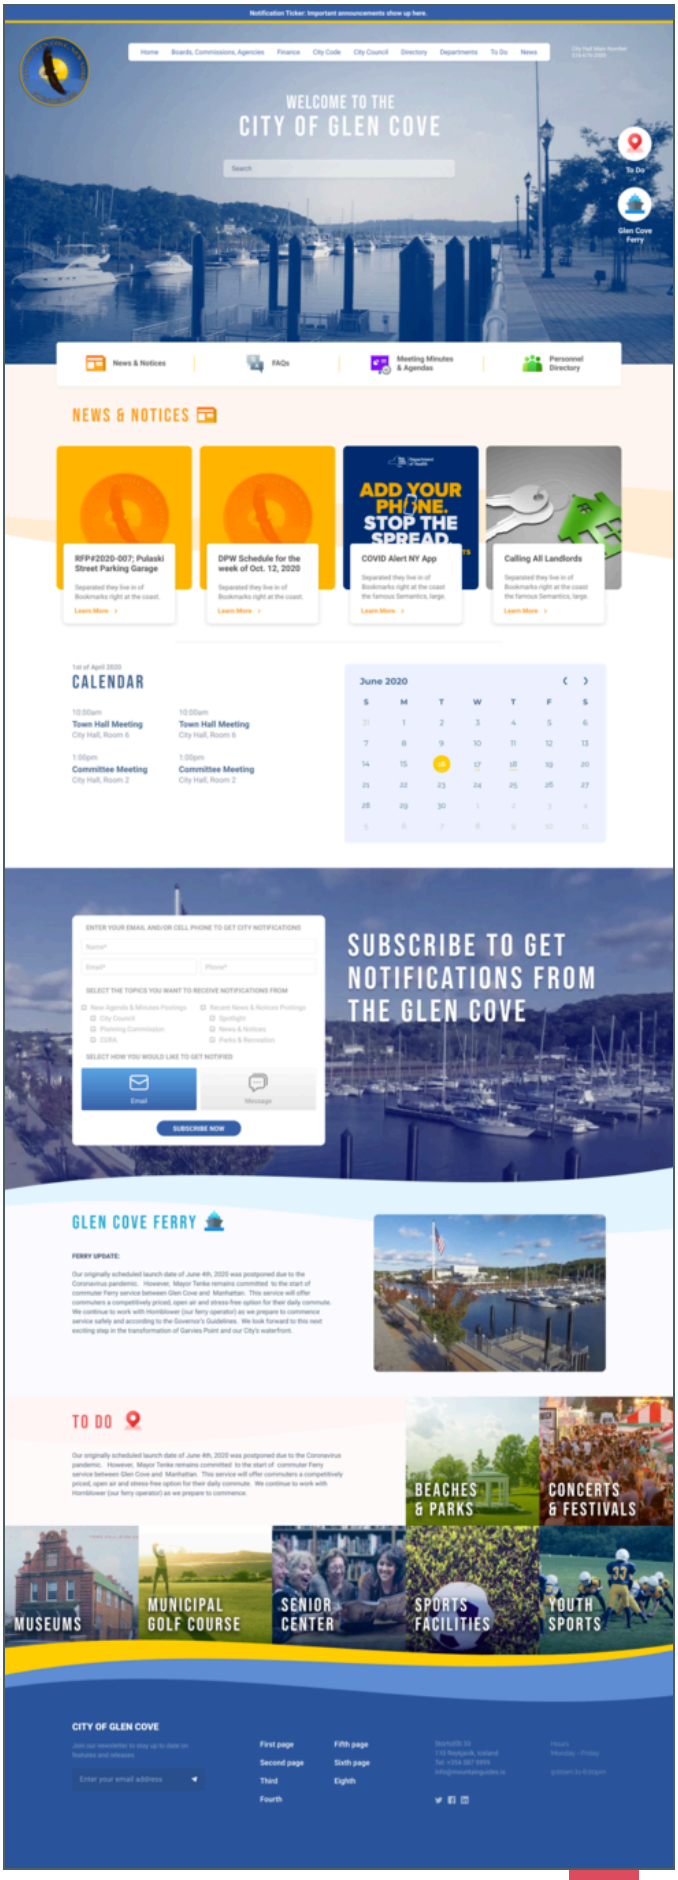
This file will be “pixel-perfect.” This means that what you see in the high-fidelity mockup will be exactly what you will see when the site launches (barring any design changes).

You get five (5) rounds of small design changes to make your homepage look perfect. We work on the design, layout, typography and colors to ensure a beautiful design.

The example to the right is the high-fidelity mockup design we created for one of our Elite projects.

Once a mockup is approved, we design a custom WordPress theme based on the design.





Custom Wordpress Themes

We hand over the high-fidelity files to our development team. They will slice the design into the elements needed to create a custom WordPress theme.

The theme will be designed with several break points. These break points are markers of how the site will look when scaled down for tablet devices and mobile phones. Each break point will consider these different mobile devices held in different ways (vertical and horizontal). This means you'll get a theme design that encompasses all variations of a user's experience.

Additionally, internal pages will be designed based on the homepage style. Generally, these inside pages share the same top navigation menu, background style and portions of the page footer.

We do theme-testing to make sure the design works across all platforms, devices and browser types..

Branded Emails (Optional)

Add an email program, and Town Web can be your "one-stop shop" for all your IT needs. We offer different branded email addresses and email service.

You can choose **Microsoft Office 365** (with or without desktop Microsoft Office applications) or **Enterprise Emails**. You can add email archiving to either plan to ensure your organization is compliant with email retention requirements.

Microsoft Office 365 Plans

Business Essential comes with email address and online versions of Word, Excel and PowerPoint. Business Premium also includes desktop versions of Microsoft Office.

MICROSOFT OFFICE 365 PLANS	BUSINESS ESSENTIALS	BUSINESS PREMIUM
Description	Exchange email, instant messaging, SharePoint & Office Online	All the features of Business Essentials, plus Office suite
Cost	$11/mo per user	$19/mo per user
Office Online Use Word, Excel and PowerPoint as online versions (through your browser)	Yes	Yes
Office Applications Install MS Office on up to 5 PCs/ Macs, 5 tablets and 5 phones per user	No	
Exchange Email Storage Enjoy business-class email, contacts and calendar	50 GB per Mailbox	50 GB per Mailbox
Email Archiving Unlimited, enterprise-class email storage and retention	+$3.25/mo per user	+$3.25/mo per user

Enterprise Emails (Powered by Rackspace)

Enterprise Emails are less expensive but still very robust, offering 25 GB mailboxes that allow 50 MB attachments. Emails can be set up for computer/laptop, mobile devices and web-based email. Enterprise Emails is solely an email program.

An email archive also is available, which gives you unlimited storage and provides compliance with email retention requirements.

ENTERPRISE EMAIL ADDRESSES	ENTERPRISE EMAIL
Description	Enterprise-level hosted email service, includes IMAP, POP, SMTP
Cost The cost is based on total amount of users (not a stepped amount).	For 1 email address: $5/mo ($60/yr total) For 2 email addresses: $3.75/mo ($90/yr total) For 3 emails: $2.77/mo ($100/yr total) each additional email: + $2.77/mo (+ $33.33/yr)
Email Storage	25 GB per Mailbox 50 MB attachments
Email Archiving Unlimited, enterprise-class email storage and retention	+$3.25/mo per user

Notes About Email Service & Billing

Email programs can be billed separately from the annual web hosting, if needed. Municipalities typically will pre-pay for a full year of email service with one or two email accounts. When municipalities have more accounts, they typically pay for it monthly with a credit card.

If you already have Office 365 or branded emails with another provider, and you wish to stay with them, no problem! You can keep your service uninterrupted, even when we design and host your new website.

Town Web Services are **American Rescue Plan Act (ARPA) Approved!**

Recently, we retained the services of a reputable law firm that works closely with local governments. They have done comprehensive and thorough research and have determined that the services that Town Web Design, LLC provides can be paid for by ARPA funding.

Is the local government purchase of Internet website services from Town Web Design, LLC ("Town Web") an eligible expenditure under the American Rescue Plan Act, Coronavirus State and Local Fiscal Recovery Funds ("ARPA")? [1, 2]

Yes. ARPA provides at least two methods for the services provided by Town Web to be eligible expenditures under ARPA.

1. Responding to the public health emergency or its negative economic impacts:
Is the purchase of technical assistance by a local government intended to mitigate the spread of COVID-19 and/or its economic impacts an eligible expenditure under ARPA? YES
Technical assistance is the process of providing targeted support to an organization with a need or problem. Local governments are organizations; COVID-19 is a problem; increased Internet utility mitigates the spread of the problem and its ill effects for small businesses, nonprofits, households, and impacted industries. Town Web is offering to provide the technical assistance necessary for the increased Internet utility.

2. Providing Government Services:
Local governments may use funds for the provision of government services in general, however, in this case funds may be used only to the extent of the reduction in revenue experienced due to the COVID–19 public health emergency. **Spending within this budget could be on virtually any local government services to include Town Web services, whether or not a local government already has such services.**

Do I have to return unused funds?
Yes, any unused funds will have to be returned to the Treasury.

Can I pay for future hosting/maintenance/support services?
Yes, Town Web's services can be paid through December 31st, 2026.

What are the ARPA reporting requirements?
The local government is recommended to keep any pertinent records and to adopt a specific resolution of support for the eligibility that contains the relevant facts, the analysis, and the determination of the local government. This purpose category will be subject to "enhanced" reporting requirements to verify eligibility. It is important to create a strong record.

For a copy of the full memorandum, please send us an email and we will provide the full document for you to share with your board.

[1] There are many different types of local governments and they must operate according to the laws of their particular type and state jurisdiction. Therefore, individual local governments should still consult with their municipal attorney regarding the proper implementation of ARPA spending.

The term of the contract is for three years. The 1st year's total fee would be $7,623.00. This is paid in Year 1. The 2nd year's fee is just $3,108 plus domain renewal, billed 12 months after site goes live. The 3rd year's fee is the same as 2nd year's fee.

Town of Thunderbolt may renew the agreement, on a year to year basis, subsequent to completion of the first term. The "hosting, maintenance, and support" fees paid for each subsequent year may be increased, on an annual basis, to match the cost of inflation, as determined in each January (for the preceding year) by the US Department of Labor.

Town of Thunderbolt Signature Page

At Town Web Design, we want to make sure that the Town of Thunderbolt' new website will be the **last municipal site that you'll ever need**. You can be proud that your residents, tourists and visitors will never say your website looks outdated.

By signing this quote, you will get everything listed on the Pricing Page.
The three big benefits to you include:

1. **A No-Cost Website Redesign Every Three Years**.
   Prior to your third year of hosting with us, we'll schedule a meeting with you to discuss new ideas for your site's new design. We will incorporate the latest & greatest design standards that have evolved over the next following three years so that your new site three years from today will be modern, practical and up-to-date.
2. **24x7 Technical Support that is "All-You-Can-Eat"**
   Your municipal staff at the Town of Thunderbolt will love having us as your website provider because they will be able to rely on us for anything related to your website. All it takes is a call, email or chat message (including Facebook Messenger) and we can help them with their question or issue, and for no additional charges, we can even post or edit something on their behalf. This type of support will save you and your staff time and money.
3. **Substantial Discount with a Three Year Commitment**
   If the Town of Thunderbolt signs this page of the quote on or before July 31, 2022, you will get a substantial discount off your set-up fee. This is a huge savings for your community. Furthermore, the three year commitment locks in your annual pricing, which means no price increases whatsoever during the next three years.

Dear

It has come to our attention that the property located at , United States has been posted as available for short-term rental without complying with the Town of Truckee's requirements, including property registration and reporting and remittance of tax. Enclosed is a screenshot of one of your online listings for this property.

As the registered owner of the property, we kindly request you submit the enclosed property registration from upon receipt of this letter. In addition, please use the enclosed tax return from to report and remit the appropriate tax from the period October 1, 2015 to current. If these taxes are reported and remitted by no later than 60 days from receipt of this letter, the Town will waive penalties and interest due based on your lack of registration and timely reporting. If you do not complete the registration process and provide payment, the Town will calculate estimated taxes due including penalties and interest and impose that amount for collection. Continued non-compliance will result in the placement of a lien on your property for the amounts due. Beginning on November 10, 2018, it will be required to include the property Registration Certificate Number (RCN) on all online rental listings.

If the property is being rented through a property management company, the enclosed forms are not necessary. Contact your property management company to ensure compliance. Compliance with short-term rental requirements is ultimately the responsibility of the property owner.

For questions or if you believe you are receiving this letter in error, please contact us at TOT@townoftruckee.com or 530-582-5260.

More information regarding the duties and obligations of managing a short-term rental property in the Town of Truckee can be located at www.townoftruckee.com/TOT.

March Meeting 2022 – Monthly Administrator Report

Town Hall –

Roof –The roof has been soft pressure washed – all suspect areas found have been repaired – and or addressed – no leaks have been noted to date – two more coverall coats will be applied when we may expect a consecutive series of days that will not go below 45 degrees – then suspect areas will receive a third application if necessary

Around Town –
The Dock railing and suspect pillars have been replaced to ensure the safety of occupants on the dock – wood will dry for 8 weeks and we can move on staining the wood - More suspect areas have been identified and replaced – staining will finish the project

Town wide – Pothole project following a grid pattern is still on time and in process – We are purchasing a small amount of a new product that has had seen success in other areas that will help to extend the life of a patch as well as modify the process prior to filling said patch

Grants –

- A Sewage Force Main replacement grant was submitted to the Georgia Office of Planning & Budget via the State Fiscal Relief Fund. The grant request was for $5,438,081 to which Thunderbolt will add

$960,189 from our ARPA funds to finance the replacement of our sewer Force Main (12,114 linear feet) for an estimated total cost of $6,398,270. That is, Thunderbolt will provide 15% of project costs while requesting financing for 85%. By replacing the aged and vulnerable line, Thunderbolt will avoid potential health, environmental impacts and other property damage caused by breaks and leaks. – We did not receive this grant – but met with the City of Savannah City Manager today and brought about a dialogue for a new proposal as well as exploring other various options.

- Assistance to Fire Fighter Grant Portal opens on Nov. 8th, the intent is to apply for at minimum all new personal protective equipment to replace expired or near expiration date of PPE – this has been submitted and awaiting results – expected 2nd quarter of 2022

-In process of reviewing Ga Safe Sidewalks and DOT funding grants to move on 2022 goal of increasing our ADA compliance throughout the Town – the grant period has yet to open

- We have submitted a grant to Chatham County to offset the costs to the Town of Thunderbolt for operation of the Thunderbolt Neighborhood Senior Citizen Center – Submitted for $47,000 – should have a response within two months.

Process Improvement –
Current CPA firm familiar with our process somewhat is working to address any finance matters in the interim as well as provide feedback on our systems and procedures in place for things ranging from payroll to reporting etc… - have a draft and moving towards staff bounce around to finalize a finance and purchasing policy – CPA firm feels that we are now caught up and the April meeting will be on track for all financial reports and producing a 2021 Balanced Budget – Concurrently, addressing 41 requests from the Auditors to being our Comprehensive Annual Financial Analysis

QS1 –
The company continues to show expanded ways to utilize the software, but customer service as reported appears to be a hinderance. – Response was slow to address the modifications to our necessary water rate changes and we needed to prompt them quite a bit, but the did finish the project and the first roll out is this month

Town Departments –

Finance –
-Please see attached reports for Jan. & Feb. plus Ms. Brett assessment

Code Enforcement –
- In addition to normal enforcement actions beginning to look at condemning or moving towards that on certain structures within Town Limits
- Are creating an in house monthly data tracking tool for a work flow

Police –

INTER OFFICE CORRESPONDENCE

TO: Town Administrator, Robert Milie

FROM: Chief Sean Clayton

DATE: March 1, 2022

SUBJECT: Monthly Report for February 2022

POLICE DEPARTMENT:

February 23, 2022 at approximately 9:45pm Officer Wilson (CJ) responded to the Parker's Convenience store because of a reported armed robbery. Savannah PD saturated the area and setup a perimeter, while Officer Wilson gave chase. The suspect was soon apprehended, by officers and arrested just minutes after the robbery took place. The suspect was arraigned the next day and was denied bond. This was text book police work and I'm happy to say that no officer, nor the suspect was injured.

Officer Jones completed his last 40-hour class for his Supervision certificate and Sergeant Runyon attended the 40-hour class of Homicide Investigations. Officer Wilson attended Use of Force Investigator training, and Officer Thompson completed Health and Wellness Training, so most of the department has their required training hours for 2022. Lastly, Julie returned back to work on February 28th from maternity leave, so we're glad to have her back.

Net Cash Flow Gain

Current System	Graywater System
$0.00	$22.84 + $7.62 = $30.44/unit/month

Annual Gross Cash Flow Gain	=	$30.44 x 12 = $365.28/year/unit
Gain with 100 units	=	$36,528.00

10 Year Cost of Rebate @ 100% Savannah Fee	$15.22 x 12 x 100 x 10	=	$182,640.00	($1826.40/unit)
10 Year Net Gain in T'Bolt Cash Flow		=	$182.640.00	

Customer Cost Considerations

At this point while the benefits of a graywater system are clear, the cost of establishing a passive graywater system in a residence is unclear. I am requesting that I be allowed to create a passive graywater system at my home. I will pay for the entire system out of my own pocket and I will return the plumbing to any state required by code should this system prove unworkable.

My hope is to create a baseline cost for a residential graywater system that will fall within the 10-year rebate horizon of $1826.40.

Shallow Well Options

Utilizing shallow wells to water residential landscape areas has been long discussed as a central part of water management in the Town of Thunderbolt. The recent challenge regarding this strategy has been the significant increases in costs to have these wells drilled commercially.

In my own situation, I ultimately failed to complete my well by hand due to the density and depth of the dense gray clay substrata directly above the subsurface water that often runs 6 to 10 feet deep, depending upon your location. At that time, I did turn to a commercial well digging company to complete the project. The price of that time was reasonable and given my strong emphasis on conservation practices, I saw this as a reasonable and conservation friendly decision on my part.

Current Cost Challenges

Recent reports regarding citizens desiring shallow wells have been in the $4000 range. By all estimates, these current costs will easily surpass whatever savings one might gain from reduced possible water usage for landscape purposes, even if one were to project the savings over a 10-year horizon. As a result, a commercial model for the creation of shallow wells locally becomes problematic.

Past Practices

In the past, to minimize the costs associated with these projects, there have been groups of three or four neighbors who have cooperatively drilled wells by hand and as a result, came up with a very cost-efficient and conservation friendly solution to providing water for our yards and gardens.

Citizens' Conservation Committee

One of my thoughts has been the creation of a Citizens' Conservation Committee that would be made up of interested residents of the Town of Thunderbolt who, in conjunction with the ad hoc Committee on Water and Sewer, provide feedback to the Council regarding the attitudes of the citizens of Thunderbolt relative to water conservation practices.

This committee could also be a mechanism whereby citizens could work as a team to create shallow wells for one another.

This could as well be a mechanism for citizens interested in a shallow well for their property, who because of financial concerns or physical capacity cannot create a shallow well on their properties by themselves to benefit from the community spirit inherent in this type of organization.

“To Be or Not To Be”

During the last election cycle, there was a great deal of discussion with regards to creating a greater sense of community and what has become a rapidly changing social and physical landscape in the Town of Thunderbolt.

I consider this an opportunity for the citizens of Thunderbolt, with the support of the Town Council and the town administration to advance the concepts of “neighborliness” and “helping out the other guy” as a part of the experience of being a resident and citizen and the Town of Thunderbolt.

If the Commencement Date begins on the second day through the last day of any month, the rent shall be prorated for that portion of the month and shall be paid at the time of leasing Property. Tenant shall also pay additional rent as may be provided elsewhere in this Lease. Such additional rent shall be paid in the same manner as the base rent.

4. **Late Payment; Service Charge for Returned Checks.** Rent not paid in full by the fifth day of the month shall be late. Landlord shall have no obligation to accept any rent not received by the fifth of the month. If late payment is made and Landlord accepts the same, the payment must be in the form of cash, cashier's check or money order and must include an additional rent amount of $ 10% and, if applicable, a service charge for any returned check of $ 100.00. Landlord reserves the right to refuse to accept personal checks from Tenant after one or more of Tenant's personal checks have been returned by the bank unpaid.

5. **Security Deposit.**
   ***A.* Security Deposit to be Held by Landlord or Broker:** *[Check one. The section not marked shall not be a part of this Agreement.]*
   ☐ Landlord Holding Security Deposit:
   (1) Tenant has paid to Landlord as security for Tenant's fulfillment of the conditions of this Lease a security deposit of . N/A Dollars in ☐ cash, ☐ money order and/or ☐ check ("Security Deposit").
   (2) Landlord shall deposit the Security Deposit in Landlord's general account with Landlord retaining the interest if the account is interest bearing. Tenant acknowledges and agrees that Landlord shall have the right to use such funds for whatever purpose Landlord sees fit, and such funds will not be segregated or set apart in any manner.
   (3) Tenant recognizes and accepts the risk of depositing the Security Deposit with Landlord. Tenant acknowledges that Tenant has not relied upon the advise of any Broker in deciding to pay such Security Deposit to Landlord. Landlord and Tenant acknowledge and agree that:
   (a) Broker has no responsibility for, or control over, any Security Deposit deposited with Landlord;
   (b) Broker has no ability or obligation to insure that the Security Deposit is properly applied or deposited;
   (c) The disposition of the Security Deposit is the sole responsibility of Landlord and Tenant as herein provided; and
   (d) Landlord and Tenant agree to indemnify and hold harmless Broker and Broker's affiliated licensees against all claims, damages, losses, expenses or liability arising from the handling of the Security Deposit by Landlord.

(4) Landlord shall return Security Deposit to Tenant, after deducting any sum which Tenant owes Landlord hereunder, or any sum which Landlord may expend to repair arising out of or related to Tenant's occupancy hereunder, abandonment of Property or default in this Lease (provided Landlord attempts to mitigate such actual damages), including but not limited to any repair, replacement, cleaning or painting of Property reasonably necessary due to the negligence, carelessness, accident, or abuse of Tenant or Tenant's employees, agents, invitees, guests, or licensees. In the event Landlord elects to retain any part of the Security Deposit, Landlord shall promptly provide Tenant with a written statement setting forth the reasons for the retention of any portion of the Security Deposit, including the damages for which any portion of the Security Deposit is retained. The use and application of the Security Deposit by Landlord shall be at the discretion of the Landlord. Appropriation by Landlord of all or part of the Security Deposit shall not be an exclusive remedy for Landlord, but shall be cumulative, and in addition to all remedies of Landlord at law or under this Lease. The Tenant may not apply the Security Deposit to any rent payment.

☐ **Broker Holding Security Deposit:**

(1) Tenant has paid to Broker as security for Tenant's fulfillment of the conditions of this Lease ("Security Deposit") $ N/A , Dollars in ☐ cash, ☐ money order and/or ☑ check.

(2) The Broker shall deposit the Security Deposit in Broker's escrow/trust account (with Broker retaining the interest if the account is interest bearing) within five (5) banking days from the Binding Agreement Date.

(3) Broker shall disburse the Security Deposit only as follows: (a) upon the failure of the parties to enter into a binding lease; (b) upon a subsequent written agreement signed by all parties having an interest in the funds; (c) upon order of a court or arbitrator having jurisdiction over any dispute involving the security deposit; (d) upon a reasonable interpretation of this Agreement by Broker; (e) as provided in the General Provisions section below of this Paragraph; or (f) upon the termination of the agency relationship between Landlord and Broker, in which event Broker shall only disburse the Security Deposit, to another licensed Georgia Real Estate Broker selected by Landlord unless otherwise agreed to in writing by Landlord and Tenant after notice to Broker and Tenant. Prior to disbursing the Security Deposit pursuant to a reasonable interpretation of this Agreement; Broker shall give all parties fifteen (15) days notice, stating to whom the disbursement will be made. Any party may object in writing to the disbursement, provided the objection is received by Broker prior to the end of the fifteen (15) day notice period. All objections not raised in a timely manner, shall be waived. In the event a timely objection is made, Broker shall consider the objection and shall do any or a combination of the following: (a) hold the Security Deposit for a reasonable period of time to give the parties an opportunity to resolve the dispute; (b) disburse the Security Deposit and so notify all parties; and/or (c) interplead the Security Deposit into a court of competent jurisdiction. Broker shall be reimbursed for and may deduct from any funds interpleaded its costs and expenses, including reasonable attorney's fees. The prevailing party in the interpleader action shall be entitled to collect from the other party the costs and expenses reimbursed to Broker. No party shall seek damages from Broker (nor shall Broker be liable for the same) for any matter arising out of or related to the performance of Broker's duties under this Security Deposit paragraph.

B. General Provisions Regarding Security Deposit:

(1) In the event any Security Deposit check is not honored, for any reason, by the bank upon which it is drawn, the holder thereof shall promptly notify the other parties and Broker(s) to this Lease. Tenant shall have three (3) banking days after notice to deliver good funds to the holder. In the event Tenant does not timely deliver good funds to the holder, the Landlord shall have the right to terminate this Agreement upon written notice to the Tenant.

(2) The entire Security Deposit, if held by Landlord, will be returned to Tenant within thirty (30) days after Property is vacated if: (a) The term of the Lease has expired or the Lease has been terminated in writing by the mutual consent of both parties; (b) All monies due under this Lease by Tenant have been paid; (c) Property is not damaged and is left in its original condition, normal wear and tear excepted; (d) All keys have been returned; and (e) Tenant is not in default under any of the terms of this Lease.

6. Repairs and Maintenance. Tenant acknowledges that Tenant has inspected Property and that it is fit for its stated use. Tenant agrees that no representations regarding Property or the condition thereof and no promises to alter, decorate, improve, or repairs have been made by Landlord, Broker, or their agents unless specified in this Lease. The following shall be kept in good working order and repair, normal wear and tear expected, by either the Landlord or Tenant as follows:

Tenant shall be responsible for the costs of any utilities that Landlord has not expressly agreed to pay for in this Lease. Tenant must provide proof of payment of final bills for all utilities or service termination (cutoff) slips. Landlord may, at Landlord's option, pay utilities and be reimbursed by Tenant along with the next month's rent. Landlord shall not be liable for any interruptions or delays in the provision of utility services unless such interruptions or delays shall be caused by Landlord's gross negligence or willful misconduct.

9. Renewal Term. Unless notified in writing by the Town of Thunderbolt, this lease expires on 12/31/22 and there is no option to extend or automatically renew this agreement.

10. Sublet and Assignment. Tenant may not sublet Property in whole or in part or assign this Lease without the prior written consent of Landlord. This Lease shall create the relationship of Landlord and Tenant between the parties hereto; no estate shall pass out of Landlord and this Lease shall create a usufruct only. In the event Landlord shall assign this Lease, the assignee thereof shall be responsible to timely pay Brokers all commissions and other sums owed to them hereunder.

11. Right of Access, Signage.

A. Landlord and Landlord's agents shall have the right of access to Property for inspection, repairs and maintenance during reasonable hours. In the case of emergency, Landlord may enter Property at any time to protect life and prevent damage to Property. Landlord and/or Landlord's agents may place a "for rent" or "for sale" sign on the interior or exterior of Property, and may show Property to prospective tenants or purchasers during reasonable hours. Tenant agrees to cooperate with Landlord, Landlord's agent and Brokers who may show Property to prospective Tenants. Tenant shall secure valuables and agrees to hold Landlord and/or Landlord's Agent harmless for any loss thereof. For each occasion where the access rights described above are denied. Tenant shall pay Landlord the sum of $ 100.00 as liquidated damages; it being acknowledged that Landlord shall be damaged by the denial of access, that Landlord's actual damages are hard to estimate, and that the above amount represents a reasonable pre-estimate of Landlord's damages rather than a penalty.

B. Without Landlord's prior written permission, Tenant shall not place any sign, advertising matter, or any other things of any kind on any part of the outside walls or roof of Property or on any part of the interior of Property that is visible from the exterior of Property. Tenant shall maintain all such permitted signs, advertising matter, or any other things of any kind in good condition and repair. Tenant agrees to remove at its cost all such permitted signs, advertising matter, or any other things of any kind at the end of this Lease.

12. Use. Property shall only be used for the purposes set out as follows: Museum that highlights the history of the Town of Thunderbolt.

Property shall be used so as to comply with all federal, state, county, and municipal laws and ordinances and any applicable rules and regulations. Tenant shall not use or permit Property to be used for any disorderly or unlawful purpose; nor shall Tenant engage in any activity on Property which would endanger the health and safety of other Tenants or which otherwise creates a nuisance.

13. Agency and Brokerage.

A. Agency Disclosure: In this Agreement, the term "Broker" shall mean a licensed Georgia real estate broker or brokerage firm and, where the context would indicate, the broker's affiliated licensees. No Broker in this transaction shall owe any duty to Landlord or Tenant greater than what is set forth in their brokerage engagements and the Brokerage Relationships in Real Estate Transactions Act, O.C.G.A. § 10-6A-1 et. seq.;

1. **No Agency Relationship:** Landlord and Tenant acknowledge that, if they are not represented by a Broker, they are each solely responsible for protecting their own interests, and that Broker's role is limited to performing ministerial acts for that party.
2. **Listing Broker.** Broker working with the Landlord is identified on the signature page as the "Listing Broker"; and said Broker ☐ is **OR** ☐ ☐ is not representing Landlord;
3. **Leasing Broker:** Broker working with Tenant (including in transactions where Broker is representing Landlord) is identified on the signature page as "Leasing Broker;" and said Broker ☐ is **OR** ☐ is not representing Tenant; and
4. **Dual Agency or Designated Agency:** If Landlord and Tenant are both being represented by the same Broker, a relationship of either ☐ designated agency **OR** ☐ dual agency shall exist.

***a.* Dual Agency Disclosure:** *[Applicable only if dual agency has been selected above.]*
Tenant and Landlord are aware that Broker is acting as a dual agent in this transaction and consent to the same. Tenant and Landlord have been advised that:

(1) In serving as a dual agent, Broker is representing two clients whose interests are or at times could be different or even adverse;
(2) Broker will disclose all adverse, material facts relevant to the transaction and actually known to the dual agent to all parties in the transaction except for information made confidential by request or instructions from each client which is not otherwise required to be disclosed by law;
(3) Tenant and Landlord do not have to consent to dual agency and, the consent of Tenant and Landlord to dual agency has been given voluntarily and the parties have read and understand their brokerage engagement agreements.
(4) Notwithstanding any provision to the contrary contained herein, Tenant and Landlord each hereby direct Broker, while acting as a dual agent, to keep confidential and not reveal to the other party any information which could materially and adversely affect their negotiating position.

***b.* Designated Agency Assignment:** *[Applicable only if the designated agency has been selected above.]*
Broker has assigned N/A to work exclusively with Tenant as Tenant's designated agent and N/A to work exclusively with Owner/Landlord as Owner/Landlord's designated agent. Each designated agent shall exclusively represent the party to whom each has been assigned as a client and shall not represent in this transaction the client assigned to the other designated agent.

B. Material Relationship Disclosure: The Broker and/or affiliated licensees have no material relationship with either client except as follows: N/A.
(A material relationship means one actually known of a personal, familial or business nature between the Broker and/or affiliated licensees and a client which would impair their ability to exercise fair judgment relative to another client.)

C. Brokerage: The Brokers listed below have performed a valuable service in this transaction and are made parties hereunder to enforce their commission rights. Payment of commission to a Broker shall not create an agency or subagency relationship between Leasing Broker and either Landlord or Landlord's Broker. Landlord agrees to pay the Broker listed below and representing Landlord to lease and/or manage Property ("Listing Broker") a commission (which commission has already been negotiated in a separate agreement) of *[Check one. The section not marked shall not be a part of this Agreement]*:

☐ $ -0- or _____ percent (%) of the total base rent to be paid under the Lease, which shall be due and payable upon occupancy.

☐ $ _____ or _____ percent (%) of base rents paid, which shall be due and payable upon Tenant's monthly payment of rent in the manner provided in the Rent Paragraph above.

In the event the Lease is made in cooperation with another Broker listed below as the Leasing Broker, the Listing Broker shall receive N/A percent (%) of the total real estate commission paid hereunder and the Leasing Broker shall receive N/A percent (%) of the total real estate commission paid hereunder. In the event Tenant and/or Landlord fail or refuse to perform any of their obligations herein, the non-performing party shall immediately pay the Listing Broker and the Leasing Broker their full commissions. The Listing Broker and Leasing Broker may jointly or independently pursue the non-performing party for that portion of the commission, which they would have otherwise received under the Lease.

14. Default. If Tenant defaults under this Lease, Landlord shall have the right to pursue any or all of its remedies under Georgia Law. A default shall include, but not be limited to, the failure of Tenant to pay Landlord rent or reimburse Landlord for damages, repairs or costs when due, the abandonment of the Property by Tenant (which shall include the discontinuance of the use of the Property by Tenant) and the failure of Tenant to comply with any of the terms of the Lease including any rules and regulations. Landlord shall give Tenant a ten (10) day notice of and opportunity to cure any non-monetary breach of this Lease. All remedies hereunder shall be cumulative and not concurrent. Tenant shall remain liable for rents from and after any action by Landlord under a proceeding against Tenant for holding over or distress warrant, whether or not Tenant retains the right to possession of Property.

15. Rules and Regulations.

A. Tenant is prohibited from adding, changing or in any way altering locks installed on the doors of Property without prior written permission of Landlord. If all keys to Property are not returned when Tenant vacates Property, Landlord may charge a re-key charge in the amount of $200.00.

B. Motor vehicles with expired or missing license plates, non-operative vehicles, boats, trailers, RVs and campers are not permitted on Property. Any such vehicle may be removed by Landlord at the expense of Tenant, for storage or for public or private sale, at Landlord's option, and Tenant shall have no right or recourse against Landlord thereafter.

C. No goods or materials of any kind or description, which are combustible or would increase fire risk shall be kept in or placed on Property (except for goods and materials typically found in a general office use provided that the same are limited in quantity to that normally found in such use).

D. No nails, screws or adhesive hangers except standard picture hooks, shade brackets and curtain rod brackets may be placed in walls, woodwork or any part of Property.

E. Tenant shall not place any objects or personal property on Property in a manner that is inconsistent with the load limits of Property. Tenant shall consult Landlord before placing any heavy furniture, file cabinets, or other equipment in Property.

F. ~~Landlord shall provide heating and air conditioning to Property~~ between a.m. and p.m., Monday to Friday (excluding public holidays); between a.m. and p.m., Saturday; and between a.m. and p. m., Sunday. Tenant shall notify Landlord by 4 p.m. of the preceding day of any requests for overtime heating and air conditioning. Landlord may charge Tenant its reasonable costs of providing such overtime heating and air conditioning.

G. Tenant shall not, without Landlord's prior written consent, use any equipment which uses electric current in excess of 110 volts, which will increase the amount of electricity ordinarily furnished for use of Property as general office space, or which require clean circuits or other distribution circuits.

H. Landlord may establish additional reasonable Rules and Regulations concerning the maintenance, use, and operation of Property. Amendments and additions to the Rules and Regulations shall be effective upon delivery of a copy thereof to Tenant.

16. Abandonment. If Tenant removes or attempts to remove personal property from Property other than in the usual course of continuing occupancy, without having first paid Landlord all monies due, Property may be considered abandoned, and Landlord shall have the right, without notice, to store or dispose of any personal property left on Property by Tenant. Landlord shall also have the right to store or dispose of any of Tenant's personal property remaining on Property after the termination of this Lease. Any such personal property shall become Landlord's personal property.

17. Estoppel Certificate. Tenant shall, from time to time, upon Landlord's request execute, acknowledge, and deliver to Landlord, within ten days of such request, a certificate certifying: (a) that this Lease is unmodified and in full force and effect (or if there has been modification thereof, that the same is in full force and effect as modified and stating the nature thereof); (b) that to the best of its knowledge there are no uncured defects on the part of the Landlord (or if any such defaults exist, a specific description thereof); (c) the date to which any rents or other charges have been paid in advance; and (d) any other reasonable matters requested by Landlord. Landlord and any prospective purchaser or transferee of Landlord's interest hereunder or any then existing or prospective mortgagee or grantee of any deed to secure debt may rely on such certificates.

18. Property Loss. Storage of personal property by Tenant shall be at Tenant's risk and Landlord shall not be responsible for any loss or damage. Tenant shall be responsible to insure Tenant's personal property against loss or damage. Landlord shall not be responsible or any damage to Tenant's property, unless such damage is caused by Landlord's gross negligence or willful misconduct.

19. Destruction of Property.

A. If earthquake, fire, storm, or other casualty shall totally destroy (or so substantially damage as to be untenable) Property, rent shall abate from the date of such destruction. Landlord shall have sixty (60) days to commence the restoration of Property to a tenable condition. If in Landlord's sole discretion restoration cannot be completed within 180 days following such destruction, Landlord may, by written notice furnished to Tenant within thirty (30) days of such destruction, terminate this Lease, whereupon rent and all other obligations hereunder shall be adjusted between the parties as of date of such destruction. In the event the Landlord elects to complete such restoration, but fails to do so within 180 days following such destruction, this Lease may be terminated as of the date of such destruction upon written notice from either party to the other given not more than ten (10) days following expiration of said 180 day period. If such notice is not given, then this Lease shall remain in force and rent shall commence upon delivery of Property to Tenant in a tenable condition.

B. If Property is damaged but not rendered wholly untenable by earthquake, fire, storm, or other casualty, rent shall abate in such proportion as Property have been damaged and Landlord shall restore Property as reasonably quickly as practicable whereupon full rent shall commence.

C. Rent shall not abate nor shall Tenant be entitled to terminate this Lease if the damage or destruction of Property, whether total or partial, is the result of the negligence of Tenants, its contractors, employees, agents, invitees, guests, or licensees.

20. Alteration and Improvements. Tenant shall not make or allow to be made any alterations, physical additions, or improvements in or to Property without first obtaining Landlord's prior written consent. Landlord may grant or withhold such consent within its reasonable discretion and may impose reasonable conditions upon its consent. All costs of any such alteration, addition, or improvement shall be borne by Tenant, unless otherwise agreed in writing. The provisions of the Work Letter, attached hereto as an Exhibit and a part of this Lease, shall govern any alterations or improvements to be performed prior to the Commencement Date of this Lease. Any modifications or improvements at the Tenants expense must be authorized by the Town Administrator or designee and the Town reserves the right to dictate the vendor to perform such work, and or pay for the work and seek reimbursement from the Tenant.

21. Insurance. Tenant agrees that during the term of the Lease, Tenant will carry and maintain, at its sole cost, the following types of insurance, in the amounts specified and in the form hereinafter provided for:
[Check all that apply. The sections not marked shall not be a part of this Agreement.]

☑ **A. General Commercial Liability Insurance (or reasonable equivalent thereto):** Such insurance shall cover Property and Tenant's use thereof against claims for personal injury, bodily injury or death, property damage and products liability occurring upon, in, or about Property. The limits of such policy shall be in such amounts as Landlord may from time to time reasonably require, but in any event not less than one million Dollars ($ 1,000,000.00) for each occurrence. Such insurance shall be endorsed to cover independent contractors and contractual liability. Such insurance shall extend to any liability of Tenant arising out of the indemnities provided for in this Lease.

☑ **B. Fire and Extended Coverage Insurance (or reasonable equivalent thereto):** Such insurance shall cover Tenant's interest in its improvements to Property, and all furniture, equipment, supplies, and other property owned, leased, held or possessed by it and contained therein. Such insurance shall coverage shall be in an amount equal to not less than 100 percent (%) of full replacement cost as updated from time to time during the term of the Lease. Tenant shall promptly provide Landlord written notice in the event of any damages to persons or property occurring on Property from fire, accident, or any other casualty.

☑ **C. Workers' Compensation Insurance (or reasonable equivalent thereto):** Such insurance shall include coverage as required by applicable law.

☑ **D. Contractors Insurance (or reasonable equivalent thereto):** If Tenant engages any contractor or subcontractor to construct improvements or perform any other work on Property, Tenant shall require that such contractor or subcontractor have in force commercial general liability insurance, including personal injury coverage, contractual liability coverage, completed operations coverage, property damage endorsement, and, for any work which is subcontracted, contractors' protective liability coverage, insuring against any and all liability for injury to or death of a person or persons and for damage to property occasioned by or arising out of such work. The limits of such policy for both damage to property and bodily injury to be in such amounts as Landlord may from time to time reasonably require, but in any event not less than one million Dollars ($ 1,000,000.00) for each occurrence. Any such contractor or subcontractor shall also be required to maintain workers' compensation insurance as required by applicable law. All insurance policies procured and maintained herein (other than workers' compensation insurance) shall name Landlord, Landlord's property manager(s), Landlord's broker(s) and Landlord's lender as additional insureds, shall be carried with insurance companies licensed to do business in the State of Georgia and having a current financial strength rating in Best's Ratings of not less than B+. Such policies shall be non-cancellable and may not be materially altered except after thirty (30) days notice to Landlord. Such insurance policies or, at Landlord's election, duly executed certificates of such policies, accompanied by proof of the premium for such insurance, shall be delivered to Landlord before the earlier of (a) the initial entry by Landlord upon Property for the installation of its equipment or improvements; or (b) the Commencement Date of the Lease. Certificates of renewal of such insurance or copies of any replacement insurance policies, accompanied by proof of payment of the premiums for such insurance, shall be delivered to Landlord at least ten (10) days before the expiration of each respective policy term. Tenant shall comply with all rules and regulations applicable to Property issued by the Board of Fire Underwriters or by any body hereinafter constituted exercising similar functions. Tenant shall not intentionally do anything, or permit anything to be done, on or about Property that might adversely affect, contravene, or impair any policies of insurance that are in force for Property or any part thereof. Tenant shall pay all costs, damages, expenses, claims, fines, or penalties incurred by Landlord or Tenant because of Tenant's failure to comply with this Paragraph. Tenant indemnifies Landlord from all liability with reference thereto.

E. Event Insurance etc. – The Tenant must obtain event insurance etc.. for any non-covered risks under their current coverage, such as an outdoor event on or off property etc…

***22.* Taxes.** Tenant shall pay any and all taxes (including assessments and license fees) assessed or imposed upon Tenant's fixtures, furniture, appliances, and personal property located in Property: *[Check one. The section not marked shall not be a part of Agreement.]*

☑ **A. Landlord Pays All Property Taxes:** Landlord shall pay all property taxes levied against Property. Tenant shall not pay any property taxes levied against Property.

☐ ☐ **B. Tenant Pays Increases in Property Taxes:** In addition to other rent payments specified in this Lease, Tenant shall pay as additional rent the amount by which all property taxes on Property for each tax year exceed taxes on Property for the tax year _____. On or before the first day of the term of this Lease, Landlord will provide Tenant written notice of Landlord's estimate of the additional rent payable under this subparagraph. During December of each calendar year or as soon as practicable, Landlord will give Tenant written notice of its estimate of the payments to be made for the ensuing calendar year. On the first day of each month during the term of the Lease, Tenant will pay one-twelfth of the estimated amount in the manner provided in the Rent Paragraph. If notice is not given in December, Tenant will continue to pay on the basis of the prior year's estimate until the month after the notice is given. Within 90 (ninety) days after the close of each calendar year or as soon as practicable thereafter, Landlord will deliver to Tenant: (1) a statement of property taxes for the calendar year certified by certified public accountants designated by Landlord; and (2) a statement of the payments made or to be made for the calendar year that has been prepared on the basis of the certified statement. If on the basis of those statements, Tenant owes an amount that is less than the estimated payments for the calendar year previously made by the Tenant, Landlord will pay Tenant the amount of the overpayment within thirty (30) days after delivery of those statements. If on the basis of those statements Tenant owes an amount that is more than the estimated payments for such calendar year previously made by Tenant, Tenant will pay the deficiency to Landlord within thirty (30) days after delivery of those statements. If the Lease commences on a day other than the first day of the calendar year or ends on a day other than the last day of a calendar year, the amounts payable under this subparagraph shall be prorated.

23. Sale of Property to Tenant. Landlord shall pay Leasing Broker a commission in the amount of _____ percent (%) and Listing Broker a commission in the amount of N/A percent (%) of the gross sales price at closing if Tenant acquires from Landlord title to Property or any part thereof or any property as an addition, expansion, or substitution for Property during the term of this Lease, any renewals thereof,

or within one year after the expiration of this Lease. Such commission shall be payable in lieu of any further commission which otherwise Broker would have been due under this Lease. Notwithstanding the above, Owner shall immediately give notice to Broker if and when: (a) Owner enters into a contract to sell Property; or (b) Owner closes on the sale of Property to another.

24. Condemnation. If all or any part of Property are taken or appropriated by any public or quasi-public authority under the power of eminent domain, and if the remaining portion of Property is thereby rendered untenable or unusable for the purposes herein stated, this Lease shall terminate when the condemning authority takes possession, and any rent paid for any period beyond possession by the condemning authority shall be repaid to Tenant. Landlord shall receive the entire condemnation award without deduction there from for any interest of Tenant in Property, but Tenant shall have the right to make a separate claim with the condemning authority for, and to receive therefore, (a) any moving expenses incurred by Tenant as a result of such condemnation; (b) any costs incurred or paid by Tenant in connection with any alteration or improvement made by Tenant to Property; (c) the value of Tenant's personal property taken; (d) Tenant's loss of business income; and (e) any other separate claim which Tenant may be permitted to make under applicable law, provided that such other separate claims shall not reduce or adversely affect the amount of Landlord's award.

25. Disclaimer. Tenant and Landlord acknowledge that they have not relied upon any advice, representations or statements of Brokers and waive and shall not assert any claims against Brokers involving the same. Tenant and Landlord agree that Brokers shall not be responsible to advise Tenant on any matter including but not limited to the following: any matter which could have been revealed through a survey, title search or inspection of Property; the condition of Property, any portion thereof, or any item therein; building products and construction techniques; the necessity or cost of any repairs to Property; mold; hazardous or toxic materials or substances; termites and other wood destroying organisms; the tax or legal consequences of this transaction; the availability and cost of utilities or community amenities; the appraised or future value of Property; any condition(s) existing off Property which may affect Property; the terms, conditions and availability of financing; and the uses and zoning of Property whether permitted or proposed. Tenant acknowledges that Broker is not an expert with respect to the above matters and that, if any of these matters or any other matters are of concern, Tenant should seek independent expert advice relative thereto. Tenant acknowledges that Broker shall not be responsible to monitor or supervise any portion of any construction or repairs to Property and that such tasks clearly fall outside the scope of real estate brokerage services.

26. Other Provisions.

A. Time of Essence: Time is of the essence of this Lease.

B. No Waiver: Any failure of Landlord to insist upon the strict and prompt performance of any covenants or conditions of this Lease or any of the rules and regulations set forth herein shall not operate as a waiver of any such violation or of Landlord's right to insist on prompt compliance in the future of such covenant or condition, and shall not prevent a subsequent action by Landlord for any such violation. No provision, covenant or condition of this Lease may be waived by Landlord unless such waiver is in writing and signed by Landlord.

C. Definitions: "Landlord" as used in this Lease shall include its representatives, heirs, agents, assigns, and successors in title to Property. Broker shall be considered the authorized agent of Landlord except to the extent specifically provided for herein. The terms "Landlord" and "Tenant" shall include singular and plural, and corporations, partnerships, companies or individuals, as may fit the particular circumstances. The term "Binding Agreement Date" shall mean the date that this Lease has been signed by the Tenant and Landlord and a fully signed and executed copy thereof has been returned to the party making the offer to lease. "Property taxes" means any form of real or personal property taxes, assessments, special assessments, fees, charges, levies, penalties, service payments in lieu of taxes, excises, assessments, and charges for transit, housing, or any other purposes, impositions or taxes of every kind and nature whatsoever, assessed or levied by any authority having the power to tax against Property or any legal or equitable interest of Landlord in Property, whether imposed now or in the future, excepting only taxes measured by the net income of Landlord from all sources.

D. Entire Agreement: This Lease and any attached addenda and exhibits thereto shall constitute the entire Agreement between the parties and no verbal statement, promise, inducement or amendment not reduced to writing and signed by both parties shall be binding.

E. Attorney's Fees and Costs of Collection: Whenever any sums due hereunder are collected by law, or by attorney at law to prosecute such an action, then both parties agree that the prevailing party will be entitled to reasonable attorney's fees, plus all costs of collection.

F. Indemnification: Tenant agrees to indemnify and hold Landlord and Broker harmless from and against any and all injuries, damages, losses, suits and claims against Landlord and/or Broker arising out of or related to: (1) Tenant's failure to fulfill any condition of this Lease; (2) any damage or injury happening in or to the Premises and the Property or to any improvements thereon as a result of the acts or omissions of Tenant or Tenant's family members, invitees or licensees; (3) Tenant's failure to comply with local, state or federal law; (4) any judgment, lien or other encumbrance filed against the Premises or Property as a result of Tenant's actions and any damage or injury happening in or about the Premises or Property to Tenant or Tenant's family members, invitees or licensees (except if such damage or injury is caused by the intentional wrongful acts of Landlord or Broker); (5) failure to maintain or repair equipment or fixtures, where the party responsible for their maintenance uses commercially reasonable efforts to make the necessary repairs and Tenant covenants not to sue Landlord or Broker with respect to any of the above-referenced matters. In addition to the above Tenant agrees to hold Broker harmless from and against Owner of the Property not paying or keeping current with any mortgage, property taxes or home owners association fee's on the Property or not fulfilling the Owner's obligations under this lease. For the purpose of this paragraph, the term "Broker" shall include Broker and Broker's affiliated licensees, employees and if Broker is a licensed real estate brokerage firm, then officers, directors and owners of said firm.

G. No Partnership: Tenant by execution of this Lease is not a partner of Landlord in the conduct of its business or otherwise, or joint venturer, or a member of any joint enterprise with Landlord.

H. No Recordation: Tenant shall not record this Lease nor any short form memorandum thereof without Landlord's prior written consent.

I. Notices:

(1) **Generally:** All notices given hereunder shall be in writing, legible and signed by the party giving the notice. In the event of a dispute regarding notice, the burden shall be on the party giving notice to prove delivery. The requirements of this notice paragraph shall apply even prior to this Agreement becoming binding. Notices shall only be delivered: (1) in person; (2) by courier, overnight delivery service or by certified or registered U.S. mail (hereinafter collectively "Delivery Service"); or (3) by e-mail or facsimile. The person delivering or sending the written notice signed by a party may be someone other than that party.

(2) **Delivery of Notice:** A notice to a party shall be deemed to have been delivered and received upon the earliest of the following to occur: (1) the actual receipt of the written notice by a party; (2) in the case of delivery by a Delivery Service, when the written notice is delivered to an address of a party set forth herein (or subsequently provided by the party following the notice provisions herein), provided that a record of the delivery is created; (3) in the case of delivery electronically, on the date and time the written notice is electronically sent to an e-mail address or facsimile number of a party herein (or subsequently provided by the party following the notice provisions herein). Notice to a party shall not be effective unless the written notice is sent to an address, facsimile number or e-mail address of the party set forth herein (or subsequently provided by the party following the notice provisions herein).

(3) **When Broker Authorized to Accept Notice for Client:** Except where the Broker is acting in a dual agency capacity, the Broker and any affiliated licensee of the Broker representing a party in a client relationship shall be authorized agents of the party and notice to any of them shall for all purposes herein be deemed to be notice to the party. Notice to an authorized agent shall not be effective unless the written notice is sent to an address, facsimile number or e-mail address of the authorized agent set forth herein (or subsequently provided by the authorized agent following the notice provisions herein). Except as provided for herein, the Broker's staff at a physical address set forth herein of the Broker or the Broker's affiliated licensees are authorized to receive notices delivered by a Delivery Service. The Broker, the Broker's staff and the affiliated licensees of the Broker shall not be authorized to receive notice on behalf of a party in any transaction in which a brokerage engagement has not been entered into with the party or in which the Broker is acting in a dual agency capacity. In the event the Broker is practicing designated agency, only the designated agent of a client shall be an authorized agent of the client for the purposes of receiving notice.

J. Governing Law and Interpretation: This Agreement may be signed in multiple counterparts each of which shall be deemed to be an original and shall be interpreted in accordance with the laws of Georgia. No provision herein, by virtue of the party who drafted it, shall be interpreted less favorably against one party than another. All references to time shall mean the time in Georgia. If any provision herein is to be unenforceable, it shall be severed from this Agreement while the remainder of the Agreement shall, to the fullest extent permitted by law, continue to have full force and effect as a binding contract.

27. GAR Forms: The Georgia Association of REALTORS®, Inc. ("GAR") issues certain standard real estate forms. These GAR forms are frequently provided to the parties in real estate transactions. No party is required to use any GAR form. Since these forms are generic and written with the interests of multiple parties in mind, they may need to be modified to meet the specific needs of the parties using them. If any party has any questions about his or her rights and obligations under any GAR form, he or she should consult an attorney. Provisions in the GAR Forms are subject to differing interpretations by our courts other than what the parties may have intended. At times, our courts may strike down or not enforce provisions in our GAR Forms, as written. No representation is made that the GAR Forms will protect the interests of any particular party or will be fit for any specific purpose. The parties hereto agree that the GAR forms may only be used in accordance with the licensing agreement of GAR. While GAR forms may be modified by the parties, no GAR form may be reproduced with sections removed, altered or modified unless the changes are visible on the form itself or in a stipulation, addendum, exhibit or amendment thereto.

28. Beware of Cyber Fraud: Fraudulent e-mails attempting to get you to wire money to criminal computer hackers are increasingly common in real estate transactions. Under this scam, computer hackers fraudulently assume the online identity of the actual mortgage lender, closing attorney and/or real estate broker with whom you are working in the real estate transaction. Posing as a legitimate company, they then direct you to wire money to them. In many cases, the fraudulent e-mail is sent from what appears to be the authentic web page of the legitimate company responsible for sending the wiring instructions. You should use great caution in sending or receiving funds based solely on wiring instructions sent to you by e-mail. Independently verifying the wiring instructions with someone from the company sending them is the best way to prevent fraud. In particular, you should treat as highly suspect any follow up e-mails you receive from a mortgage lender, closing attorney and/or real estate broker directing you to wire funds to a revised account number. Never verify wiring instructions by calling a telephone number provided along with a second set of wiring instructions since you may end up receiving a fraudulent verification from the computer hackers trying to steal your money. Independently look up the telephone number of the company who is supposed to be sending you the wiring instructions to make sure you have the right one.

29. Exhibits. All exhibits attached hereto, listed below or referenced herein are made a part of this Lease. If any such exhibit conflicts with any preceding paragraph, said exhibit shall control:

☐ Exhibit "A" Legal Description

☑ Other DRAWING/PLAT OF BUILDING TO BE LEASED.

☐ Other _____

SPECIAL STIPULATIONS: The following Special Stipulations, if conflicting with any exhibits or preceding paragraph, shall control.

1) Rent check should be made payable to Town of Thunderbolt – 2821 River Dr., Thunderbolt, Ga, 31404.
2) Any legal documents shall be signed by an authorized representative of the Town of Thunderbolt.
3) In special circumstances for reoccurring bills, the Town may elect to pay for the electric, natural gas, other utilities, etc.., and the Tenant agrees to reimburse the Town within 10 business days of receiving such justified expense. A 10% late fee may be applied if the Town is not reimbursed within 10 business days.
4) Landlord may terminate the lease with 60 days' notice to the tenant upon (1) the tenant filing bankruptcy, (2) sale of business, (1) any event in which the tenant is no longer the party responsible for the monthly rent.
5) Tenant shall pay in addition to rent any Town wide stormwater fee or other user fee that the town may enact.
6) The rent may be adjusted annually on each anniversary date based on the inflationary index, or any similar reason.
